## Shelley Hmeljak

I have lived and worked in Gnowangerup all my life. I have been actively involved in Local Government for twenty years having been awarded the Walga Long and Loyal Service Award. I am currently employed as a Pharmacy Assistant and qualified Swimming Instructor, which incorporates two of my major passions: the welfare of the Shire's youth and elderly population. I am also very passionate about economic development of the Shire of Gnowangerup. I ran a successful campaign 'Shop Locally' to support the local business and to raise public awareness of the importance to shop in their own town. I remain actively involved with many bodies within the Shire of Gnowangerup and I hope to actively keep pursuing this involvement in the future.
