- Tender Recommendation Report (*confidential*)

PURPOSE OF THE REPORT

The purpose of this report is for Council to award tender RFT 2024-10-1 Provision of Unsealed Road Resheet Program.

BACKGROUND

At the 30 October 2024 ordinary meeting, Council resolved as follows:

COUNCIL RESOLUTION

Moved: Cr P Callaghan

Seconded: Cr M Creagh

1024.96 That Council:

Approves the proposal to proceed to call for tenders for Provision of Unsealed Road Resheet Program, the tender to be published in November 2024 with a closing date in November/December 2024

The Shire President put the motion and asked Councillor R O'Meehan who was joining via TEAMS to state her vote as either 'For' or 'Against' when their name was called:

Cr R O'Meehan responded "FOR" the motion

CARRIED BY ABSOLUTE MAJORITY: 7/0

COMMENTS

Tender RFT 2024-10-1 Provision of Unsealed Road Resheet Program seeks the appointment of a suitably qualified civil contractor to complete 24 kilometres of gravel resheets located on ten of the Shires unsealed roads.

Following Council endorsement, RFT 2024-10-1 tender documents were uploaded to the Shire of Gnowangerup TenderLink portal and advertised in the West Australian newspaper on the 6 November 2024.

Tender notices were also posted on the Shires website, Facebook page and public notice boards.

The tender period closed 2pm 22 November 2024 and five submissions were received.

All contractors provided compliant submissions and were deemed capable of undertaking the works, however the main point of difference between tenders was the broad range in the prices submitted.

The tenderer, recommended by the evaluation panel for this contract, has demonstrated the best value for money according to the "Qualitative" and "Quantitative" criteria specified in the tender document.

Assessment scoring can be viewed in the Tender Recommendation Report.

CONSULTATION

Internal consultation amongst staff for the preparation of the tender specifications and within the evaluation panel.

LEGAL AND STATUTORY REQUIREMENTS

Local Government Act 1995 s5.42 and s5.43

POLICY IMPLICATIONS

The Shires Procurement Policy is relevant to this tender

FINANCIAL IMPLICATIONS

The recommended tenderer's submitted price is below the Shires budgeted amount and provides an opportunity to increase the length of road resheeting beyond what was specified in the scope of works. However, the option to increase the scope of works and where they are undertaken is primarily dependant on the availability of gravel and where it is located. At the time of writing this report gravel for some of the roads nominated for resheet is proving difficult to locate.

The final price of the contract will also be determined by the distance to cart the gravel. As not all gravel pits have been finalised, the tender document asked tenderers to base their pricing on a 20-kilometre lead. If pits are located at a greater distance than 20 kilometres the winning tenderer will have the ability to review their pricing to reflect their cartage costs over a longer distance. The recommendations of this report reflect the need for the Chief Executive Officer to have Council's delegation to negotiate the final contractual arrangements to accommodate changes in price due to gravel cartage variations and project scope.

The Shires Unsealed Roads Resheet program is jointly funded by Commonwealth Roads to Recovery funding and the Shire of Gnowangerup.

STRATEGIC IMPLICATIONS

As per Integrated Strategic Plan

Theme	Our Infrastructure
Community Priority	We prepare and maintain our assets for current and future use

STRATEGIC RISK MANAGEMENT CONSIDERATIONS

This item has been evaluated against the current Council approved Risk Management Register.

ALTERNATE OPTIONS AND THEIR IMPLICATIONS

Council could resolve to not award the tender and not proceed with road resheeting works. Implications of this option would be an increase in road failures requiring increased repairs and reducing the safety of the road. The Shire would also need to reallocate its funding to other road projects.

CONCLUSION

It is recommended that Council supports the request to award the tender RFT2024-10-1 Provision of Unsealed Road Resheeting Program as per officer recommendation.

- c) Have NO embedded documents within the response;
- d) Include the completed Offer Form and Price Schedule

The Principal's preferred format for the submission is a single PDF file readable by Adobe Acrobat (PDF) or Microsoft Office 2010 applications.

All electronic submission files should be clearly named with the Principal's Tender Number and the Tenderer's Name.

Tenderers are responsible for ensuring that they have completed the lodgement of their tender document(s) correctly. Tenderers will receive a successful lodgement email notification from Tenderlink to confirm the tender submission has been successfully submitted to the Principal's electronic Tender box.

