Shire of Gnowangerup

NOTICE OF AN ORDINARY MEETING OF COUNCIL

Dear Council Member

The next Ordinary Meeting of the Shire of Gnowangerup will be held on Wednesday 24 April 2024, at the Council Chambers 28 Yougenup Road Gnowangerup, commencing at 3:30pm.

Signed:  _____

David Nicholson
CHIEF EXECUTIVE OFFICER

Meaning of and CAUTION concerning Council's "In Principle" support:

When Council uses this expression it means that:

- (a) Council is generally in favour of the proposal BUT is not yet willing to give its consent; and*
- (b) Importantly, Council reserves the right to (and may well) either decide against the proposal or to formally support it but with restrictive conditions or modifications.*

Therefore, whilst you can take some comfort from Council's "support" you are clearly at risk if you act upon it before Council makes its actual (and binding) decision and communicates that to you in writing.

DISCLAIMER

No responsibility whatsoever is implied or accepted by the Shire of Gnowangerup for any act, omission or statement or intimation occurring during Council or committee meetings.

The Shire of Gnowangerup disclaims any liability for any loss whatsoever and howsoever caused arising out of reliance by any person or legal entity on any such act, omission or statement or intimation occurring during Council or committee meetings.

Any person or legal entity who acts or fails to act in reliance upon any statement, act or omission made in a Council or committee meeting does so at that person's or legal entity's own risk.

In particular and without detracting in any way from the broad disclaimer above, in any discussion regarding any planning application or application for a licence, any statement or intimation of approval made by any member or officer of the Shire of Gnowangerup during the course of any meeting is not intended to be and is not taken as notice of approval from the Shire of Gnowangerup.

The Shire of Gnowangerup advises that anyone who has any application lodged with the Shire of Gnowangerup shall obtain and should only rely on **written confirmation** of the outcome of the application, and any conditions attaching to the decision made by the Shire of Gnowangerup in respect of the application.

These minutes are not a verbatim record but include the contents pursuant to Regulation 11 of Local Government (Administration) Regulations 1996.

1. Insert your name (print).
2. Insert the date of the Council Meeting at which the item is to be considered.
3. Insert the Agenda Item Number and Title.
4. Tick box to indicate type of interest.
5. Describe the nature of your interest.
6. Describe the extent of your interest (if seeking to participate in the matter under S. 5.68 & 5.69 of the Act)..

DECLARATION OF INTERESTS (NOTES FOR YOUR GUIDANCE)

A Member, who has a Financial Interest in any matter to be discussed at a Council or Committee Meeting that will be attended by the Member, must disclose the nature of the interest:

- a) In a written notice given to the Chief Executive Officer before the Meeting or;
- b) At the Meeting, immediately before the matter is discussed.

A member, who makes a disclosure in respect to an interest, must not:

- a) Preside at the part of the Meeting, relating to the matter or;
- b) Participate in, or be present during any discussion or decision-making procedure relative to the matter, unless to the extent that the disclosing member is allowed to do so under Section 5.68 or Section 5.69 of the Local Government Act 1995.

NOTES ON FINANCIAL INTEREST (NOTES FOR YOUR GUIDANCE)

The following notes are a basic guide for Councillors when they are considering whether they have a **Financial Interest** in a matter. These notes will be included in each agenda for the time being so that Councillors may refresh their memory.

1. A Financial Interest requiring disclosure occurs when a Council decision might advantageously or detrimentally affect the Councillor or a person closely associated with the Councillor and is capable of being measured in money terms. There are exceptions in the Local Government Act 1995 but they should not be relied on without advice, unless the situation is very clear.
2. If a Councillor is a member of an Association (which is a Body Corporate) with not less than 10 members i.e. sporting, social, religious etc.), and the Councillor is not a holder of office of profit or a guarantor, and has not leased land to or from the club, i.e., if the Councillor is an ordinary member of the Association, the Councillor has a common and not a financial interest in any matter to that Association.
3. If an interest is shared in common with a significant number of electors or ratepayers, then the obligation to disclose that interest does not arise. Each case needs to be considered.
4. **If in doubt declare.**
5. As stated in (b) above, if written notice disclosing the interest has not been given to the Chief Executive Officer before the meeting, then it **MUST** be given when the matter arises in the Agenda, and immediately before the matter is discussed.
6. Ordinarily the disclosing Councillor must leave the meeting room before discussion commences. The only exceptions are:
 - 6.1 Where the Councillor discloses the extent of the interest, and Council carries a motion under s.5.68(1)(b)(ii) or the Local Government Act; or
 - 6.2 Where the Minister allows the Councillor to participate under s.5.69(3) of the Local Government Act, with or without conditions.

INTERESTS AFFECTING IMPARTIALITY

DEFINITION:

- a) means an interest that could, or could reasonably be perceived to, adversely affect the impartiality of the person having the interest; and
- b) includes an interest arising from kinship, friendship or membership of an association.

A member who has an Interest Affecting Impartiality in any matter to be discussed at a Council or Committee Meeting, which will be attended by the member, must disclose the nature of the interest;

