<b>Proponent:</b>	N/A
<b>Date of Report:</b>	15 <sup>th</sup> October 2021
<b>Business Unit:</b>	Infrastructure
<b>Officer:</b>	Geoff Carberry - Asset and Waste Management Coordinator
<b>Disclosure of Interest:</b>	Nil

---

September saw several plumbing issues occur at various public venues throughout Gnowangerup and Ongerup. These were all caused by excessive amounts of materials being forced into the septic lines. Not having a plumber available in the Shire has resulted in additional costs being incurred.

Ensuite tiling repairs and carpet cleaning was completed in the GROH leased building at 40 Corbett St. It was found that a water proofing membrane had not been installed in the shower area which allowed water to leak from the shower area into a carpeted area.

An approach has been received from Innovaero with regards to the possible use of Gnowangerup Aerodrome for testing of an experimental Remote Piloted Aircraft. During a meeting at the Aerodrome the company indicated that the facility was well maintained and would suit their needs, however accommodation standards in town were of concern.

### **BUILDING OFFICER ACTIVITIES**