Tenderers must ensure that they have allocated a sufficient amount of time in order to upload their Tender to Tenderlink and resolve any potential technical issues prior to the Request deadline. Refer to Appendix 6.2 for approximate upload times.

Tenders that are not finished uploading to Tenderlink prior to the Tender deadline, will not be accepted for evaluation.

The Principal is not able to provide Tenderlink technical support and takes no responsibility for difficulties or technical issues experienced by the Tenderer whilst uploading their Tender. If the Tenderer requires assistance with using the Tenderlink website, they are to use the online help tools available on the Tenderlink Dashboard, or alternatively contact the Tenderlink Help Desk on 1800 233 533 or via email to support@tenderlink.com.

1.6 Delivery Method

Tenders must be submitted via the Shire of Gnowangerup Tenderlink Portal <https://www.tenderlink.com/gnowangerup/> by the specified tender closing time and date.

A Tender may be rejected without consideration of its merits in the event that:

- a) The Tenderer does not submit a Tender form which has been completed and signed together with all required schedules and supporting documentation; or
- b) The Tenderer fails to comply with any other requirements of the Tender Document.

1.7 Rejection of Tenders

A Tender will be rejected without consideration of its merits in the event that:

- a) It is not submitted before the Deadline; or
- b) It is not submitted at the place specified in the Request; or
- c) It may be rejected if it fails to comply with any other requirements of the Request.
- d) The Respondent does not submit an Offer Form which has been completed and signed together with all the required Attachments.

1.8 Late Tenders

Tenders received:

- a) After the Deadline; or
- b) In a place other than that stipulated in this request; will not be accepted for evaluation.

1.9 Acceptance of Quotes

Unless otherwise stated in this Request, Tenders may be for all or part of the Requirements and may be accepted by the Principal either wholly or in part. The Principal is not bound to accept the lowest Tender and may reject any or all Tenders submitted.

1.10 Disclosure of Contract Information

Documents and other information relevant to the contract may be disclosed when required by law under the Freedom of Information Act 1992 or under a Court order.

All Tenderers will be given particulars of the successful Tenderer(s) or will be advised that no Tender was accepted.

1.11 Tender Validity Period

All Tenders will remain valid and open for acceptance for a minimum period of ninety (90) days from the Deadline or forty-five (45) days from the Principal's resolution for determining the Tender, whichever is the later unless extended on mutual agreement between the Principal and the Tenderer in writing.

1.12 Precedence of Documents

In the event of there being any conflict or inconsistency between the terms and conditions in this Request and those in the General Conditions of Contract, the terms and conditions appearing in this Request will have precedence.

1.13 Alternative Tenders

All Alternative Tenders must be accompanied by a conforming Tender.

Tenders submitted as Alternative Tenders or made subject to conditions other than the General and Special Conditions of Contract must in all cases be clearly marked "**Alternative Tender**".

The Principal may in its absolute discretion reject any Alternative Tender as invalid.

Any printed "General Conditions of Contract" shown on the reverse of a Tenderer's letter or quotation form will not be binding on the Principal in the event of a Contract being awarded unless the Tender is marked as an Alternative Tender.

1.14 Tenderers to Inform Themselves

Tenderers will be deemed to have:

- a) Examined the Request and any other information available in writing to Tenderers for the purpose of tendering;
- b) Examined all further information relevant to the risks, contingencies, and other circumstances having an effect on their Tender which is obtainable by the making of reasonable enquires;
- c) Satisfied themselves as to the correctness and sufficiency of their Tenders including tendered prices which will be deemed to cover the cost of complying with all the Conditions of Tendering and of all matters and things necessary for the due and proper performance and completion of the work described therein;
- d) Acknowledged that the Principal may enter into negotiations with a chosen Tenderer and that negotiations are to be carried out in good faith; and
- e) Satisfied themselves they have a full set of the Request documents and all relevant attachments.

1.15 Alterations

The Tenderer must not alter or add to the Request documents unless required by these Conditions of Tendering.

The Principal will issue an addendum to all registered Tenderers where matters of significance make it necessary to amend or supplement the issued Request documents before the Deadline.