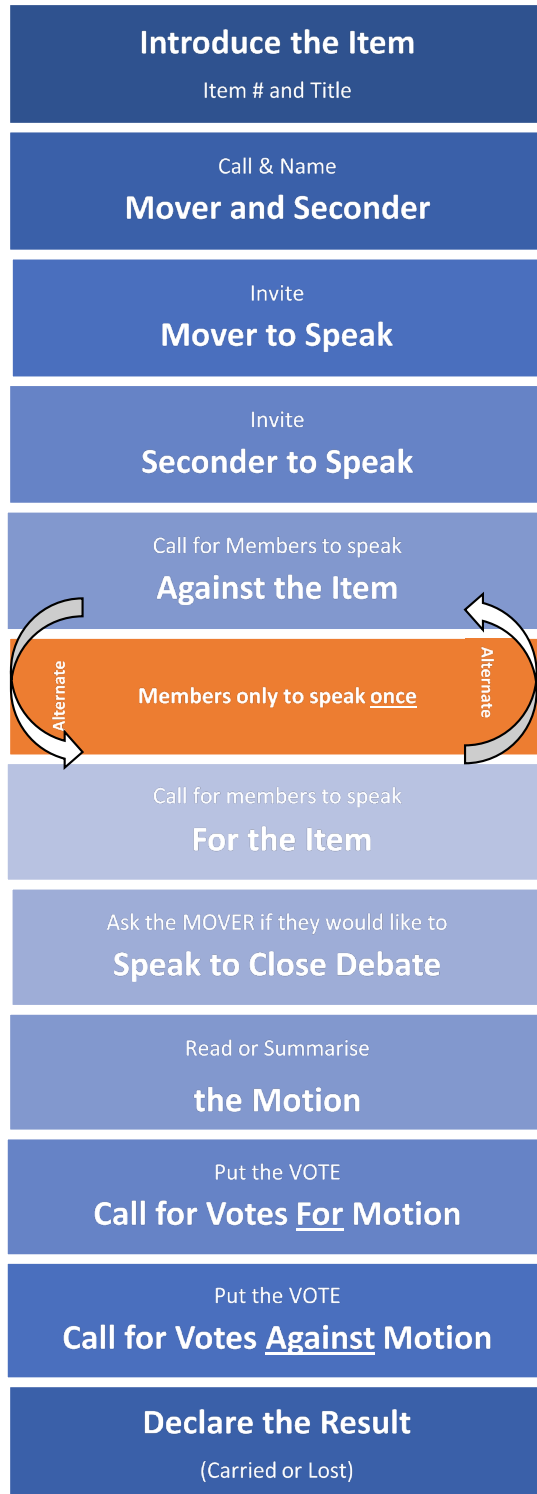

- (a) in a written notice given to the Chief Executive Officer before the meeting; or
- (b) at the meeting, immediately before the matter is discussed.

IMPACT OF AN IMPARTIALITY DISCLOSURE

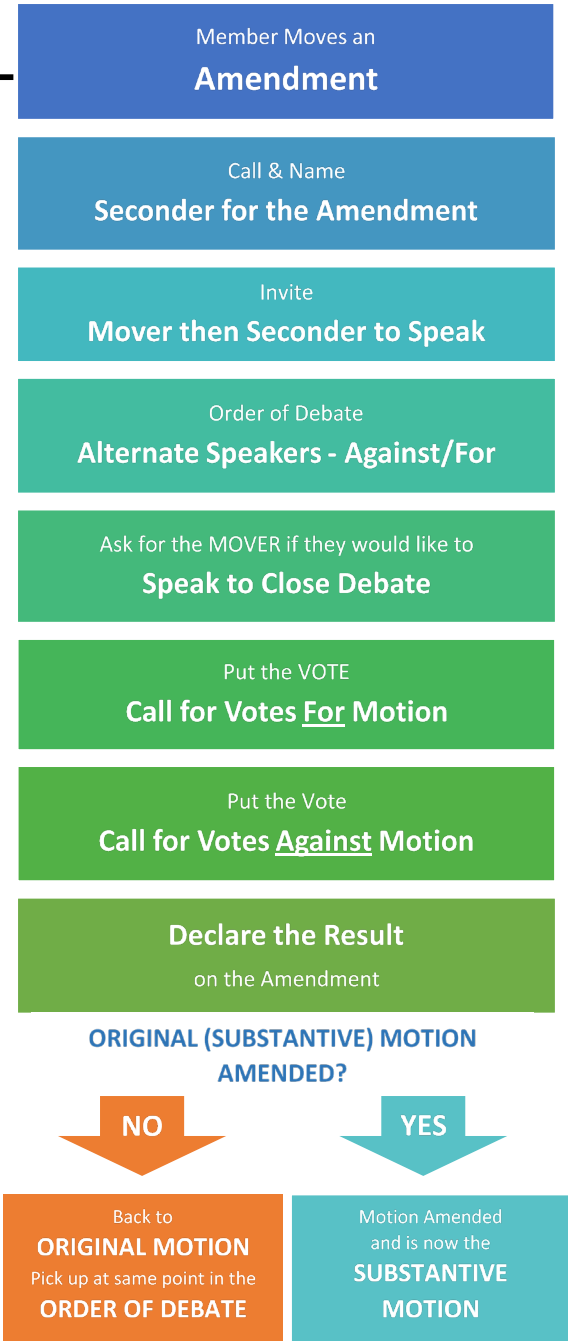

There are very different outcomes resulting from disclosing an interest affecting impartiality compared to that of a financial interest. With the declaration of a financial interest, an elected member leaves the room and does not vote. With the declaration of this new type of interest, the elected member stays in the room, participates in the debate and votes. In effect then, following disclosure of an interest affecting impartiality, the member's involvement in the Meeting continues as if no interest existed.

ATTACHMENTS

- Corporate Business Plan Progress report from 1st October 2023 to 31 March 2024 (Q2 to Q3 of FY 2023/2024)

PURPOSE OF THE REPORT

For Council to note the attached Corporate Business Plan (CBP) Progress report of the actions/projects in the existing CBP and to adopt the change of reporting from quarterly to bi-annually.

BACKGROUND

Council adopted its Integrated Strategic Plan (Strategic Community Plan 2021-2031 and Corporate Business Plan 2021-2025) in July 2021 in accordance with section 5.56 of the local Government Act 1995

According to the adopted CBP a traffic light based Progress Report will be shared via a Council Item **quarterly**.

COMMENTS

The attached report was included in Council Workshop 10 April 2024. This report confirms that the Shire is making satisfactory progress towards its Integrated Planning and Reporting (IP&R) commitments.

It is proposed to change this progress reporting from a quarterly report to **bi-annually** report. The longer timeframe will make the Progress Report more meaningful.

The proposed reporting schedule is as follow:

Report to Council in October:	Q4 of last Financial Year & Q1 of current Financial Year
Report to Council in April:	Q2 & Q3 of current Financial Year

CONSULTATION

The attached Progress Report and the proposal to change the reporting frequency was discussed at the April Council & Executive Workshop.

LEGAL AND STATUTORY REQUIREMENTS

Local Government Act 1995

5.56. Planning for the future

(1)A local government is to plan for the future of the district.

(2)A local government is to ensure that plans made under subsection (1) are in accordance with any regulations made about planning for the future of the district.

Local Government (Administration) Regulations 1996:

19C. Strategic community plans, requirements for (Act s. 5.56)

(4)A local government is to review the current strategic community plan for its district at least once every 4 years.

ALTERNATE OPTIONS AND THEIR IMPLICATIONS

Council can decline the proposal to change the reporting to bi-annually.

CONCLUSION

The attached CBP update is a simple way to report to Council on the progress of the CBP actions. The adoption of this progress report reinforces Council's commitment to meaningful strategic planning and provides a sound basis for continual improvement within the Shire. A bi-annually reporting cycle will make the report more meaningful.

Dear David,

I am writing to you on behalf of Southern Agcare Inc. in my position as Chairperson. As you would be aware Southern Agcare Inc. has been pro-active in the Gnowangerup Community for 37 years and rely on support from the Communities that we serve to be able to deliver our essential services correctly and most efficiently.

Committees, as you would realise are struggling more and more to be able to retain active members on them and need local information and feedback to provide the support required in each of the Shires that we cover. Given this is the most effective way to ascertain individual Shire's requirements, we would like to request that consideration be given to allocating one of your Councillor's to represent the Council on our Committee.

