BUILDING ASSETS

Star Building internal lining was completed

AVIATION

The aerodrome has seen three different companies using the aerodrome for mouse baiting operations.

RFDS also made four landings for the month

CCTV

The stolen CCTV camera has been replaced at the Borden Waste site.

Two faulty cameras were replaced at Gnowangerup with one also being relocated to a higher position.

PLAYGROUNDS

Softfall sand was installed around the relocated playground equipment at Gunther Park. The remaining area was sprayed for weeds.

Sand delivered to Borden complex playgrounds.

The modified skate track at Weir Park has been getting used with good feed back from the users.

WASTE SITES

New signage has been ordered for the waste sites to indicate, showing emergency contact details and types of materials allowed to be dumped.

Dropping materials in the wrong areas, especially around the hole instead of in it, is an increasing problem. If this continues, along with regulatory changes Council may have to consider manning sites It is hoped new directional signage will assist in this matter.