1.16 Risk Assessment

The Principal may have access to and give consideration to:

- a) any risk assessment undertaken by any credit rating agency;
- b) any financial analytical assessment undertaken by any agency; and
- c) any information produced by the Bank, financial institution, or accountant of a Tenderer;

so as to assess that Tender and may consider such materials as tools in the Tender assessment process.

Tenderers may be required to undertake to provide to the Principal (or its nominated agent) upon request all such information as the Principal reasonably requires to satisfy itself that Tenderers are financially viable and have the financial capability to provide the Services for which they are submitting and meet their obligations under any proposed Contract. The Principal reserves the right to engage (at its own cost) an independent financial assessor as a nominated agent to conduct financial assessments under conditions of strict confidentiality. For this assessment to be completed, a representative from the nominated agent may contact you concerning the financial information that you are required to provide.

The financial assessment is specifically for use by the Principal for the purpose of assessing Tenderers and will be treated as strictly confidential.

1.17 Evaluation Process

This is a Request for Tender. Your Tender will be evaluated using information provided in your Tender.

The following evaluation methodology will be used in respect of this Request:

- a) Tenders are checked for completeness and compliance. Tenders that do not contain all information requested (eg completed Offer form and Attachments) may be excluded from evaluation.
- b) Tenders are assessed against the Selection Criteria. Contract costs are evaluated (eg tendered prices) and other relevant whole of life costs are considered.
- c) The most suitable Tenderers may be short listed and may also be required to clarify their Tender, make a presentation, demonstrate the product/solution offered and/or open premises for inspection. Referees may also be contacted prior to the selection of the successful Tenderer.

A Contract may then be awarded to the Tenderer whose Tender is considered the most advantageous Tender to the Principal.

1.18 Selection Criteria

The Contract may be awarded to a sole Tenderer who best demonstrates the ability to provide quality products and/or services at a competitive price. The tendered prices will be assessed together with qualitative and compliance criteria to determine the most advantageous outcome to the Principal.

The Principal has adopted a best value for money approach to this Request. This means that, although price is considered, the Tender containing the lowest price will not necessarily be accepted, nor will the Tender ranked the highest on the qualitative criteria.

A scoring system will be used as part of the assessment of the qualitative criteria. Unless otherwise stated, a Tender that provides all the information requested will be assessed as satisfactory. The extent to which a Tender demonstrates greater satisfaction of each of these criteria will result in a greater score. The aggregate score of each Tender will be used as one of the factors in the final assessment of the qualitative criteria and in the overall assessment of value for money.

1.19 Compliance Criteria

These criteria are detailed within Part 5 of this document and will not be point scored. Each Tender will be assessed on a Yes/No basis as to whether the criterion is satisfactorily met. An assessment of “No” against any criterion may eliminate the Tender from consideration.

1.20 Qualitative Criteria

In determining the most advantageous Tender, the Evaluation Panel will score each Tenderer against the qualitative criteria as detailed within Part 5 of this document. Each criterion will be weighted to indicate the relative degree of importance that the Principal places on the technical aspects of the works.

It is essential that Tenderers address each qualitative criterion. Information that you provide addressing each qualitative criterion will be point scored by the Evaluation Panel. Failure to provide the specified information may result in elimination from the tender evaluation process or a low score.

1.21 Value Considerations

The Weighted Cost Criteria method is used where price is considered to be crucial to the outcome of this tender process. The Tendered price is given the following weighting and will be assessed in conjunction with the Compliance Criteria, Qualitative Criteria detailed in Part 5. – Tenderer’s Offer of this Request for Tender.

Criteria	Weighting
Tendered price	40%

1.22 Regional Price Preference

Tenderers for the contract may be afforded a preference in accordance with Regulation 24(A-G) of the Local Government (Functions and General) Regulations.

1.23 Price Considerations

The submitted price will be considered along with related factors affecting the total cost to the Principal. The Principal reserves the right to further negotiate a submitted price should it be deemed necessary. The price of the works offered under this Request shall be fixed for the term of the Contract.

Unless otherwise indicated all submitted prices shall include all costs associated with the manufacture, provision of works to meet all the requirements stated in this document and submitted submission documents, and all applicable administration. Submitted prices must include and exclude Goods and Services Tax (GST).