Southern Agcare would also appreciate an opportunity to be able to do a presentation at one of your meetings to give Shire Councillors a more complete understanding of our services and what we deliver to your community, we would also be able to answer any of their questions so that they remain fully informed as to what is available. If this is possible, could you please reply with a suitable date for this presentation.

If you require any more information, please don't hesitate to contact me at admin@southernagcare.org.au or via my mobile phone 0427 822 273. Your support in this matter would be greatly appreciated.

Kind regards,

Janine Thornton

This makes it very hard to locate the property and direct the brigades to the correct location. • The aim of this project is to build a register/database to connect a farm name with property owner name and rural address with each other. This will simplify the process of locating the address and directing emergency services. • Tom Grieve explained the use of the "Emergency Plus" App. • The app uses a mobile phone's GPS functionality and what3words, so callers can provide emergency call-takers with their location information as determined by their smart phone. With what3words available within the Emergency+ app, Triple Zero (000) callers can confirm their exact location quickly and accurately. • The Shire could do a promotion of the Emergency Plus App to make people aware of its features. INWARDS:

8.1. Nil

OUTWARDS

8.2. Sent out LEMC invite to 7th March 24 meeting, attached December 23 LEMC minutes and agenda.

9. GENERAL BUSINESS

9.1. General induction around the table due to some new committee members joining the LEMC.

10. REPORTS FROM MEMBERS:

Charlotte Powis - District Emergency Services Officer, Great Southern - Department of Communities

- Refer to attached report.
- CESM made comment on some of the grant applications are very complex and difficult for local Governments to apply for due to not having staff to do the work needed to apply for the grants. Charlotte will also take this up to SEMC to explain the difficulties and challenges that we are having. Small local Government's don't have Grant righters that some bigger Local Government's have in their teams nor do smaller LGs have the funds to put into some of these grants being offered.

Sharon Austin – Department of communities

- Refer to attached report.
- Sharon Austin still acting in the position, hope to have someone in the position very soon. A candidate was selected but withdrew their acceptance for another position.

Andrew Brooker - Community Paramedic, St John Ambulance

- Business as usual
- Volunteers okay but could do with more.
- Training has started for 2024.

Mel Haymont - Community Preparedness Advisor, Department of Fire and Emergency Services

- Introduced herself and her experiences within DFES and outside of DFES and previous employment.
- Mel is very keen to work with the Shire and CESM and engage with our community along with support Gnowangerup shire where needed.

Mike Richardson – Shire of Gnowangerup Acting Manager of Works

- Nill

Todd D'Souza - OIC, Gnowangerup Police

- Introduced himself and his extensive experience within WAPOL.
- What are going to be our challenges for the next 12 months?

- Road crash will potentially increase over easter, Bluff Knoll will see an increase in visitors.
- A meeting needs to take place to discuss the CCTV camera issue so Todd can be brought up to speed on what is required in this space.
- Blessing of the roads 28th March
- Focus on Education rather than just handing infringements, education is a way to making the public aware of the dos and don'ts.

Travis Hawkers - Volunteer St John Ambulance

- Volunteers okay with Gnowangerup
- Volunteers are low in Borden and Ongerup
- Training has started for 2024.
- Recruitment drives underway for new Volunteers.
- Volunteer week 26th May, SJA have put in for a grant for an award night.
- Defib around the SOG SJA have been handed over the responsibility to look after and manage Local Defibs which comes at a cost. SJA are looking at ways to fund the ongoing maintenance of these units. Approx \$3000 per year to maintain.
- Grants would be a great way to pay for ongoing costs to maintain the Defibs.

Mandy Hanna - Unit Manager SES Gnowangerup

- Difficult few months with some internal matter, these have been resolved and we are now moving forward in the right direction.
- Feb has been reasonable quiet.
- Applying for a grant for a 25kva generator
- Thank you to Anrie and Shane for there ongoing help and support.
- Shed addition is in the process of being started and hope to see some works on the ground in the coming months.

Ian Bailey - Principal, Gnowangerup District High School

- Some public confusion on closure of schools in early March, public was of the understanding that schools were being closed to the extreme heat, but it was incorrect it was acutely the bushfire risk on that day was extreme. Each school has been assessed for danger by DFES, some schools have been assessed as high so they will close down, Gnowangerup has been assessed as low so it will never close down on this type of declared day. This trigger point is above 75 by DFES and this will trigger the points.
- CESM (Shane Harris) Clarified the confusion and explained how the process works and who declares the school closures.
- DFES does not make the decision it is the education department that will make the call on closing or advising that schools should close, and this is based on certain weather trigger points.
- DFES will be working with the education department and the general community to clarify the process to avoid ongoing confusion and break down in communication.
- Ian confirmed that the assessments are Ongerup is High, Borden is Medium and Gnowangerup is Low.

Chiara Galbraith - Shire of Gnowangerup Deputy Chief Executive Officer

- A large amount of works is going into grant funding.

Anrie van Zyl - Shire of Gnowangerup HR & Emergency Management Officer

- Working with Grant Funding
- Assisting CESM with LGGS funding

- Messaging via the shires' messaging service is expensive and we need to be mindful of what messages are being sent out, we should be looking at using it just for alerting the community, Volunteers of emergencies and not use it for messages such as saying thank you. As much as we would like to send messages out on behalf of a landowner to say thank you to the VOLLIES it comes at a cost that isn't something that the Shire is able to claim back. The shire approx. 900 community members on the messaging service.

Vince Hilder, Department of Biodiversity, Conservation and Attractions (DBCA)

- Vince and Lindsay will share their position.
- Driest summer on records have been broken.
- Relatively quiet with 23 fires in the GS region, some of these were deliberately lit.
- Close to being fully staffed now.
- Stirling are now fully staffed.
- Prescribed burning through the western end of the Stirling.
- Water bombers Extended to after easter.
- Call water bombers early if a fire gets into heavy fuel loads, there is a delay in the process of activation Bombers and could take up to 30-60min before they get airborne.

Cr Lex Martin - Shire of Gnowangerup Councillor & Deputy Recovery Coordinator

- Nil

Wayne Davis – Captain/FCO Borden Fire Brigade

- All volunteers are being told that they must wear full PPE while on the fire ground and if they don't have it, they are to leave the fire ground immediately.
- Any private farm units that don't have railing are not to have firefighters working on the back of units.
- Have asked all FCO to follow suit and ensure that this is passed throughout all our Volunteers.
- Vince Hilder backed up Waynes comments and advised that under the new WH&S legislation everyone must wear PPE.
- Anrie made further comment that a private farmer working on there own farm may choose not to wear PPE is up to them but as soon as they ask for assistance from local Volunteer brigades it then becomes a responsibility of local government which then falls under the WH&S legislation.
- Everyone needs to be on board and continued reinforcement that PPE must be worn.

