CALLAGHAN, Peter

Having arrived in Gnowangerup in 1989, in 1995 I was elected to Council and two years later elected Deputy President, a position I held for four years before retiring in 2001. As a teacher and especially as a Principal I have developed a clear understanding of organisational governance, transparency of decision making and the ethical standards required to provide public and community leadership. Since retiring from the Department of Education in 2018 I have participated in several community projects and spent 12 months as the Chairman of Southern Ag Care.

With a professional history of involvement with groups and negotiating their competing needs, plus previous experience as a Gnowangerup Shire Councillor, plus the free time to commit to Council I believe I can contribute to our future.
