Shire of Gnowangerup

NOTICE OF AN ORDINARY MEETING OF COUNCIL

Dear Council Member

The next Ordinary Meeting of the Shire of Gnowangerup will be held on Wednesday 22nd June 2022, at the Council Chambers 28 Yougenup Road Gnowangerup, commencing at 3:30pm.

Signed: _____

Bob Jarvis
CHIEF EXECUTIVE OFFICER

Meaning of and CAUTION concerning Council's "In Principle" support:

When Council uses this expression it means that:

*(a) Council is generally in favour of the proposal BUT is not yet willing to give its consent; and
(b) Importantly, Council reserves the right to (and may well) either decide against the proposal or to formally support it but with restrictive conditions or modifications.*

Therefore, whilst you can take some comfort from Council's "support" you are clearly at risk if you act upon it before Council makes its actual (and binding) decision and communicates that to you in writing.

DISCLAIMER

No responsibility whatsoever is implied or accepted by the Shire of Gnowangerup for any act, omission or statement or intimation occurring during Council or committee meetings.

The Shire of Gnowangerup disclaims any liability for any loss whatsoever and howsoever caused arising out of reliance by any person or legal entity on any such act, omission or statement or intimation occurring during Council or committee meetings.

Any person or legal entity who acts or fails to act in reliance upon any statement, act or omission made in a Council or committee meeting does so at that person's or legal entity's own risk.

In particular and without detracting in any way from the broad disclaimer above, in any discussion regarding any planning application or application for a licence, any statement or intimation of approval made by any member or officer of the Shire of Gnowangerup during the course of any meeting is not intended to be and is not taken as notice of approval from the Shire of Gnowangerup.

The Shire of Gnowangerup advises that anyone who has any application lodged with the Shire of Gnowangerup shall obtain and should only rely on **written confirmation** of the outcome of the application, and any conditions attaching to the decision made by the Shire of Gnowangerup in respect of the application.

These minutes are not a verbatim record but include the contents pursuant to Regulation 11 of Local Government (Administration) Regulations 1996.

Signed: _____

A handwritten signature in black ink, appearing to be "Bob Jarvis", is written over a horizontal line.

Notes:

1. Insert your name (print).
2. Insert the date of the Council Meeting at which the item is to be considered.
3. Insert the Agenda Item Number and Title.
4. Tick box to indicate type of interest.
5. Describe the nature of your interest.
6. Describe the extent of your interest (if seeking to participate in the matter under S. 5.68 & 5.69 of the Act)..

DECLARATION OF INTERESTS (NOTES FOR YOUR GUIDANCE)

A Member, who has a Financial Interest in any matter to be discussed at a Council or Committee Meeting that will be attended by the Member, must disclose the nature of the interest:

- a) In a written notice given to the Chief Executive Officer before the Meeting or;
- b) At the Meeting, immediately before the matter is discussed.

A member, who makes a disclosure in respect to an interest, must not:

- a) Preside at the part of the Meeting, relating to the matter or;
- b) Participate in, or be present during any discussion or decision-making procedure relative to the matter, unless to the extent that the disclosing member is allowed to do so under Section 5.68 or Section 5.69 of the Local Government Act 1995.

NOTES ON FINANCIAL INTEREST (NOTES FOR YOUR GUIDANCE)

The following notes are a basic guide for Councillors when they are considering whether they have a **Financial Interest** in a matter. These notes will be included in each agenda for the time being so that Councillors may refresh their memory.

1. A Financial Interest requiring disclosure occurs when a Council decision might advantageously or detrimentally affect the Councillor or a person closely associated with the Councillor and is capable of being measured in money terms. There are exceptions in the Local Government Act 1995 but they should not be relied on without advice, unless the situation is very clear.
2. If a Councillor is a member of an Association (which is a Body Corporate) with not less than 10 members i.e. sporting, social, religious etc.), and the Councillor is not a holder of office of profit or a guarantor, and has not leased land to or from the club, i.e., if the Councillor is an ordinary member of the Association, the Councillor has a common and not a financial interest in any matter to that Association.
3. If an interest is shared in common with a significant number of electors or ratepayers, then the obligation to disclose that interest does not arise. Each case needs to be considered.
- 4. If in doubt declare.**
5. As stated in (b) above, if written notice disclosing the interest has not been given to the Chief Executive Officer before the meeting, then it **MUST** be given when the matter arises in the Agenda, and immediately before the matter is discussed.
6. Ordinarily the disclosing Councillor must leave the meeting room before discussion commences. The only exceptions are:
 - 6.1 Where the Councillor discloses the extent of the interest, and Council carries a motion under s.5.68(1)(b)(ii) or the Local Government Act; or
 - 6.2 Where the Minister allows the Councillor to participate under s.5.69(3) of the Local Government Act, with or without conditions.