Darren Baum – Chief Bush fire control officer SOG

- Darren thanked the shire for the excellent work in the employment of Daniel Biddulph and Shane Harris
- A great effort by all our Volunteers, FCO's etc in managing fires within our shire as well as supporting other areas.

Derek Jone - District Officer, Department of Fire and Emergency Services

1. Summer Update

Need to scale up early has been evident.

Challenges understanding Controlling Agency Status.

One fatality – Shire of Esperance. Still under investigation.

I expect any findings should be of interest to all LGs.

Some staff changes in office –

- New DEMA (Old Adam Smith) – Charlotte Powis

- New Community Preparedness Advisor – Mel Haymont
- A/Superintendent – Mark Feast (~end of March)
- A/Area Officer Rural – Brendan Gordon (TBA)
- Training Support/Volunteer Management Support – internal shuffle.

2. Public Warnings & Information

Key component and responsibility of incident controller.

Road closures on major highways have been a challenge. Google is an issue.

SMS messages, WhatsApp etc – these don't get through to the passing traveller.

Emergency WA is being updated.

3. Fire Weather Districts & Autumn Burning

Implemented 1st Sept 2022.

AFDRS ongoing review.

Hosted an online discussion forum for CBFCO & FWO to outline process to allow burning safely.

Planned ROAC sharing of what did/didn't work in April.

TFB process being reviewed now.

4. Mitigation Plans - Update

All slashing in Gnowangerup townsite – complete and invoiced and approved for payment?

Checking plans for Ongerup and now working on Gnowangerup water tank.

DFES continues to fund mitigation works within gazetted townsites to reduce risk to community.

Start mapping for 2024/25 fire season.

Shane Harris – CESM Gnowangerup

- Busy fire season to date, seeing all Brigades supporting neighbouring LGs and Green Range Fire
- Very hot weather through the district seeing TFBs being applied to Gnowangerup LG and many HVMBs.
- Attended workshop with Aboriginal rangers to discuss how we can engage and work with their rangers in the mitigation space.
- This month is busy preparing LGGs grants.
- Road Safety campaign this month

Dan Biddulph - SOG/SOJ Bushfire Mitigation Coordinator

- Introduced himself and his experiences and knowledge in the Bushfire mitigation space.
- Will be prioritising what mitigation works need to take place and put them into a prioritised list. Also identifying that Ongerup is certainly one of the areas of high prioritising with the school and café being in a high-risk area surrounded in bushland.

11. CLOSING

Cr Rebecca O’Meehan declared the meeting closed at 17:50pm.

12. DATE OF NEXT MEETING

Next meeting will take place on Thursday the June 2024 at 4:30pm date to be TBC.

Unconfirmed

Emergency Relief and Support

LEMC Background Information – 1st quarter 2024

ERS Capability Audit

- Department of Communities (Communities) recently engaged Nous Group to audit the capability and capacity of the Emergency Relief and Support (ERS) sector across Western Australia (WA) to ensure that it can meet the relief and recovery needs of WA people now and in the future.
- The project focused on establishing a baseline of how well equipped the State is to prepare for, respond to, and recovery from emergencies and critical events in the six functional areas of ERS that Communities is responsible for.
- The findings have presented valuable insights and opportunities to increase the current emergency relief and support services to respond during an emergency event more effectively.
- A new internal capability framework is being developed to assist with bridging some of the gaps identified from the audit.

Kimberley Floods

Overarching

- Following Ex-Tropical Cyclone Ellie in January 2023, the Fitzroy Valley experienced a 1-in-100-year flood event.
- Department of Communities continues to support Fitzroy Valley residents impacted by the January 2023 floods under the State Emergency Management arrangements, across Social and Built Recovery Domains.

Social Domain

- Department of Communities, Emergency Relief and Support Team leads the people component of Recovery, classified in the State Recovery Structure under the Social Domain.
- Department of Communities has undertaken preparedness activities to increase resilience of temporary accommodation infrastructure including:
 - Ensuring that all Humanihut accommodation in Bungardi and Tarunda are at the one-in-50-year flood level.

Kimberley Floods

- Working with Humanihut in the preparedness phase to strengthen evacuation procedures in Bungardi and Tarunda, and
- Supporting the transition of individuals in Phase 1 temporary accommodation into Phase 2 temporary accommodation or to return to their home.

Built Domain

- Department of Communities supports Government agency partners Main Roads WA and Department of Finance under the Built Domain.
- Department of Communities has established a housing works program to repair and rebuild flood damaged dwellings that are government-owned or managed or on Crown reserves managed by the Aboriginal Lands Trust or other management bodies.
- Department of Communities is supporting families whose homes require either major refurbishment or rebuild with transitional accommodation ahead of the wet season.
- Transitional accommodation includes more family friendly demountable accommodation that allows more space between families and is built to the 1-in-50-year flood level.
- Each transitional accommodation unit comprises a custom-built amenity module, a bathroom/bedroom module and a deck/veranda module. As of 30 August 2023, based on community consultation the Department of Communities is providing 44 transitional accommodation units across Bungardi, DarIngunaya, Loanbun, Burawa, Galeru Gorge, Karnparmi and Yurabi Road.

ERS new permanent structure

- Communities received sustained funding to enhance Emergency Relief and Support capacity across WA. The funding was critical to enable Communities to meet its legislated responsibilities under the State Emergency Management Arrangements.
- The changes will help improve service delivery, with a focus on additional resourcing to regions within WA.
- The ERS Directorate structure is comprised of three functional streams and ERS Executive Services:
- ERS Executive Services
- Stream 1 is responsible for Regional Response and Coordination
 - Immediate Response
 - Metropolitan and Regional Preparedness
 - Stakeholder engagement

ERS new permanent structure

- Regional Training
- Locally led Recovery
- Special Projects

- Stream 2 is responsible for Strategy and Capability
 - Capability Mapping, Intelligence and Reporting
 - Monitoring and Evaluation
 - Stakeholder Engagement and Specialist Practice
 - Training and Development
 - Recovery
 - National and State Level Committees
 - DRFA and Special Projects

- Stream 3 is responsible for Business Services
 - Human Resources including the coordination of Emergency Response Teams and Surge Workforce personnel.
 - Finance
 - Business Support and Administration
 - ERS Systems
 - Procurements, Grants, and Contracting
 - Logistics
 - Disaster Response Hotline
 - DRFA Acquittals

Local EM Information

- The Disaster Relief Hotline was operating during the power outages caused by storms in Great Southern/Wheatbelt and Goldfields in mid-January. The Hotline was available to anyone affected by the storms.
- There was an Emergency Fire in Albany on Monday 24/01 at Vancouver Peninsula, Albany. The fire caused sixteen people to be evacuated.
- Department of Communities Great Southern, had teams on standby if an evacuation centre was required to be opened, for the fire at Venns Road, Green Range. Six families self-evacuated, all families were contacted by The Department.

