WORKS

- The Construction crew have completed resheeting of Gnowellen and O’Meehan Roads.
- They have also commenced resheeting on Sandalwood Rd. The Shire has engaged contractors to screen the gravel for Sandalwood Road which has resulted in a better-quality product.
- Contractors have completed vegetation clearing on Gnowellen, Sandalwood and Laurier Roads
- Maintenance grading was carried out with the following roads being graded; Corackerup Rd, Magners Rd, Gleeson Rd, Kelly Rd, Old Ongerup Rd, Strathhaven Rd, Airport Rd, Jam Rd, Laurier Rd, Nightwell Rd, Nightwell South Rd, North Stirling, Mungerup Rd, Sandalwood Rd and Toompup Rd South.
- Kwobrup Road was sealed on the 14th of November and shoulder widening on Tieline Road was sealed on the 15th of November. The shoulders on Tieline were too wet in places and sealing did not occur in these areas.
- Culverts were installed on O’Meehans Road.
- Have replaced the sprinklers on the Gnowangerup Oval.
- Floated the Posi-Track with the mulcher attachment down to Ongerup to do some slashing within the townsite.