INTERESTS AFFECTING IMPARTIALITY

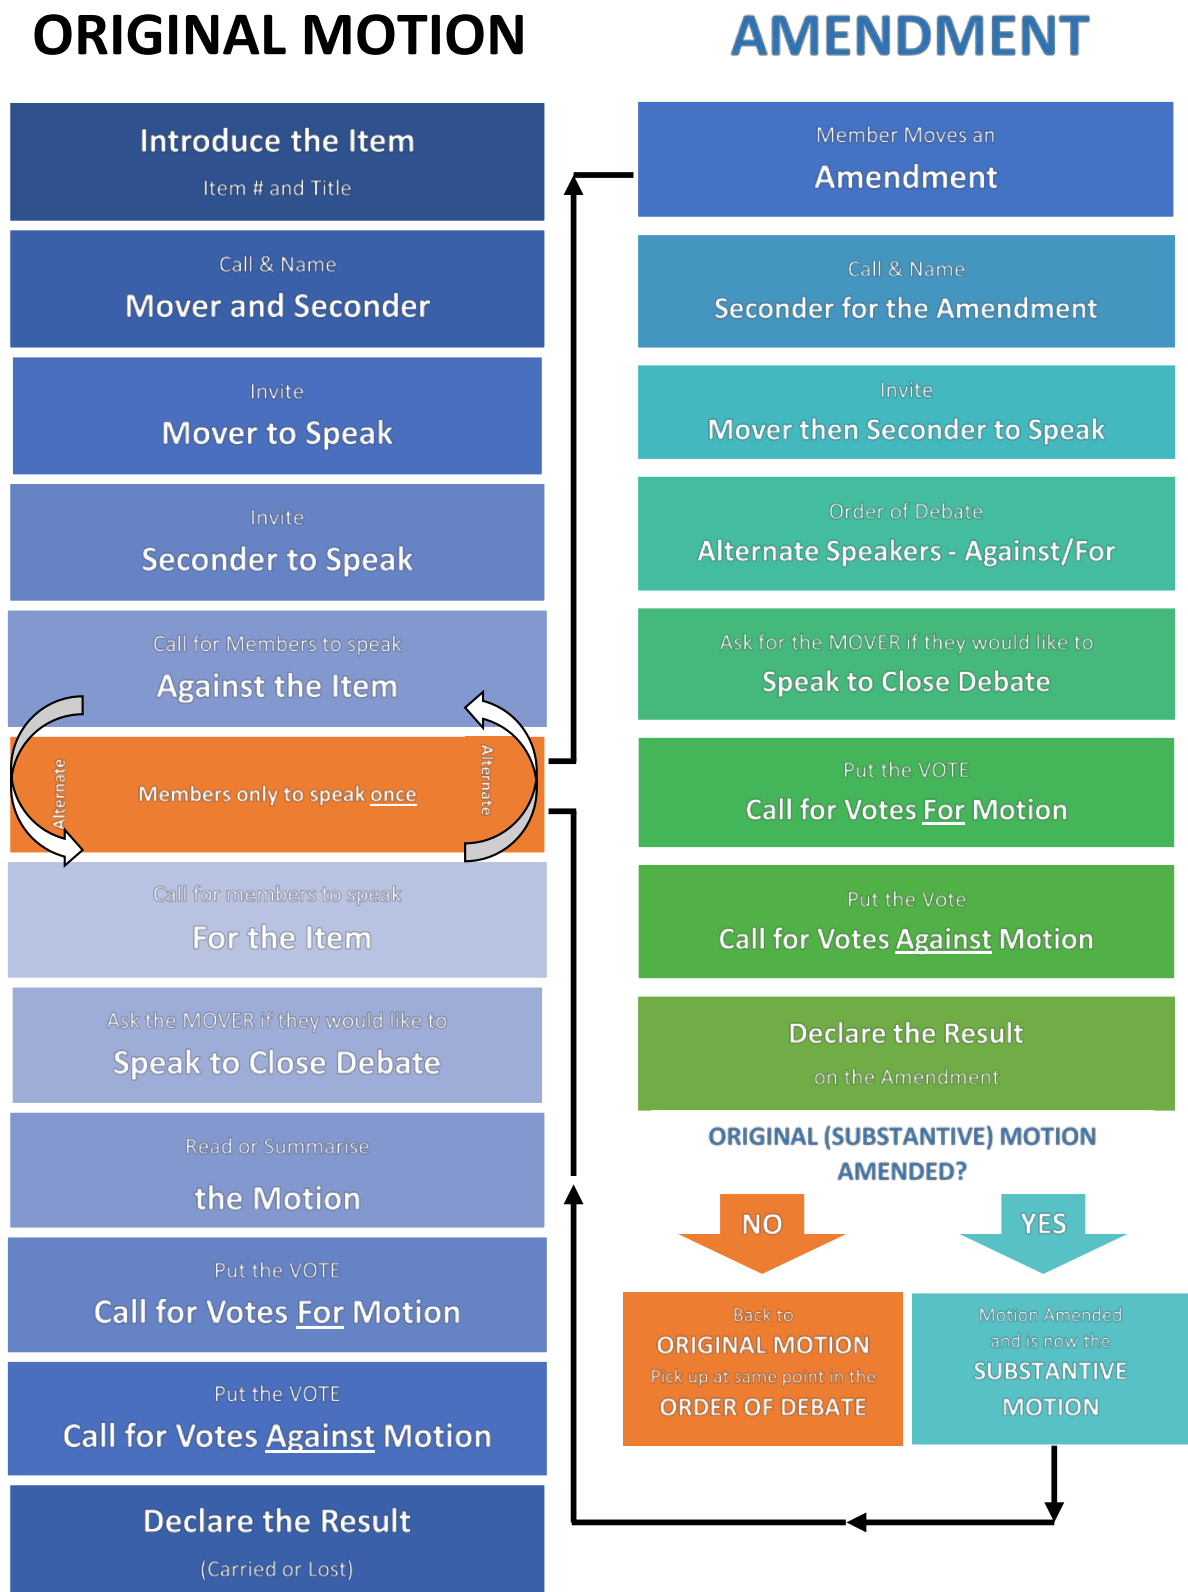

DEFINITION: An interest that would give rise to a reasonable belief that the impartiality of the person having the interest would be adversely affected, but does not include an interest as referred to in Section 5.60 of the 'Act'. A member who has an Interest Affecting Impartiality in any matter to be discussed at a Council or Committee Meeting, which will be attended by the member, must disclose the nature of the interest;

- (a) in a written notice given to the Chief Executive Officer before the Meeting; or
- (b) at the Meeting, immediately before the matter is discussed.

IMPACT OF AN IMPARTIALITY DISCLOSURE

There are very different outcomes resulting from disclosing an interest affecting impartiality compared to that of a financial interest. With the declaration of a financial interest, an elected member leaves the room and does not vote. With the declaration of this new type of interest, the elected member stays in the room, participates in the debate and votes. In effect then, following disclosure of an interest affecting impartiality, the member's involvement in the Meeting continues as if no interest existed.

Process of Motions

Slight clarification of wording of motion: A minor amendment of the motion can be done at any time through the President with the approval of the Mover and the Secnder. The Minor amendment must be minuted.

- Shire of Gnowangerup Workforce Plan 2022-2027.

PURPOSE OF THE REPORT

For Council to consider the adoption of the Shire of Gnowangerup Workforce Plan 2022-2027.

BACKGROUND

Council is required to adopt a Workforce Plan under Section 5.56 of the LG Act 1995 and Section 19DA (3) c of the Local Government (Administration) Regulations 1996.

In May 2018 a Workforce Plan was presented to Council at the Information Briefing Session, however the plan was not formally adopted by Council. The non-compliance was subsequently reported in the 2019 Compliance Audit Return. As a result of the non-compliance in regard to the Workforce Plan, Shire staff completed a desktop (minor) review of the Workforce Plan during 2020.

COMMENTS

The minor, one-year review in 2020 aligned the Workforce Plan to the Corporate Business Plan (which covered four (4) years from 2017/18 to 2020/21). The minor review retained the original staff survey results, with an update on current staffing statistics and focusing on the 2020/21 workforce requirements, to align staffing resourcing with key strategic goals in year four (2020/21) of the then current CBP.

The revised Workforce Plan 2020 was adopted by Council in April 2020.

At the same time, staff undertook to develop a new Workforce Plan in 2021-22 in conjunction with the new Corporate Business Plan for the four (4) year period 2021/22 to 2024/25. Consulting Great Southern was engaged to assist in the preparation, and to carry out the necessary consultation with staff

Please note the graphic on page 13 Our Workforce Profile (*Workforce by Age*) is being amended.

CONSULTATION

The first draft was presented to Councillors at a Councillors and Executive Workshop on the 13th April 2022 where Councillors requested that it be amended to reduce the review of the document to once a year, and it was also noted that the Organisational Chart needed to be amended to reflect recent changes to staff. These changes were made, and the second draft was sent to the Councillors and Executive Workshop on the 8th June 2022. A minor error by Consulting Great Southern was noticed which was a graphic which did not represent the statistics within the text. This is being fixed by Consulting Great Southern at its cost.

LEGAL AND STATUTORY REQUIREMENTS

LG Act 1995 s5.56 and Local Government (Administration) Regulations 1996:

19DA. Corporate business plans, requirements for (Act s. 5.56)

- (1) A local government is to ensure that a corporate business plan is made for its district in accordance with this regulation in respect of each financial year after the financial year ending 30 June 2013.
- (2) A corporate business plan for a district is to cover the period specified in the plan, which is to be at least 4 financial years.
- (3) A corporate business plan for a district is to —
 - (a) set out, consistently with any relevant priorities set out in the strategic community plan for the district, a local government’s priorities for dealing with the objectives and aspirations of the community in the district; and
 - (b) govern a local government’s internal business planning by expressing a local government’s priorities by reference to operations that are within the capacity of the local government’s resources; and
 - (c) develop and integrate matters relating to resources, including asset management, workforce planning and long-term financial planning.