STATE NEWS

The last meeting of the **State Emergency Management Committee (SEMC)** was held on the 6 December 2023. SEMC Communiques can be found [here](#).

2024 SEMC MEETING SCHEDULE

- March 2024

STATE EMERGENCY MANAGEMENT DOCUMENTS

The SEMC has approved changes to the suite of State Emergency Management (EM) Documents within the State EM Framework. These changes include the development of an **All-Hazards Restricted Access Permit System (RAPS) Guideline**, a detailed review of the interim **State Hazard Plan – Severe Weather**, and a new **State EM Risk Management Guideline**.

In addition to the documents mentioned above, the following State EM documents have been amended:

- State EM Policy – Consequential amendments resulting from the new RAPS Guideline and Risk Management Guideline
- State EM Plan – Consequential amendments resulting from the new RAPS Guideline
- State EM Procedure – Consequential amendments resulting from the new Risk Management Guideline
- State EM Glossary – Consequential amendments resulting from the new Risk Management Guideline
- State Hazard Plan Fire – Consequential amendments resulting from the new Risk Management Guideline
- State EM Traffic Management in Emergencies Guideline – Consequential amendments resulting from the new RAPS Guideline.

These documents are now available on the [SEMC website](#).

The SEMC has approved and published two new State Emergency Management documents, the **State Support Plan – Emergency Relief and Support** and the **Local Emergency Management Committee Handbook**.

State Support Plan – Emergency Relief and Support

Several key changes were made to the Plan including;

- The change to terminology from ‘welfare’ to ‘emergency relief and support’ and welfare centre’ to ‘evacuation centres’.
- Greater clarity of the emergency relief and support services provided within the six functional domains.
- Greater clarity of Communities role in supporting Disaster Victim Identification services in respect to a major emergency.
- Greater clarity of Communities role as the State agency responsible for leading the social domain in the recovery phase of an emergency.

Please review your internal emergency management documents to reflect new terminology used within the Plan.

Local Emergency Management Committee Handbook and useful tools

The LEMC handbook provides local governments with a summary of the actions and best practice principles as required under section 38 – 40 of the *Emergency Management Act 2005*, State Emergency Management Policy, procedures, and guidelines.

The LEMC Handbook provides a summary of the WA emergency management arrangements, key roles, and responsibilities and best practice advice for the administration of LEMC.

The Handbook also includes sample LEMC Terms of Reference and Meeting Agenda templates, which can be downloaded from the [SEMC website](#).

Amendments to State Emergency Management documents

State EM Policy has completed consequential and statement of fact amendments to most of the State Emergency Management documents. **The changes relate to:**

1. The change in terminology from 'welfare' to 'emergency relief and support' and related terms following SEMC approval of the State Support Plan – Emergency Relief and Support.
Please note: *While the amendments log provides an overview of all items that have been updated within the suite, a detailed log is not provided for each reference to these terms within the State EM Framework.*
2. Consequential amendments to reflect the outcomes of the 2023 SEMC Subcommittee review, which came into effect 1 July 2023.
3. Consequential amendments to reflect the revised State EM Capability Framework, approved by SEMC on 4 October 2023.
4. Statement of fact amendments to correct minor issues raised by EM stakeholders and to improve accessibility, approved by the SEMC Executive Officer.

Details of the amendments are provided within the [October 2023 amendments list](#) on the SEMC website.

CONSULTATION REQUESTS

You can view all current consultations on the [Engage WA EM consultation homepage](#).

Release of the Emergency Management Sector Adaptation Plan (EM-SAP) Discussion Paper

The State Emergency Management Committee (SEMC) is developing the EM-SAP to support the Western Australian emergency management sector to accelerate climate change adaptation. The SEMC recognises the risks posed by climate change and is committed to delivering strong action to enhance the resilience of Western Australian communities and the emergency management sector.

The EM-SAP will represent a major part of the implementation of the Western Australian Climate Adaptation Strategy and fulfils SAP requirements under the *Climate Change Bill 2023*.

The purpose of the Discussion Paper is to invite you to have your say on the design and content of the EM-SAP. *Please note that the content of the Discussion Paper is proposed for consideration only and is intended as a starting point to stimulate discussion.*

Visit our dedicated engagement portal here: <https://engagewaem.com.au/wa-emergency-management-sector-adaptation-plan-discussion-paper>

The consultation period is open until COB Friday, 29 March 2024.

For further information about the project, email info@semc.wa.gov.au

Local Governments can find out how they can provide feedback by emailing em@walga.asn.au

DISTRICT NEWS

The last official meeting of the **District Emergency Management Committee (DEMC)** was held on the 18 October 2023, however two extraordinary meetings were held on the 18th and 19th January 2024 in relation to the significant power outages across the state. The next official meeting of the DEMC will be held on Tuesday 20 March 2024.

LOCAL NEWS

LOCAL EMERGENCY MANAGEMENT ARRANGEMENTS

Please check the due date for your five-yearly LEMA reviews and allow a minimum of six months to complete the LEMA review process. Funding opportunities are available to assist with LEMA reviews.

The Local Emergency Management Arrangements Review

The Improvement Program and implementation approach has now been finalised and endorsed by the SEMC at their December 2023 meeting. More information can be found at:

<https://www.wa.gov.au/organisation/state-emergency-management-committee/lema-improvement-program>

Given the timeframes of the program **please don't delay in preparing any LEMA that are due or nearly due for their 5 year review.**

District Emergency and Local Emergency Management Committees Review

In May 2022 SEMC meeting, members approved a review of the roles of District Emergency Management Committee (DEMC) and Local Emergency Management Committees (LEMC). The project aims to;

- Establish clear roles and responsibilities, functions and governance for DEMCs and LEMCs in achieving the strategic objectives of the SEMC.

- Identify improvement opportunities to governance arrangements and capabilities to increase effective and efficient emergency management outcomes.
- Create a shared understanding of SEMC expectations of DEMCs and LEMCs within the emergency management sector.

The review has occurred and was tabled at the December SEMC meeting. For more information go to:

<https://www.wa.gov.au/organisation/state-emergency-management-committee/review-district-and-local-emergency-management-committees>

GRANT PROGRAM UPDATES

The State Emergency Management Committee (SEMC) oversees the distribution of grant funding to support activities that reduce disaster risk and enhance WA's resilience to disasters.

Information on funding opportunities can be found [here](#).

Disaster Ready Fund (DRF) – NOW OPEN until 20 March 2024!

