HMELJAK, Frank

I have been a Shire Councillor for two terms and believe I have more to offer the Shire of Gnowangerup.

I am a true local, being born at the Gnowangerup District Hospital, educated at the local school and playing junior sports for Gnowangerup and then moving into senior sport later.

After leaving school I started my apprenticeship with a local company as a carpenter and joiner.

I married a local lady (my wife Shelley) and raised three daughters Caitlyn, Brigitte and Erin.

I have a lot to do with the youth in the community and have tried to improve their opportunities for employment and some sports that are available in other communities - ie BMX, skate park and motocross track.

Employed by the Shire of Gnowangerup for 17 years I have a sound knowledge of Gnowangerup, Borden and Ongerup.