1.0 Executive Summary

Letter from the CEO

I am pleased to present the Shires newly adopted Workforce Plan. This plan sets out the workforce requirements to achieve our Strategic and Operational Objectives.

The plan highlights that we have a very capable team who continuously deliver quality services to our community.

In addition, this plan provides us with key actions that will support the delivery of improved practices that will support a sustainable, skilled and efficient workforce.

The demands and expectations imposed on the organisation by our community, the Council, other tiers of government and business are fluid and it is important that the organisational structure can cater for these.

Our workforce plan considers the community aspirations, priorities and objectives identified in the Strategic Community Plan. It is an essential component of the Corporate Business Plan and Long-Term Financial Plan so that we can identify workforce requirements for current and future operations.

Our workforce plan identifies and reports on the internal capacity to meet current and future needs in line with the goals and objectives of the Shire and the community it serves, both in capacity and capability.

This plan addresses gaps between current and future workforce capability, identifies areas of skill or capacity shortage, and outlines strategies to address them.

Planning human resource requirements is a significant challenge and not only considers the human resource factors but ties this into overall strategic plans, environmental issues and legislative and governance obligations.

We look forward to implementing this plan to ensure that our workforce capabilities continue to remain innovative and sustainable, whilst providing the best level of service possible.

Bob Jarvis

2.0 Introduction

Integrated Planning Framework

Workforce planning is a process of analysis to ensure the Shire has the right people – in the right place, at the right time – to achieve the objectives set out in the Shire’s Strategic Community Plan.

Workforce planning assists management to anticipate change, identify the important issues driving workforce activity and implement the strategies to support positive workforce development and strategic outcomes.

Key principles of workforce planning

- Building workforce strategies aligned to and supporting the Shire’s strategic direction and values;
- Ensuring the workforce planning process is joined to the Shire’s Integrated Planning Process;
- Actively involve managers, employees and other stakeholders in developing, communicating and implementing the workforce strategies;
- Utilising a risk management approach to workforce planning and identifying ‘Mission Critical’ areas of operations;
- Establishing effective implementation processes to ensure the successful execution of core strategies; and
- Continually monitoring and evaluating the progress towards implementing the workforce strategies and measuring its contribution towards meeting the Shire’s strategic goals.