Any charge not stated in the submission, as being additional will not be allowed as a charge for any transaction under any resultant Contract.

1.24 Ownership of Tenders

All documents, materials, articles and information submitted by the Tenderer as part of or in support of the Tender will become upon submission the absolute property of the Principal and will not be returned to the Tenderer at the conclusion of the Tender process PROVIDED that the Tenderer be entitled to retain copyright and other intellectual property rights therein, unless otherwise provided by the Contract.

1.25 Canvassing of Officials

If the Tenderer, whether personally or by an agent, canvasses any of the Principal's Commissioners or Councillors Officers (*as the case may be*) with a view to influencing the acceptance of any Tender made by it or any other Tenderer, then regardless of such canvassing having any influence on the acceptance of such Tender, the Principal may at its absolute discretion omit the Tenderer from consideration.

1.26 Identity of the Tenderer

The identity of the Tenderer and the Contractor is fundamental to the Principal. The Tenderer will be the person, persons, corporation or corporations named as the Tenderer in Part 5 and whose execution appears on the Offer Form in Part 5 of this Request. Upon acceptance of the Tender, the Tenderer will become the Contractor.

1.27 Costs of Tendering

The Principal will not be liable for payment to the Tenderer for any cost, losses or expenses incurred by the Tenderer in preparing their offer, including any cost involved pertaining to the Tenderer lodging a Tender response through the Tenderlink process.

1.28 Tender Opening

Tenders will be downloaded from the Tenderlink portal with two of the Principal's representatives present, following the advertised Deadline. All submissions received will be recorded in the Tender Register.

1.29 In House Tenders

The Principal does not intend to submit an In-House Tender.

1.30 Intellectual Property Rights

The Principal warrants that, unless otherwise provided in the Contract, design, materials, documents and methods of working, each specified in the Contract or provided or directed by the Principal or the Principal's Representative shall not infringe any intellectual property right.

The Contractor warrants that any other design, materials, documents and methods of working, each provided by the Contractor, shall not infringe any intellectual property right.

Each party shall indemnify the other against such respective infringements.

1.31 Confidential Information

The parties shall ensure that supplied information is kept confidential such as documents, samples, models, patterns and other information as are supplied and clearly identified as confidential.

2 Specification

2.1 Contract Requirements in Brief

The Shire of Gnowangerup is seeking to appoint a suitably qualified civil contractor for the provision of unsealed road resheeting services. The scope of works includes the gravel resheeting of various sections of 10 unsealed roads as part of the Shires 2024/25 capital works program. This document outlines the scope of works, technical specifications, and tender requirements.

2.2 Scope of Work

The unsealed road resheeting program (Attachment 1) aims to improve the condition of unsealed roads within the Shire of Gnowangerup. The works include:

- Carting and applying gravel to nominated unsealed roads
- Grading and compacting the road surface
- Ensuring proper drainage

Site Locations

A list of roads to be resheeted, including their lengths and locations is available in Attachment 1.

Program Duration

Works are to be undertaken in a project window commencing 01 January 2025 with completion by 30 April 2025. Work must be scheduled to minimize disruption to local traffic and residents.

Separable Portions

Works specified in this contract are divided into Separable Portion A and Separable B. Tenderers are invited to submit a price schedule for either one or both Separable Portions with the Principal reserving the right to award Separable Portions to different contractors at its sole discretion.

Traffic Management

The Contractor is responsible for all traffic management relevant to the works being undertaken and will include all associated costs in their price submission.

The Contractor shall submit a project specific Traffic Management Plan (TMP) to be implemented at all work locations to the Principal's Representative prior to works commencing. The TMP shall fully satisfy the requirements of AS 1742.3 and MRWA Code of Practice – Worksite Traffic Management (2013).

Mobilisation/Demobilisation

The Contractors mobilisation/demobilisation must include transport of materials, plant and personnel to Gnowangerup, as well as, accommodation, meals and any other associated costs.

All transport between worksites within the Gnowangerup region is an expense to the Contractor and together with mobilisation/demobilisation should be included in the cost of the total works.

Haulage Routes

Haulage routes shall be managed and maintained to minimise the impact on the roads being used.

Haulage routes may be inspected by the Principals' Representative to record the current standard of the road prior to commencement of hauling.

