I came to Ongerup in 2006 as a farm manager. In 2012 I bought a farm supplies business in Ongerup and several years later bought the local general store, which had been closed down for a couple of years. I have been an active member of the Ongerup community for most of my time here. I have been captain of the Ongerup Bowling Club, an FCO with the local bushfire brigade and an active member of the Ongerup Community Development group. I have been a local shire councillor since 2019 and though it has been quite demanding at times, I have found this to be a rewarding experience. I believe that it has taken much of my first term on the council to learn the ropes and become an effective councillor. I hope that in running for another term I will be a more efficient and useful member of the council and more able to effectively represent my fellow residents. I am passionate about the Gnowangerup Shire and especially the Ongerup community and wish to see the area progress in every way possible.
