KIDDLE, Rebecca

I have enjoyed living in Gnowangerup since early 2000, moving here following the end of my education in Perth. Having grown up in Katanning, my love of the Great Southern region runs deep. I've always been involved in the community, being drawn to organisations that followed the growth of my family. Before I had my daughter Matilda I was involved in sporting clubs. This continued as my daughter became involved in her sports, as netta coach and tennis club treasurer. In recent years I have been committed to supporting young families, working with the Gnowangerup Family Support Association. My husband and I run a cropping and sheep farming enterprise, and we are committed to continuation, growth and diversification of agricultural both for our business, and for the region.