The road controlling authority may direct suspension of cartage on haulage routes for a period when wet weather or other adverse conditions affecting the road surface or drainage that could compromise the road integrity and public safety.

If work cannot proceed on other activities, the time for suspension of the Contract shall be extended by the cumulative total of all periods of cessation of work directed by the Principals' Representative which are within the specified working hours.

2.3 Specification/ Requirements

2.3.1 Materials

- Gravel: The gravel used for resheeting will be provided by the Shire with the contractor carting from gravel pits located within a 20km lead radius. Exact locations of the gravel pits is still to be determined but for the purposes of tender evaluation tenderers are to base their costings on a 20 km lead to be reviewed at the time of contract award.
- Water: Water will be available at the various locations within a 20km lead radius. Exact locations are still to be determined but for the purposes of tender evaluation tenderers are to base their costings on a 20 km lead to be reviewed at the time of contract award.

Contractors will be required to provide for the pumping of water and all costs associated with this included in their overall pricing.

2.3.2 Preparation

- Remove any vegetation, debris, and other obstructions from the road surface.
- Cut-to-fill to achieve a typical 4% each way crossfall except if superelevated which will be one way 4% crossfall
- Minor vegetation clearance to the top of the back slope of table drains to facilitate the construction of a new formation.
- Reshape and reform the existing road to a typical 4% each way crossfall except if superelevated which will be one way 4% crossfall
- Existing table drains to be reshaped to approximately 150mm below the subgrade level and off chute drains renovated to a full functional condition.
- Construct additional drainage as required to prevent water accumulation on the road surface if identified.
- Ensure existing drainage culverts are clear and functional.
- Gravel sheeting to be supplied, placed, mixed, trimmed and compacted to 100mm thickness
- Testing regime and compaction specifications to Australian Standards or equivalent
- Existing alignment to be maintained
- Relocate existing signs and guideposts

2.3.3 Resheeting Process

- Scarification: Scarify the existing road surface to a depth of 50-100mm before placing new gravel.
- Gravel Placement: Spread new gravel uniformly across the road surface at a required depth to achieve a final compacted surface of 100mm.
- Compaction: Compact the gravel using appropriate machinery to achieve a dense and stable surface.
- Grading: Grade the road surface to ensure a smooth and even finish, with a camber to facilitate drainage.

3 Special Conditions of Contract

3.1 Contractor Evaluation

The Contractor's performance shall be reviewed at any time as directed by the Principal and evaluated by a Performance Evaluation Panel consisting of one (1) representative of the Contractor and not more than two (2) representatives of the Principal.

3.2 Performance Management Process

Communication between the Principal and the Contractor needs to be managed effectively to ensure that workers are advised of poor performance and to advise on the outcomes of work being completed or materials delivered.

The following performance management and review process will enable this to occur whilst also ensuring that the performance and review of the Contract is linked to that of the specification and work orders, including the provisions for default and Contract termination.

- Ongoing performance management and liaison between the Principal or nominated representative and the Contractor.
- Performance reporting and contract performance review.

Ongoing performance management and review will allow:

- The Principal to notify the Contractor of any sub-standard materials/works or damages and to monitor compliance.
- Contract workers to advise the Principal of identified faults and damage.
- Principal and Contractor to identify and address sub-standard work/materials without disruption to the operation of the works.'

The Principal reserves the right to independently audit any works during the contract period.

3.3 Additional Time due to Unforeseen Delays

Should significant additional time be required on site to conform to unforeseen delays beyond the Principal's control, such as and not limited to, adverse weather conditions, transport difficulties, airport/plane delays/rescheduling the Principal will not be accountable for any additional cost incurred by the successful Contractor, unless prior approval is given by the Chief Executive Officer or his delegated officer.

3.4 Site Access

The Contractor shall liaise with the Principal's Representative to gain access to the Site area for the inspection, installation and commissioning works with two (2) days advance notice.

3.5 Damage/Protection

The Contractor must take care during progress of the work to avoid damage to any existing equipment and pipework/services within the limits of the work. Any damage caused by the

activities of the Contractor shall be made good by the Contractor. If made good by the Principal, the cost of the repair shall be recovered from the Contractor.