The [Disaster Ready Fund](#) (DRF) is an Australian Government initiative that will deliver up to \$200 million in funding over five years from 1 July 2023 to 30 June 2028, to fund projects that support natural disaster resilience and risk reduction.

DRF Round Two is currently open until and will close at **5pm AWST Wednesday 20 March 2024**.

The Department of Fire and Emergency Services (DFES) is the Lead Agency for Western Australia. Western Australian applicants must submit their application to DFES via the [online application portal](#).

Please ensure you have read and understood the DRF [Round Two Guidelines](#) and reviewed the FAQs and Factsheets available on the [DRF website](#) before commencing your application.

Please contact semc.grants@dfes.wa.gov.au for further information on the grant programs.

EMERGENCY MANAGEMENT TRAINING OPPORTUNITIES

WALGA offer Emergency Management training for Local Government

Local Governments have an essential role in Emergency Management due to their legislated responsibilities and links to the community. The way emergencies are managed is critical to the safety and sustainability of communities, ensuring the effective functioning of the Local Government and their staff. WALGA offer Emergency Management training courses such as;

- Emergency Management Fundamentals
- Emergency Management Foundations for Local Government
- Emergency Management for Local Government Leaders
- Community Disaster Recovery

- Recovery Coordinators Course for Local Government

All of these courses are valuable in that they build connections and networks with members of other Local Governments across the State, further enhancing information sharing and building capacity.

Further information can be found [here](#).

Performance Criteria

Included in the attached unconfirmed Minutes of the CEO Review Committee meeting are the Shire of Gnowangerup's Draft CEO Performance Criteria 2024 and CEO Performance Criteria for the period April 2023 to March 2024. They have been prepared by the CEO and endorsed by the CEO Review Committee meeting at its meeting on the 27 March 2024.

These performance criteria are additional to the Functions of the CEO as documented in Section 5.41 of the Local Government Act 1995.

Reviewer

The CEO's Employment Contract states that the Reviewer could be the Council, a committee with the delegated power to undertake the performance review, or a person or body authorised by Council to conduct the performance review. The Employment Contract also states that Council is to select the Reviewer in consultation with the CEO, though Council can unilaterally make this decision.

SHIRE OF GNOWANGERUP

CEO REVIEW COMMITTEE

TERMS OF REFERENCE

Purpose

The CEO Review Committee (Committee) is responsible for making recommendations to Council on Chief Executive Officer (CEO) appointments, contract reviews/renewals, performance and remuneration reviews and assessments.

The Committee is a formally appointed committee of Council and is responsible to that body. The Committee does not have executive powers or authority to implement actions in areas over which the CEO has legislative responsibility and does not have a delegated power from Council. The Committee does not have any management functions and cannot involve itself in management processes or procedures.

The Committee is to report to Council and provide appropriate advice and recommendations on matters relevant to its terms of reference in order to facilitate informed decision making by Council in relation to the legislative functions and duties of the local government that have not been delegated to the CEO.

Objectives

The primary objectives of the Committee are to make recommendations to Council on CEO appointments, contract reviews/renewals, performance and remuneration reviews and assessments.

Reports from the Committee will assist Council in discharging its legislative responsibilities of governing the Shire's affairs.

Duties and Responsibilities

The duties and responsibilities of the Committee members will be to:

1. Make recommendations to Council on CEO performance reviews and assessments;
2. Review and recommend annual goals and targets for the CEO against key performance indicators to Council for consideration.
3. Make recommendations to Council on CEO remuneration reviews and assessments.
4. Make recommendations to Council on CEO appointments.
5. Make recommendations to Council on CEO contract reviews and/or renewals.

Membership

The Committee will consist of all elected members of Council. All members shall have full voting rights.

The CEO and employees are not members of the committee.

The CEO and senior staff, with the approval of the Presiding Member and CEO, may be called to attend meetings to provide advice and guidance to the Committee.

The Executive Assistant will provide administrative support to the Committee by preparing agendas and minutes, and organising meetings.

The Presiding Member and Deputy Presiding Member must be elected in accordance with section 5.12 and Schedule 2.3 of the Act.

Meetings

The Committee shall have flexibility in relation to when it needs to meet, but as a minimum, will need to meet at least once a year. It is the responsibility of the Presiding Member to call the meetings of the Committee.

Reporting

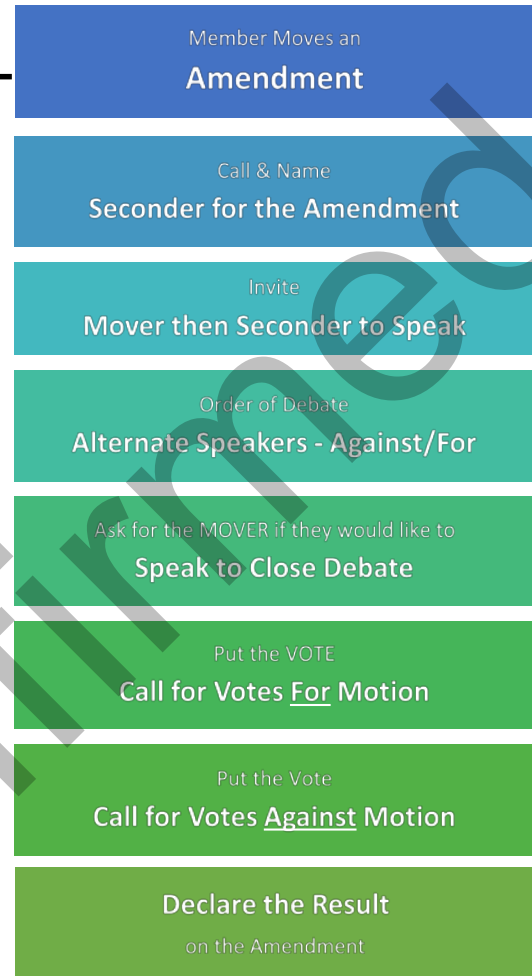

Reports and recommendations of each Committee meeting shall be presented to the next ordinary meeting of the Council and must be moved by the Presiding Member, or in his/her absence the Deputy Presiding Member, or in both their absences, any other member of the Committee.

- Shire of Gnowangerup – Draft CEO Performance Criteria 2024
- Shire of Gnowangerup – CEO Performance Criteria for the period April 2023 to March 2024

PURPOSE OF THE REPORT

Schedule 2 of the Local Government (Administration) Regulations 1996 Clause 16, requires the local government and the CEO to agree on:

- (a) the process by which the CEO's performance will be reviewed, and
- (b) any performance criteria to be met by the CEO that are in addition to the contractual performance criteria.