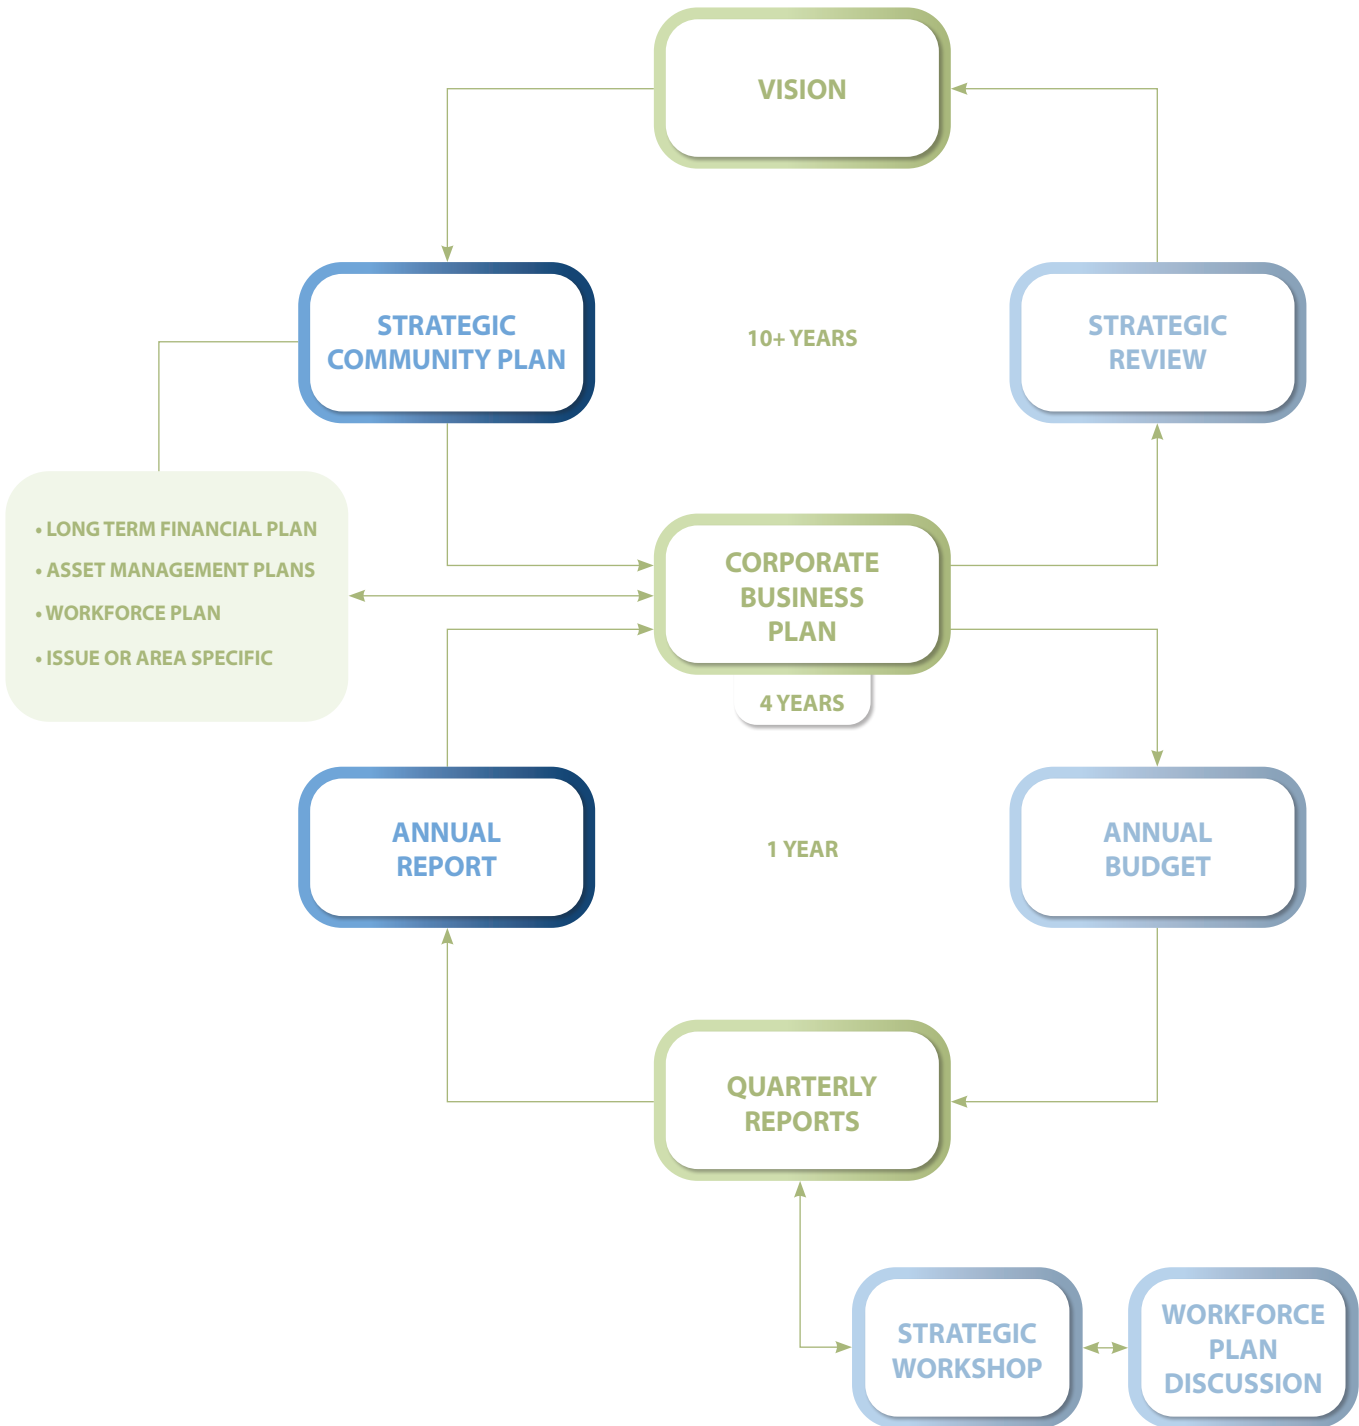

Integration with the Integrated Planning and Reporting Framework

Workforce planning responds to the requirements of the State Integrated Planning and Reporting Framework, a planning obligation for all local governments in Western Australia. The four elements of the framework are:

- Strategic Community Planning;
- Corporate Business Planning;
- Budgeting; and
- Reporting.

The Shire has developed a Strategic Community Plan and Corporate Business Plan that are both informed and supported by a Strategic Resource Plan (incorporating long-term financial and asset management planning) along with this Workforce Plan.

Strategic Planning Framework and Workforce Planning

3.0 Our Gnowangerup

Our Community

The Shire of Gnowangerup is in the Great Southern region of Western Australia, covering an area of 4,268 square kilometres; including the towns of Borden, Ongerup, and Gnowangerup. The Shire is approximately 354 kilometres south-east from Perth and 140 kilometres north from Albany. Gnowangerup is a prosperous grain and sheep producing area.

Our community population totals 1215 with our median age currently at 40.

Our Community Strengths:

- The high number of people engaged in their community and their capacity for leadership;
- Excellent mobile phone coverage;
- Technology readiness is high;
- Accessible distance to port;
- Income generated is higher than the Great Southern business average of \$33,373 – higher relative wealth generation capacity;
- Economic fundamentals per head of population are very good (except for new building construction), placing the Shire in the top decile;
- Workforce occupations are assessed as high skill showing residents are highly able; and
- Local manufacturing capacity.

Our Community Challenges are:

- Level of economic development support available, access to supporting institutions, technical skill base (education);
- Extremely poor internet quality;
- Lack of focus on lifelong learning, access to health and education may limit the ability of population to adapt to new technology, new roles and work functions; and may create an environment where adoption of new technologies, business models and ideas is lagged to the general population;
- Highly dependent (non-diversified) economy vulnerable to shocks to the major industry; and
- Population is small and dispersed.

3.0 Our Gnowangerup (cont.)

Our External Environment

There are a range of external trends and challenges that influence and determine the key strategies developed in this Workforce Plan. These key trends include:

Socio Demographic Trends

- A multi-generational workforce, each with their own needs, aspirations and expectations;
- High percentage of persons aged 50-69 years within the Shire; and
- Greater work/life balance expectations.

COVID -19

- Constantly evolving health space, causing unpredictable long-term outcomes;
- Workforce interruptions expected should multiple staff become ill;
- Industries already impacted due to professional and labour shortages;
- Contributing to the rental crisis as landlords either sell, increase rent and/or become owner occupiers; and
- Limited health services are available to the community in the event a COVID-19 outbreak results in multiple (community) hospitalisations.

Competition

- Continued talent and skill shortage; and
- Demand for mining, energy and construction workforce competing for talent.

Economic

- Cost of living and inflationary pressures within WA;
- Limited housing stock; and
- Global and national economic uncertainty resulting in a reducing availability of external grants and contributions.

Political

- The implementation of initiatives in relation to the delivery of grant funding due to COVID-19 and Federal and State Economic stimulus may require additional workforce or contractors to implement within restricted timeframes; and
- Increasing expectation in relation to corporate governance standards and transparency of decision making, bringing with it a range of workforce considerations.

Technology

- The pace of change and emerging technology trends present local governments with both challenges and opportunities in managing information, delivering services, improving processes and decision making;
- Technology provides a range of tools to assist workforce management including communicating with employees, e-learning, employee monitoring and connecting employees across locations; and
- Trends such as social media, cloud-based applications and robotic automation will be of particular importance and application in the future.

Industry

- There is an increasing lack of sustainability in financing renewal of assets, with ageing community infrastructure playing a major role. There is a heavy reliance on state or federal funding; and
- Significant cost shifting from other levels of government to the local level without the associated resources.

Our Internal Operational Environment

The Shire provides several services to the community as listed below:

- Co-ordination of Shire activities and functions;
- Co-ordination of management functions;
- Liaison with Government and Ministerial offices;
- Corporate | strategic planning;
- Business | economic development;
- Statutory compliance;
- Executive support to Council;
- Special projects;
- Financial administration;
- Human resources | occupational health | safety;
- Information | communication;
- Community development;
- Library | information services;
- Procurement;
- Asset management;
- Sport | recreation;
- Caravan park;
- Support for volunteers;
- Information | tourism services;
- Event support
- Roads | streets;
- Shire buildings maintenance | heritage assets;
- Parks | gardens | reserves;
- Cleaning;
- Ranger services;
- Emergency services;
- Cemetery;
- Health administration | inspection services;
- Building | planning services;
- Private works.

Our Internal Trends and Workforce Risks

The following trends and challenges facing the Shire are a condensed summary from the analysis of our External Environment and the Internal Environment, taking into consideration consultation conducted in preparation of this Workforce Plan.

Some of these issues may be beyond the Shire's control, however their impact can be predicted and minimised, whereas internal considerations can be controlled with effective planning and management.

Ageing Workforce

The Shire's workforce median age is 48.5 years. In addition, 24% of the Shire's workforce have reached (or are 1-2 years from) meeting Australia's aged pension requirements. As a small local government with already identified workforce recruitment barriers including housing, this poses significant workforce risk.

The resulting workforce retirement will contribute to decreasing internal experience, technical knowledge and expertise.

These employees will move increasingly toward flexible work arrangements (part-time employment) and phased retirement. An older workforce may lead to more health and wellbeing issues and increased use of sick leave.

Gnowangerup's vulnerability in this area is specifically in the Works department where approximately 50% of the employees are over the age of 60 years

Our Internal Trends and Workforce Risks cont.

Housing

The availability of housing stock is limited with current staff having to commute from outside of the Shire to attend work. This poses a fatigue management risk as the distances travelled are greater than 50 kilometres one way.

In addition, with no access to Shire owned housing stock, the ability to attract individuals to the area to fill current and future vacancies is limited. This again poses significant risk the Shire of Gnowangerup.

Recruitment and Retention

The Shire is located in largely what is now considered to be a “mining and resources” state. Therefore local government is continuing to face greater difficulties in sourcing and securing the long-term service of quality candidates with engineering and technical skills in particular.

Growth in the resource and energy sectors is creating competition for skills as workers change careers, attracted by higher wages and compressed work cycles (12-hour shifts etc.). In addition, the construction industry, in large thanks to State Government funding incentives, has seen the ongoing employment of over 123,000 Western Australians, slightly higher than that of the mining industry.

COVID 19 has also contributed to Western Australians choosing lifestyle and workplace flexibility as their top priorities when choosing a place of employment.