3.6 Non Conformance

Any work or materials deemed to be non conforming/non compliant with this Contract (*as per the Specification*) by the Principal/Principal's Representative shall be removed at the Contractor's expense, including cost of replacement and no payment shall be made for the removal or non-conforming material.

3.7 Prevention of Delays - Additional Works

In the event of any site that requires additional works due to settling ground or other latent conditions, the Contractor will immediately advise the Principal's Representative to meet and decide if any action is required by the Contractor. The Contractor may be asked to move to the next site location of the works to continue the works whilst any issues are rectified by the Principal. The Contractor is to carry out the original works after any additional rectifications are completed by the Principal. The Contractor should not experience any delays in the planned works if this process is followed.

3.8 Indemnity

- a) The Contractor must indemnify and keep indemnified the Shire against any and all expense, cost, damage, loss, liability or penalty that the Shire suffers or incurs arising out of or in any way related to the Services, the Contractor's performance of the Services or the Works.
- b) The indemnity referred to in (a) is reduced proportionately to the extent that the Shire's liability, loss, damage, cost or expense was directly caused by the Principal's negligence Shire's negligence

3.9 Copyright

All documents (including final reports) produced, films, original drawings, photographs, electronic media and all copyright will reside with the Principal.

None of the documentation produced as a result of this Contract can be reproduced or distributed without the prior written authorisation of the Principal.

4 General Conditions of Contract

This Contract shall be deemed to have incorporated AS 4902-2022 Minor Works Contract Conditions

If at any time during the progress of the Purchase, any dispute or difference arises as to the true intent or interpretation of the Contract, such matter shall be referred in writing to the CEO within seven (7) days of such dispute arising. The CEO shall then advise the Contractor on the interpretation of the Purchase Order, and the Contractor shall accept such interpretation without further reference or appeal.

4.1 Insurances

Without limiting its obligations and responsibilities, the Contractor shall take out insurance for the entire contract period under the following headings:

- a) Products Liability
- b) Public Liability
- c) Workers Compensation

4.2 Record Keeping

The Principal is subject to the provisions of the State Records Act 2000 (WA) ("SRA"). To the extent that the Contractor has possession, custody or control of any records created in the performance of functions undertaken for or on behalf of the Principal by or under this Contract, the following provisions will apply to such Records:

- a) The term "records" has the same meaning as in the SRA.
- b) The Contractor will comply with the SRA and its Principles and Standards and any principles or standards developed by the Principal in accordance with the SRA in relation to such Records.
- c) All such Records will remain the property of the Principal.
- d) The disposal of any such Records will be in accordance with the Principal's recordkeeping plan ("RKP").
- e) The Contractor will give the Principal unlimited access, on reasonable notice, to all such Records.
- f) On expiry or earlier termination of this Contract, the Contractor will (at the Principal's option) either return all such Records to the Principal in accordance with Principal's directions, or destroy them in accordance with Principal's RKP and the General Disposal Authority for Local Governments WA. In either case, the return or destruction of such Records will be at Principal's expense.

Appendix 1 – Tenderlink Upload Times

IMPORTANT:

The information below applies only where you have been requested to submit your tender documents via the electronic tender box process. Please check the tender documents for the required submission process.

1. Ensure **ALL** files are uploaded to the Electronic Tenders Box (if provided) **PRIOR** to the closing time and date shown in the tender documents. **PLEASE NOTE:** The ETB closes automatically at this time - file transfers still in progress at the exact closing time **WILL NOT** be accepted and you will not receive an automatic "successful submission" notice.
2. It is strongly recommended that if your file(s) are in excess of 10MB in total and/or you are transferring data from within a corporate network that you are able to do so without restriction. We suggest you speak with your network administrator or IT staff and advise them the size of the files you intend to submit to ensure that internal file size restrictions in your network or from your PC **DO NOT** prevent you from uploading to the TenderLink servers.

DO NOT leave your submission to the last minute. TenderLink have no control over the closing of Tender Boxes. If you need assistance, please contact us on the number below well before the closing time. As a guide, you should begin your file transfer at least 1 hour prior to the closing time.

The following guide should be used to determine how long it will take you to upload your file(s) to our servers. As an example, if your file is 10MB and your broadband connection speed to our servers uploads at 128kbps, your upload time should be approximately 10 minutes. If you have a dial-up connection, please ensure you allow sufficient time.