In addition, Section 3 of the CEO's Employment Contract requires performance criteria to be determined within three months of the CEO's commencement date, and subclause 4 requires the performance criteria to be reviewed annually and amended from time to time by agreement between the Shire and the CEO.

Given the October 2023 Council elections, review of the CEO's performance was brought forward to 11 October 2023 so that it could be considered by the existing Council. It was noted at the time that the performance criteria for the new year would be considered after the Council elections. As the 11th October meeting occurred before the end of the performance period (March 2023 to April 2024), the full year results are now attached.

This purpose of this report is to note the full year results for the period March 2023 to April 2024, and for Council to consider the CEO's Performance Criteria for the period April 2024 to March 2025.

BACKGROUND

Section 5.39B of the Local Government Act 1995, requires local governments to adopt the model standards for CEO recruitment, review of performance and termination of employment.

The Shire of Gnowangerup have adopted these standards which are published on the Shire's web page: *Standards for CEO Recruitment, Performance and Termination*. Division 3 of these standards document the process for the review of the performance of the CEO noting:

- (1) The local government and the CEO must agree on –
 - a. The process by which the CEO's performance will be reviewed (currently through CEO Review Committee Terms of Reference – Appendix 1); and
 - b. Any performance criteria to be met by the CEO that are in addition to the contractual performance criteria.

COMMENTS

Performance Criteria

Attached to this report are the draft Performance Criteria for the period March 2024 to May 2025 prepared by the CEO for consultation and agreement with Council. These criteria are additional to the Functions of the CEO as documented in Section 5.41 of the Local Government Act 1995.

The CEO's functions are to –

- (a) advise the council in relation to the functions of a local government under this Act and other written laws; and*
- (b) ensure that advice and information is available to the council so that informed decisions can be made; and*
- (c) cause council decisions to be implemented; and*
- (d) manage the day-to-day operations of the local government; and*
- (e) liaise with the mayor or president on the local government's affairs and the performance of the local government's functions; and*
- (f) speak on behalf of the local government if the mayor or president agrees; and*
- (g) be responsible for the employment, management supervision, direction and dismissal of other employees (subject to section 5.37(2) in relation to senior employees); and*
- (h) ensure that records and documents of the local government are properly kept for the purposes of this Act and any other written law; and*
- (i) perform any other function specified or delegated by the local government or imposed under this Act or any other written law as a function to be performed by the CEO.*

The draft Performance Criteria adopts the same themes as the Shire's Community Strategic Plan of:

Our Community
Our Economy
Our Infrastructure
Our Natural Environment
Our Organisation

Under each theme, Actions, Due Date and the Manager Responsible are documented. Noting the Manager Responsible is important as this will ensure managers have line of sight and the same focus as the CEO, which ultimately is Council's focus.

Reviewer

The CEO's Employment Contract states that the Reviewer could be the Council, a committee with the delegated power to undertake the performance review, or a person or body authorised by Council to conduct the performance review. The Employment Contract also states that Council is to select the Reviewer in consultation with the CEO, though Council can unilaterally make this decision.

Council has a CEO Review Committee which has the following duties and responsibilities:

1. Make recommendations to Council on CEO performance reviews and assessments;
2. Review and recommend annual goals and targets for the CEO against key performance indicators to Council for consideration;
3. Make recommendation to Council on CEO remuneration reviews and assessments;
4. Make recommendations to Council on CEO appointments;
5. Make recommendations to Council on CEO contract reviews and/or renewals.

Membership of the CEO Review Committee consists of all elected members of Council.

It is suggested that the Reviewer be the CEO Review Committee.

CONSULTATION

This matter is a requirement of the CEO's employment contract and was discussed at the Councillor Workshop 13 March 2024.

LEGAL AND STATUTORY REQUIREMENTS

In accordance with Schedule 2 of the Local Government (Administration) Regulations 1996 Clause 16, the local government and the CEO must agree on:

- (c) the process by which the CEO's performance will be reviewed, and
- (d) any performance criteria to be met by the CEO that are in addition to the contractual performance criteria.

STRATEGIC RISK MANAGEMENT CONSIDERATIONS:

Primary Strategic Risk Category	Leadership
Description	Risk of ineffective strategic leadership of Council. This includes the relationship between Council and the CEO.
Residual Risk: (Low, Moderate, High, Extreme)	High

Consequence: (Insignificant, Minor, Moderate, Major, Catastrophic)	Catastrophic
Likelihood: (Almost Certain, Likely, Possible, Unlikely, Rare)	Possible

IMPACT ON CAPACITY

Establishing tangible and realistic goals and priorities in the form of Performance Criteria are important as they ensure clarity for Council and the CEO, and when cascaded to staff will help align the organisation. This will ensure the whole organisation is working towards the same goals and this will optimise the use of resources.

ALTERNATE OPTIONS AND THEIR IMPLICATIONS

Nil

CONCLUSION

The draft Performance Criteria have been developed to support the community priorities identified in the Shire's Strategic Community Plan as well the priorities identified by the Shire's Executive Leadership Team.

It is proposed that the CEO Review Committee take the role of CEO performance Reviewer.

NOTES TO THE STATEMENT OF FINANCIAL ACTIVITY FOR THE PERIOD ENDED 31 MARCH 2024

1 BASIS OF PREPARATION AND SIGNIFICANT ACCOUNTING POLICIES

BASIS OF PREPARATION

This prescribed financial report has been prepared in accordance with the *Local Government Act 1995* and accompanying regulations.

Local Government Act 1995 requirements

Section 6.4(2) of the *Local Government Act 1995* read with the *Local Government (Financial Management) Regulations 1996*, prescribe that the financial report be prepared in accordance with the *Local Government Act 1995* and, to the extent that they are not inconsistent with the Act, the Australian Accounting Standards. The Australian Accounting Standards (as they apply to local governments and not-for-profit entities) and Interpretations of the Australian Accounting Standards Board were applied where no inconsistencies exist.

The *Local Government (Financial Management) Regulations 1996* specify that vested land is a right-of-use asset to be measured at cost, and is considered a zero cost concessionary lease. All right-of-use assets under zero cost concessionary leases are measured at zero cost rather than at fair value, except for vested improvements on concessionary land leases such as roads, buildings or other infrastructure which continue to be reported at fair value, as opposed to the vested land which is measured at zero cost. The measurement of vested improvements at fair value is a departure from AASB 16 which would have required the Shire to measure any vested improvements at zero cost.

Local Government (Financial Management) Regulations 1996, regulation 34 prescribes contents of the financial report. Supporting information does not form part of the financial report.

Accounting policies which have been adopted in the preparation of this financial report have been consistently applied unless stated otherwise. Except for cash flow and rate setting information, the financial report has been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and liabilities.

THE LOCAL GOVERNMENT REPORTING ENTITY

All funds through which the Shire controls resources to carry on its functions have been included in the financial statements forming part of this financial report.