The impact of this is the possible increased difficulty in filling essential roles, therefore competitive recruitment and retention strategies will be increasingly required. As a result, recruitment costs and salary expectations will increase.

The following are professional areas of known and forecast skill shortages expected to impact on typical Local Government services:

- Engineering and civil construction;
- Planning and building;
- Environmental health; and
- Finance.

The impact on Council will include having less qualified staff filling essential roles, which will affect the risk profile (alternatively, higher costs relating to efforts to attract and retain skilled staff).

Human Resources Management and Systems

To assist managing the above risks, Human Resource management policies, procedures and systems need to be reviewed and modernised.

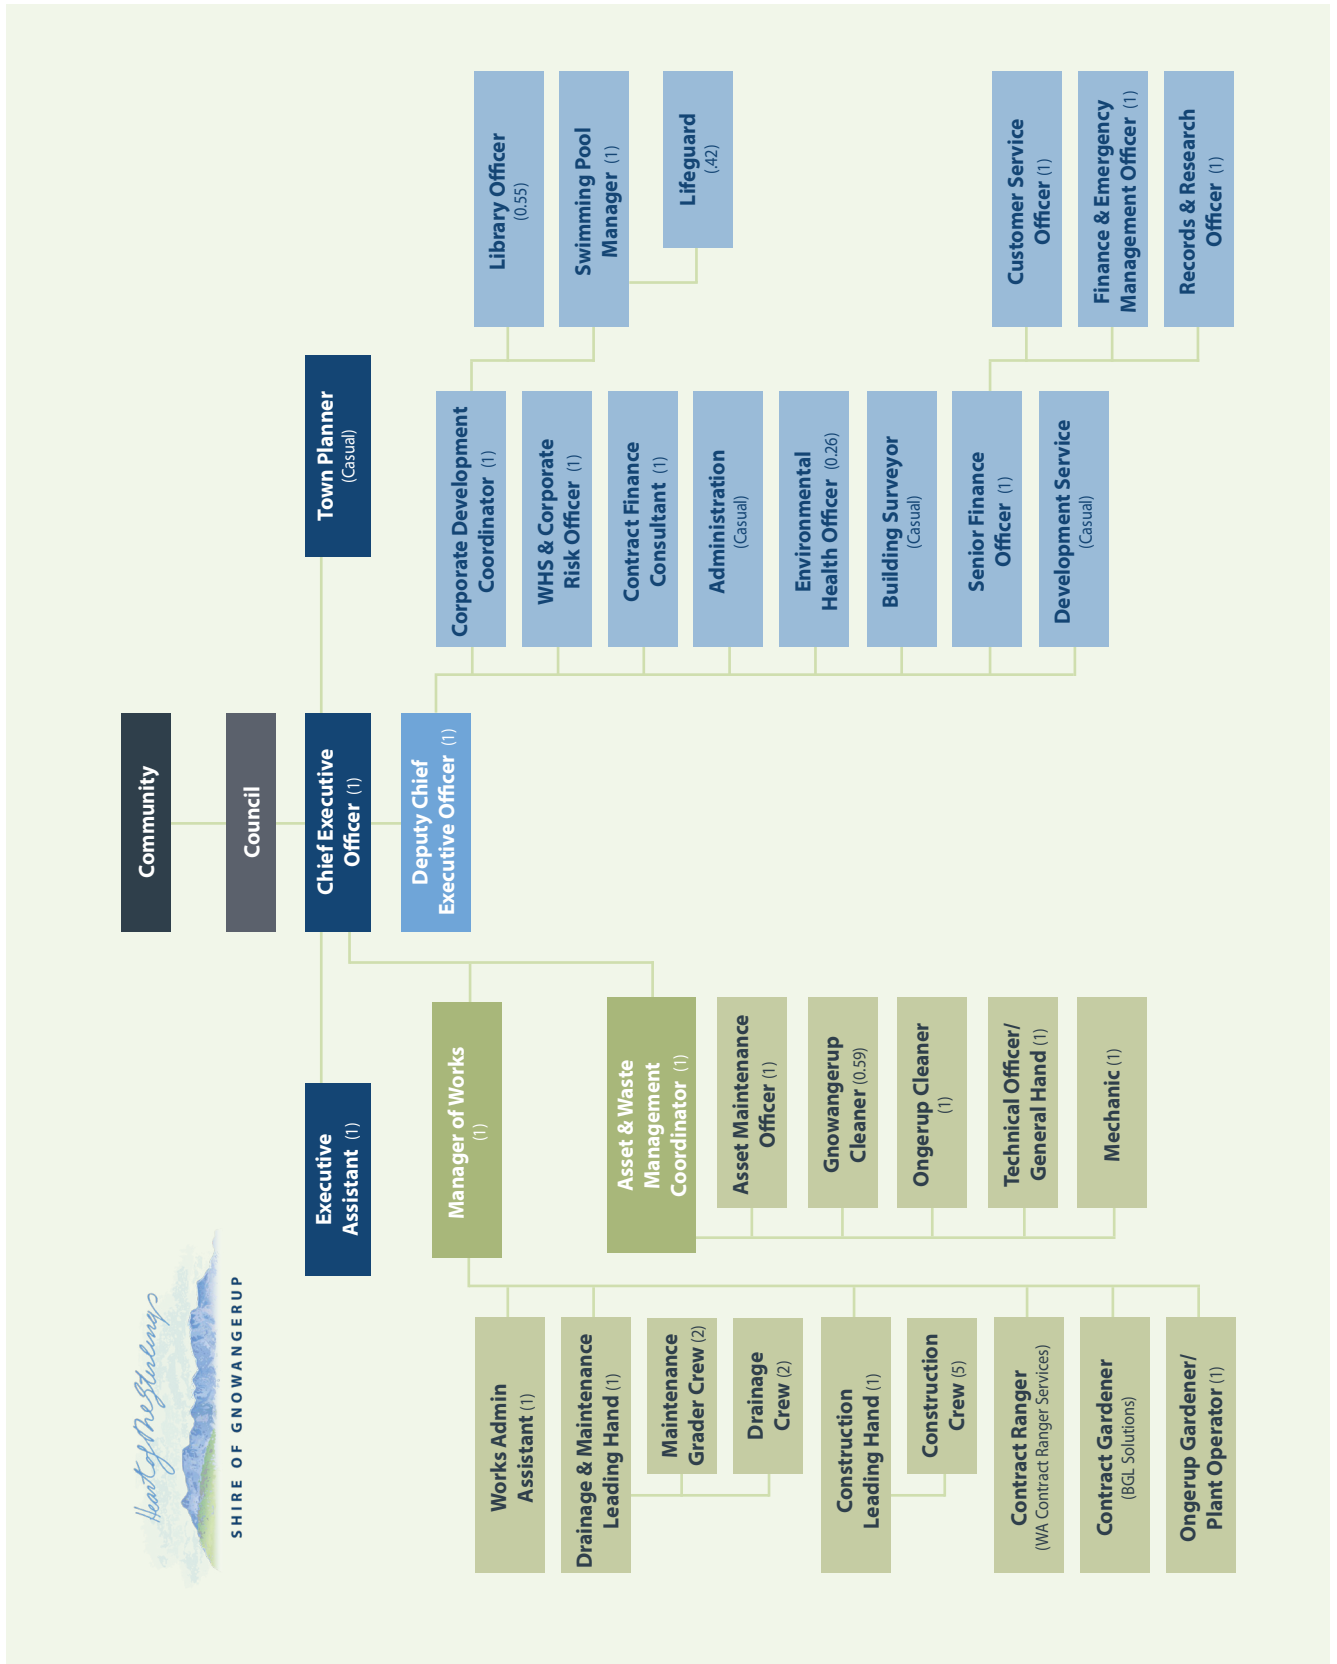

More data will need to be stored and retained electronically.

