**Supplier query cut-off:** Friday 11/Sep/20 03:00 PM (W. Australia Standard Time)  
**Decision Date:** 25/Sep/20

## What's required

### Bitumen Sealing Quotation Details

The total area of the 2020/2021 bitumen seal/reseal program is as per the attached bitumen sealing program document consisting of approximately 234,001m<sup>2</sup> of resealing.

The program includes two new seals on Kwobrup Road and Chillinup Road with 1120m of shoulder widening on Chillinup Road. There is a section of stabilised patches on Borden Bremer Bay Road prior to resealing. The RAV network intersections are located in Gnowangerup town site.

The sealing times are proposed for December 2020 as per the attached bitumen sealing program. There is a possibility that Chillinup works may not be completed in time for December sealing due to the late release of funding, this would require a second stage of resealing in late February or early March 2021.

Please supply the following costs as separate rates:

A) SWEEPING: including both pre sealing and post sealing.

B) SUPPLY AND SPRAY VOLUME C170 (at 15 degrees C) bituminous products:

- bitumen application rate as per spreadsheet - \$/litre

C) SUPPLY, SINGLE COAT DIESEL PRECOATING, LOADING, SPREADING AND ROLLING OF AGGREGATE –

Hansons Mt Barker is the preferred stone

- \$/m<sup>2</sup> for 14mm aggregate

- \$m2 for 10mm aggregate
- \$m2 for 7mm aggregate

NOTE: Bitumen application spray rates are provided for quoting purposes but BAR may vary slightly on the day.  
The Shire of Gnowangerup will supply all traffic control.  
Aggregate stockpiles will be in close proximity to the job.  
For more information please contact Yvette Wheatcroft (Manager of Works) on 0439 791 925

### **Desired Outcomes ('Nice to haves', Conditions & Warranties, SLA's, Project benefits)**

Past experience and knowledge of bitumen seal in the Great Southern region will be highly regarded.

### **The following supplier lists were selected**

1. Road Building Contractors, Materials & Related Svs (Type: Preferred Supplier Panel, Contract Name/Number: C017\_18)

### **The following categories were selected**

#### **- Road Building Contractors, Materials & Related Svs**

1. Bitumen and Sprayed Bituminous Surfacing

### **Suppliers notified of this request**

- 1 : Bitutek Pty Ltd via Road Building Contractors, Materials & Related Svs
- 2 : Boral Resources WA Limited t/a Boral Asphalt via Road Building Contractors, Materials & Related Svs

#### ATTACHMENTS

- Bitumen Sealing Tender Assessment (*Confidential*)

#### PURPOSE OF THE REPORT

To consider the tenders for 2020/21 bitumen sealing program and to accept the submission that provides the best value to the Shire.

#### BACKGROUND

Five companies were invited to quote through the WALGA e-Quote system on the 2020/21 bitumen-sealing program.

#### COMMENT

The following companies provided quotes: Fulton Hogan, Downer, Bitutek Pty Ltd, and Boral. Colas Western Australia Pty Limited declined to quote. All four quotes met the required specifications.

Quotes were assessed by the Manager of Works and Asset and Waste Management Coordinator.

After the assessment, the quotes are ranked in the following order:

1. Downer
2. Bitutek
3. Boral
4. Fulton Hogan

The assessments are rated in accordance with the overall cost figures.

#### CONSULTATION WITH THE COMMUNITY AND GOVERNMENT AGENCIES

Nil

#### LEGAL AND STATUTORY REQUIREMENTS

Due to the estimated cost of the Contract exceeding \$250,000, it is a purchasing requirement to go to Tender, pursuant to Reg. 11(1) of the Local Government (Functions General) Regulations

1996. Using the WALGA preferred eQuote system eliminates the need to go to tender as a *tender exemption* applies to all WALGA preferred suppliers.

POLICY IMPLICATIONS

Purchasing policy 4.1

FINANCIAL IMPLICATIONS

The Shires 2020/21 budget contains allocation for the provision of the sealing program.

STRATEGIC IMPLICATIONS

2017 Community Business Plan

Theme 5 Financial Sustainability

Objective 3 to effectively plan for the funding and delivery of major projects.

Strategic Initiatives 3.1 Effectively prioritise major capital projects to facilitate long-term financial sustainability.

IMPACT ON CAPACITY

Nil

RISK MANAGEMENT CONSIDERATIONS

No strategic risk applies

ALTERNATE OPTIONS AND THEIR IMPLICATIONS

Nil

CONCLUSION

The recommendation is to accept the tender from Downer for the 2020/21 bitumen program.

VOTING REQUIREMENTS

Simple majority

COUNCIL RESOLUTION

Moved: Cr S Hmeljak

Seconded: Cr G Stewart

**0920.110 That Council**

- 1. Authorises the CEO to accept the tender from Downer for \$686,875 for the bitumen spraying contract for the 2020/21 works program.**
- 2. If the preferred contractor is unavailable to perform the works when required, then council authorises the CEO to accept the next best available offer from the quotations.**

**UNANIMOUSLY CARRIED: 7/0**