All monies held in the Trust Fund are excluded from the financial statements.

Judgements and estimates

The preparation of a financial report in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expenses.

The estimates and associated assumptions are based on historical experience and various other factors believed to be reasonable under the circumstances; the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The balances, transactions and disclosures impacted by accounting estimates are as follows:

- estimated fair value of certain financial assets
- impairment of financial assets
- estimation of fair values of land and buildings, infrastructure and investment property
- estimation uncertainties made in relation to lease accounting
- estimated useful life of intangible assets

SIGNIFICANT ACCOUNTING POLICIES

Significant accounting policies utilised in the preparation of these statements are as described within the 2023-24 Annual Budget. Please refer to the adopted budget document for details of these policies.

KEY INFORMATION

Cash and cash equivalents include cash on hand, cash at bank, deposits available on demand with banks and other short term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value. Bank overdrafts are reported as short term borrowings in current liabilities in the statement of net current assets.

The local government classifies financial assets at amortised cost if both of the following criteria are met:

- the asset is held within a business model whose objective is to collect the contractual cashflows, and
- the contractual terms give rise to cash flows that are solely payments of principal and interest.

Financial assets at amortised cost held with registered financial institutions are listed in this note other financial assets at amortised cost are provided in Note 4 - Other assets.

SIGNIFICANT ACCOUNTING POLICIES

Each class of fixed assets within either plant and equipment or infrastructure, is carried at cost or fair value as indicated less, where applicable, any accumulated depreciation and impairment losses.

Assets for which the fair value as at the date of acquisition is under \$5,000 are not recognised as an asset in accordance with *Financial Management Regulation 17A (5)*. These assets are expensed immediately.

Where multiple individual low value assets are purchased together as part of a larger asset or collectively forming a larger asset exceeding the threshold, the individual assets are recognised as one asset and capitalised.

Initial recognition and measurement for assets held at cost

Plant and equipment including furniture and equipment is recognised at cost on acquisition in accordance with *Financial Management Regulation 17A*. Where acquired at no cost the asset is initially recognise at fair value. Assets held at cost are depreciated and assessed for impairment annually.

Initial recognition and measurement between mandatory revaluation dates for assets held at fair value

In relation to this initial measurement, cost is determined as the fair value of the assets given as consideration plus costs incidental to the acquisition. For assets acquired at zero cost or otherwise significantly less than fair value, cost is determined as fair value at the date of acquisition. The cost of non-current assets constructed by the Shire includes the cost of all materials used in construction, direct labour on the project and an appropriate proportion of variable and fixed overheads.

KEY INFORMATION

Trade and other receivables include amounts due from ratepayers for unpaid rates and service charges and other amounts due from third parties for goods sold and services performed in the ordinary course of business.

Trade receivables are recognised at original invoice amount less any allowances for uncollectable amounts (i.e. impairment). The carrying amount of net trade receivables is equivalent to fair value as it is due for settlement within 30 days.

Classification and subsequent measurement

Receivables which are generally due for settlement within 30 days except rates receivables which are expected to be collected within 12 months are classified as current assets. All other receivables such as, deferred pensioner rates receivable after the end of the reporting period are classified as non-current assets.

Trade and other receivables are held with the objective to collect the contractual cashflows and therefore the Shire measures them subsequently at amortised cost using the effective interest rate method.

KEY INFORMATION

Inventory

Inventories are measured at the lower of cost and net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

Amounts shown above include GST (where applicable)

KEY INFORMATION

Trade and other payables represent liabilities for goods and services provided to the Shire prior to the end of the period that are unpaid and arise when the Shire becomes obliged to make future payments in respect of the purchase of these goods and services. The amounts are unsecured, are recognised as a current liability and are normally paid within 30 days of recognition. The carrying amounts of trade and other payables are considered to be the same as their fair values, due to their short-term nature.

KEY INFORMATION

Prepaid rates are, until the taxable event for the rates has occurred, refundable at the request of the ratepayer. Rates received in advance give rise to a financial liability. On 1 July 2020 the prepaid rates were recognised as a financial asset and a related amount was recognised as a financial liability and no income was recognised. When the taxable event occurs the financial liability is extinguished and income recognised for the prepaid rates that have not been refunded.

Non-current borrowings		423,640					423,639			
		519,589					452,179			

All debenture repayments were financed by general purpose revenue.

Self supporting loans are financed by repayments from third parties.

KEY INFORMATION

Borrowing costs are recognised as an expense when incurred except where they are directly attributable to the acquisition, construction or production of a qualifying asset. Where this is the case, they are capitalised as part of the cost of the particular asset until such time as the asset is substantially ready for its intended use or sale.

Fair values of borrowings are not materially different to their carrying amounts, since the interest payable on those borrowings is either close to current market rates or the borrowings are of a short term nature. Non-current borrowings fair values are based on discounted cash flows using a current borrowing rate.

KEY INFORMATION

At inception of a contract, the Shire assesses if the contract contains or is a lease. A contract is or contains a lease, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. At the commencement date, a right of use asset is recognised at cost and lease liability at the present value of the lease payments that are not paid at that date. The lease payments are discounted using that date. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Shire uses its incremental borrowing rate.

All contracts classified as short-term leases (i.e. a lease with a remaining term of 12 months or less) and leases of low value assets are recognised as an operating expense on a straight-line basis over the term of the lease.

KEY INFORMATION

Provisions

Provisions are recognised when the Shire has a present legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions are measured using the best estimate of the amounts required to settle the obligation at the end of the reporting period.

Employee Related Provisions

Short-term employee benefits

Provision is made for the Shire's obligations for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The Shire's obligations for short-term employee benefits such as wages, salaries and sick leave are recognised as a part of current trade and other payables in the calculation of net current assets.

Other long-term employee benefits

The Shire's obligations for employees' annual leave and long service leave entitlements are recognised as employee related provisions in the statement of financial position.

Long-term employee benefits are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee departures and are discounted at rates determined by reference to market yields at the end of the reporting period on government bonds that have maturity dates that approximate the terms of the obligations. Any remeasurements for changes in assumptions of obligations for other long-term employee benefits are recognised in profit or loss in the periods in which the changes occur. The Shire's obligations for long-term employee benefits are presented as non-current provisions in its statement of financial position, except where the Shire does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period, in which case the obligations are presented as current provisions.

Contract liabilities

An entity's obligation to transfer goods or services to a customer for which the entity has received consideration (or the amount is due) from the customer.

Capital grant/contribution liabilities

Grants to acquire or construct recognisable non-financial assets to identified specifications be constructed to be controlled by the Shire are recognised as a liability until such time as the Shire satisfies its obligations under the agreement.