Areas that this will affect are:

- Recruitment tracking;
- Implementation of effective succession planning;
- Personnel files;
- Training records;
- Work Health and Safety Management;
- Position description maintenance;
- Performance review management; and
- Exit interview data.

Western Australian Employment Environment December 2021

Services industries accounted for 73% of Western Australia's average employment over the 4 quarters to the December quarter 2021, including:

- Healthcare and social assistance (13.7%);
- Retail trade (9.1%); and
- Education and training (8.3%).

Goods-producing industries accounted for 27% of Western Australia's average employment over the 4 quarters to the December quarter 2021, including:

- Construction (8.7%);
- Mining (8.6%); and
- Manufacturing (6.1%).

Healthcare and social assistance (up 22,030 or 12.8%) had the largest rise in Western Australia's employment between the December quarters of 2020 and 2021, followed by manufacturing (up 11,998 or 16.1%).

Agriculture, forestry and fishing (down 5,771 or 15.9%) had the largest fall in Western Australia's employment between the December quarters of 2020 and 2021, followed by public administration and safety (down 4,197 or 4.4%) (Government of Western Australia, 2021).

The employment data provides further evidence to support the requirement for a comprehensive recruitment process to support the workforce needs of the Shire.

Western Australia Local Government Environment

The proposed reforms have been developed based on findings identified as part of the Local Government Act review and recommendations of various reports, including the Local Government Review Panel Final Report. (Department LGSC, 2021)

Major changes to the Local Government Act and Regulations will provide for a stronger, more consistent framework for local government across Western Australia. The reform proposals have been designed to deliver significant benefits for residents and ratepayers, small business, industry, elected members and professionals working in the sector. (Department LGSC, 2021)

The proposed reforms are based on six themes:

- Earlier intervention, effective regulation and stronger penalties;
- Reducing 'red tape', increasing consistency and simplicity;
- Greater transparency and accountability;
- Stronger local democracy and community engagement;
- Clear roles and responsibilities; and
- Improved financial management and reporting. (Department LGSC, 2021)

Considering the consultation period nearing closure, it is recommended that the Shire ensures that Workforce considerations are taken into account, so that potential reforms are both prepared and accommodated for.

4.0 Our Strategies

Strategic Community Plan

Through the development of the Strategic Community Plan, the following Community Priorities were identified:

- Access to health services;
- Access to services and facilities for Noongar People;
- Access to services and facilities for people with disabilities;
- Bush fire prevention and control;
- Conservation and environmental management;
- Development of the town centres;
- Economic development;
- Events, arts and cultural activities;
- Facilities, services and care available for seniors;
- Promotion of our community;
- Safety and security;
- Services and facilities for youth;
- Sport and recreation activities; and
- Tourism development.

In support of the Community Priorities, five Strategic Areas were developed. They are:

- Our Community;
- Our Economy
- Our Natural Environment;
- Our Infrastructure; and
- Our Organisation.

These five strategic areas will require a variety of workforce resources over time.

- We will consult our community on any issue that affects them;
- We will make things as simple as possible;
- We will treat people with respect; and
- We will seek and embrace new ideas and smarter ways of doing things.

Corporate Business Requirements

In addition to increasing efficiency and effectiveness in service delivery, key drivers for the 2021-2025 Corporate Plan are the review and development in the following areas:

- Asset Management;
- Waste and Conservation Management;
- Community/ Economic Development, Culture and Youth Services;
- Human Resources Management; and
- Governance Management.

Asset Management Requirements

In reference to the Corporate Business plan item 3.2.2 Develop and implement a comprehensive Asset Management framework to ensure a strategic approach to infrastructure planning, maintenance, and enhancement. The identification of workforce requirements in delivering this framework will need to be reported, adopted and implemented.

6.0 Reporting

In developing this Workforce Plan, the Shire was very mindful of the need to:

- Continually review and refine this plan going forward so this is not a static document;
- Keep this plan as practical as possible as the Shire only has limited financial and human resources; and
- Keep monitoring and reporting on the key outcomes that will make a difference.

The key monitoring and reporting strategies that will support this plan include the following;

1. Regular discussions to review and up-date the operational plan to align it with workforce capacity annually at the strategic workshop conducted with senior staff prior to providing an up-date to the Council meeting;
2. Monitor and discuss key workforce risks and plan mitigating strategies;
3. Develop a training needs assessment and up-date every year as part of the performance review to monitor key workforce data and the skills and experience of new and existing staff; and
4. Develop and Implement applicable Human Resource functions in line with the plan.

- Reviewed Delegations Register

PURPOSE OF THE REPORT

Council's annual review of its Delegations of Powers as required by Section 5.18 of the Local Government Act 1995.

BACKGROUND

Sections 5.18 and 5.46 of the Local Government Act 1995 require the Shire to maintain a register of delegations made under that Act, which includes delegations from:

- Council to Committees and the CEO; and
- CEO to employees.

The delegations are to be reviewed at least once every financial year. The Shire's Compliance Calendar was amended in 2020 to include that the Delegations will be annually reviewed by staff, to ensure that this process is completed as required.

The document before Council is typical of the delegations to staff in local government so that the Council is not dealing with a multitude of reports on matters which can be best dealt with in a swift and responsible use of delegation. Council can choose to withdraw a delegation which would require any exercise of that power to come to Council for a decision, and Council can place conditions on the exercise of a delegation to ensure that they are in the manner in which Council would want.

COMMENTS

Senior staff have reviewed the 2021 adopted version and made minor changes, including deletions and additions, correction of errors and to address any changes in circumstances or legislation, as well as clarify some ambiguities. It is believed that the amended document reflects the current needs of the Administration to provide an effective service to the residents of the Shire.

CONSULTATION

The matters highlighted in this report were discussed at the Councillors and Executives Workshop on the 8th June 2022

LEGAL AND STATUTORY REQUIREMENTS

Local Government Act 1995 Sections 5.18 and 5.46, Sections 5.16 and 5.17 Delegations to Committees, 5.41, 5.42, 5.43 Delegations to the CEO, 5.44, 5.45, 5.46 Sub delegations to employees and Register of exercise of delegations.

POLICY IMPLICATIONS

Nil

FINANCIAL IMPLICATIONS

Nil

STRATEGIC IMPLICATIONS

Appropriately structured delegation of authority will provide administrative and customer service efficiencies and will contribute to control of risks.

STRATEGIC RISK MANAGEMENT CONSIDERATIONS:

Recommended conditions and limitations on delegated authorities contribute to minimising risk and ensure that decisions are appropriately directed to Council, where delegated authority is limited.

IMPACT ON CAPACITY

The proper and considered delegation of powers enables the smooth delivery of service to the community.

ALTERNATE OPTIONS AND THEIR IMPLICATIONS

Council may wish to amend or revoke any of its delegations but would also need to be mindful of the impacts of those changes on its ability to exercise those powers through Council decision making.

CONCLUSION

This review is a legislated requirement of the local government's powers through delegation, with minor amendments to the 2020 adopted version, as discussed at the Councillors and Executives Workshop on the 12th May 2021.

 - 5.43 Limitations on delegations to the CEO

Power Enabling Sub-Delegation:

- Local Government Act 1995, s.5.44 CEO may delegate some powers and duties to other employees

Power Delegated:

- Local Government Act 1995, s.3.57 Tenders for providing goods or services
- Local Government (Functions and General) Regulations 1996, Regulations:
 - 11 When tenders have to be publicly invited
 - 13 Requirements when local government invites tenders though not required to do so
 - 14 Publicly inviting tenders, requirements for
 - 18 Rejecting and accepting tenders
 - 20 Variation of requirements before entry into contract
 - 21A Varying a contract for the supply of goods or services
 - 21 Limiting who can tender, procedure for
 - 23 Rejecting and accepting expressions of interest to be acceptable tenderer

Description of Functions Delegated

1. Call For and Determine Expressions of Interest:

Council delegates its authority and power to the Chief Executive Officer to:

- 1.1 Determine when to seek and to invite expressions of interest with respect to the supply of the goods or services before entering the tender process, on the basis that a preliminary selection from amongst prospective tenderers due to:

- (i) the nature of the goods or services; or
- (ii) the cost of preparing plans, specifications or other information for the purpose of adequately describing the goods or services required,

would be advantageous to the local government if tenders were invited only from persons it considers to be capable of satisfactorily supplying the goods or services [F&G r.21(1) & (2)].

- 1.2 Determine, in writing, the criteria for the preliminary selection of prospective tenderers [F&G r.21(4)].

Subject to:

Compliance with Regulation 21(1) of the Local Government (Functions and General) Regulations 1996;

- (i) The goods or services being listed in the Shire's Adopted Annual Budget;
- (ii) The criteria, once determined, are to be incorporated in the expression of interest documentation.

- 1.3 Consider any submissions of expression of interest that have not been rejected and decide which, if any, are capable of satisfactorily supplying the goods or services [F&G r.23].

All delegations must be exercised in accordance with any relevant policies and procedures.

Subject to:

- (a) Compliance with Regulation 23(3) of the Local Government (Functions and General) Regulations 1996; and
- (b) Compliance with Regulations 14(2), 15(2), 17(2)(c) and 18(3) of the Local Government (Functions and General) Regulations 1996.

2. Call For and Determine Tenders:

Council delegates its authority and power to the Chief Executive Officer to:

- 2.1 Call tenders for goods or services with others in respect to supply of goods or services exceeding \$250,000 [F&G r.11(1)] up to max \$600,000.
- 2.2 Determine to call tenders for the provision of goods or services although not required to do so, and to determine to accept the most advantageous tender or reject a tender or to decline to accept any tender, where the value does not exceed \$250,000 [F&G r.13 and r.18(2), (4) and (5)].
- 2.3 Determine in writing the criteria for deciding which tender should be accepted with this criteria being included in the invitation to tender or submit expression of interest [F&G r.14(2a)].
- 2.4 Vary tender information, after public notice of invitation to tender and before the close of tenders [F&G r.14(5)].
- 2.5 Seek clarification from tenderers in relation to information contained in their tender submission [F&G r.18(4a)].
- 2.6 Determine, that because of the unique nature of the goods or services required or for any other reason, it is unlikely that there is more than one potential supplier and not publicly invite tenders before the Shire enters into a contract for the supply of goods or services even though the consideration under the contract is, or is expected to be, worth more than \$250,000 [F&G r.11(f)].
- 2.7 After a successful tenderer has been selected, determine only as necessary, minor variation to the goods or services required before the contract has been entered into, limited to an order of magnitude of +/- 10% [F&G r.20(1)].

Subject to:

- (a) the tenderer agreeing to the minor variations; and
 - (b) the variation is minor having regard to the total goods or services that tenderers were invited to supply (deliverables and price).
- 2.8 After a contract has been entered into, determine contract variations only where necessary in order for the goods or services to be supplied and the variation does not change the scope of the contract [F&G r.21A(a)].
 - 2.9 Select the next most advantageous tender if the successful tenderer does not want to accept the contract with the variation, or the local government and the tenderer cannot reach agreement [F&G r.20(2)].
 - 2.10 Exercise a contract renewal or extension only where the term of the original contract contained a provision for the renewal or extension and the renewal or extension clause was noted by Council at the time of resolving to accept the tender [F&G r.21A(b)].

All delegations must be exercised in accordance with any relevant policies and procedures.

Description of Functions Delegated

Council delegates its authority and power to:

- 1.0 Initiate the advertising notice process under c 9.4 of the Scheme for 'A' advertised planning applications prior to determination by the Council. The CEO may, without referral to Council, approve the application including the placement of conditions on the approval following the closure of the advertising period subject to no proper objection(s) being received. Any decision to refuse an application shall be referred to Council.
- 2.0 Initiate the advertising notice process under c.9.4 of the Scheme for a 'Use Not Listed' under c.4.4.2 prior to determination by the Council. The CEO may without referral to Council, approve the application including the placements of conditions on the approval following the closure of the advertising period subject to no proper objection(s) being received. Any decision to refuse an application shall be referred to Council.
- 3.0 Approve all 'P' permitted planning applications including the placement of conditions on the approval where the use and development complies with the standards prescribed by the Scheme and any relevant Local Planning Policies.
- 4.0 Approve all 'D' discretionary planning applications including the placement of conditions on the approval, subject to-
 - (a) The use and development complying with objectives for the zone;
 - (b) The use and development complying with the standards prescribed by the Scheme; and
 - (c) Complying with any relevant Local Planning Policies.

In exercising this power, the CEO may require an application to be advertised under c.9.4 if considered necessary prior to determining the application. Any decision to refuse an application shall be referred to Council.
- 5.0 Approve planning applications in a Local Scheme Reserve where the proposed use is consistent with the ultimate purpose intended for the reserve under the Scheme.
- 6.0 Approve and accept tree planting and landscaping plans required for subdivisional approval or to satisfy a condition of planning approval where the plans involve the use of local native plant and tree species or other appropriate species.
- 7.0 Provide responses to mobile phone carriers in accordance with the Telecommunications Act in respect the installation of low impact facilities.
- 8.0 Approve requests for boundary setback variations required by the Residential Design Codes, the Scheme and relevant Local Planning Policies (where there is power to vary the standard)

All delegations must be exercised in accordance with any relevant policies and procedures.

and where the variation will not adversely impact on the amenity of adjoining residence and adjoining owners support has been received, if deemed necessary.

9.0 Approve applications for advertisements that comply with the requirements of the Scheme and any relevant Local Planning Policies.

10.0 Subdivision / Amalgamation Application

10.1 Recommend support to the Western Australian Planning Commission where the proposal complies with Local Planning Scheme No. 2 and any relevant Local Planning Policy. This delegation allows the CEO to ensure appropriate relevant conditions are requested to be placed on any approval granted for the application by the Western Australian Planning Commission

10.2 Endorse clearance of Freehold title and Strata title subdivisions on Deposited Plans or Plans of Strata/Survey Strata and Strata documents when compliant with all conditions imposed by Council have been satisfactorily met.

11.0 Scheme Amendments and Structure Plans

11.1 Require proponents to provide relevant supporting studies and modify Local Planning Scheme Amendments and Structure Plans and/or documents prior to them being considered by the Council.

11.2 Make inconsequential text and grammatical modifications to Local Planning Scheme Amendments and Structure Plans and/or documents at any stage of the process.

11.3 Accept and make modifications to Local Planning Scheme Amendments and Structure Plans and/or document as required by the Minister for Planning unless they are in direct conflict with Council's intentions following the consideration of submissions. In this event the CEO shall refer the Minister's decision to Council for consideration. This delegation does allow the CEO to accept the Minister's decision not to require modifications which were requested by the Council following consideration of submissions.

12.0 Appeals

Provide responses to the State Administrative Tribunal in respect to application for a review lodged by a proponent against a refusal of planning approval, unacceptable conditions imposed on an approval of planning approval or supporting statements for the Western Australian Planning Commission in respect to a subdivision application decision made by the Commission. The delegation includes advising the Tribunal if mediation is an option to consider for the appeal process.

13.0 Legal Proceeding

Authorised to appoint persons/companies to serve directions notices, initiate prosecutions and legal proceedings for breaches of the Scheme in accordance with the Planning and Development Act 2005 for and on behalf of the Shire of Gnowangerup.

14.0 Agreements

14.1 Undertake the preparation and endorsement in conjunction with the Shire President of agreements made under section c11.1.2 Powers of the Local Government' of the Scheme.

14.2 Appoint officers as authorised to undertake those compliance activities defined in c11.1.2 'Powers of the Local Government 'of the Scheme.

14.3 Accept performance bonds and/or cash-in-lieu payments for works required to be undertaken as a condition of subdivision or planning approval. The monies shall be held in trust and returned to the payee when the condition imposed has been satisfactorily completed.

15.0 Retrospective Development Applications for existing Feedlots or Piggeries

Approve applications for retrospective development approval under the planning scheme and Health Local Law for existing feedlots or piggeries. This includes the placement of conditions and advice notes on the approval and waiving of penalty fees, subject to:

- (a) The use and development complying with the requirements of Local Planning Scheme No. 2; and
- (b) The proposal complying with the standards prescribed in the Health Local Law 2016.

Any application that does not comply with (a) and (b) above or any application that warrants a refusal shall be referred to Council.

16.0 Local Development Plans

Approves development applications including the placement of conditions on the approval where the use and development complies with the standards prescribed by an adopted Local Development Plan.

Conditions on Delegations

The CEO can only exercise any of the above delegations after considering a report from the Shire's Planning Officer and/or the Environmental Health Officer and/or Building Surveyor, their recommendations, any precedents or policies set by Council, and where the CEO does not agree with the recommendation from the above Officers, either seek further clarification before making a decision or refer the matter to Council.

3.2 Planning and Development Act 2005

3.2.1 Western Australian Planning Commission – Section 25 of Strata Titles Act 1985

Published in the *Government Gazette* No.98 dated 9 June 2009 (pages 1936-1937)

PI409*

PLANNING AND DEVELOPMENT ACT 2005
INSTRUMENT OF DELEGATION
DEL 2009/03 POWERS OF LOCAL GOVERNMENTS
Delegation to local governments of certain powers and functions of the
Western Australian Planning Commission relating to the issuing of certificates of
approval under section 25 of the Strata Titles Act 1985

Preamble

Under section 16 of the Planning and Development Act 2005 (the Act) the Western Australian Planning Commission (the WAPC) may, by resolution published in the Government Gazette, delegate any function under the Act or any other written law to a local government, a committee established under the Local Government Act 1995 or an employee of a local government.

In accordance with section 16(4) of the Act, a reference in this instrument to a function or a power of the WAPC includes and extends to, without limitation or restriction, any of the powers, privileges, authorities, discretions, duties and responsibilities vested in or imposed on the WAPC by the Act or any other written law as the case requires.

Resolution under section 16 of the Act (delegation)

On 26 May 2009, pursuant to section 16 of the Act, the WAPC RESOLVED—

- A TO DELEGATE to local governments, and to members and officers of those local governments, its powers and functions under section 25 of the Strata Titles Act 1985 as set out in clause 1 of Schedule, within their respective districts, subject to the conditions set out in clause 2 of Schedule 1.

TONY EVANS, Western Australian Planning Commission

SCHEDULE 1

1. Applications made under section 25 of the Strata Titles Act 1985

Power to determine applications for the issuing of a certificate of approval under section 25 of the Strata Titles Act 1985 for a plan of subdivision, re-subdivision or consolidation, except those applications that—

- (a) propose the creation of a vacant lot;
- (b) propose vacant air stratas in multi-tiered strata scheme developments;
- (c) in the opinion of the WAPC as notified to the relevant local government in writing, or in the opinion of the relevant local government as notified to the WAPC in writing, relate to—
 - (i) a type of development; and/or
 - (ii) land within an area,

which is of state or regional significance, or in respect of which the WAPC has determined is otherwise in the public interest for the WAPC to determine the application.

2. Reporting requirements

A local government that exercises the power referred to in clause 1 is to provide WAPC with data on all applications determined under this Instrument of Delegation at the conclusion of each financial year in the format prescribed by the WAPC.

All delegations must be exercised in accordance with any relevant policies and procedures.

ATTACHMENT/S - CONFIDENTIAL

- Tender RFT2022-3 Gardening Services Contract (Confidential Attachment)

PURPOSE OF THE REPORT

For Council to consider the tender received for Tender RFT2022-3 Gardening Services Contract which closed 4.00pm, Monday 6 June 2022.

BACKGROUND

Tender RFT2022-3 Gardening Services Contract went out to state-wide Tender in the West Australian on 14 May 2022 and was also advertised on the Shire's website, Facebook page, local public notice boards, in the Borden, Gnowangerup and Ongerup newsletters as well as the Ongerup Library and Gnowangerup Library.

COMMENTS

The Shire of Gnowangerup currently outsources its gardening services rather than provide the services with Shire staff. The two main reasons for doing so are: attraction and retention of suitably skilled and qualified staff and the cost of purchasing and maintenance of specialised equipment that would be required.

It is noted that although the Tender is required to be advertised state-wide for legislative purposes, the significant local advertising coverage for this Tender shows that the engagement of service providers within the Shire of Gnowangerup is greatly encouraged.

The current contract with our Gardening Service Provider expires on 30 June 2022 so a decision is required to ensure continuity of service and standards.
At the time of closing, only one tender had been received.

LEGAL AND STATUTORY REQUIREMENTS

11. When tenders have to be publicly invited

- (1) *Tenders are to be publicly invited according to the requirements of this Division before a local government enters into a contract for another person to supply goods or services if the consideration under the contract is, or is expected to be, more, or worth more, than \$250 000 unless subregulation (2) states otherwise.*

** Absolute majority required.*

POLICY IMPLICATIONS

There are no foreseen policy implications with this report.

FINANCIAL IMPLICATIONS

If the Council adopt the Officer’s Recommendation, an annual allocation to cover the cost of the service will need to be included in the annual budget for the three-year period of the contract.

- Site Plan
- New Outbuilding Plans

PURPOSE OF THE REPORT

For Council to determine a development application which involves construction of a new 112m² outbuilding and small addition to an existing outbuilding that will exceed the some of the R-Codes and Shire's Local Planning Policy cumulative floor/site area, wall height and ridge height requirements.

There is no delegation available for staff to determine the application and it must be considered by Council.

BACKGROUND

Nil.

COMMENTS

Proposal

The proposed new 14m long by 8m wide outbuilding will be constructed of steel frames with a concrete floor and have a wall height of 3.6m and ridge height of 4.6m. The outbuilding will be clad with 'classic cream' coloured colorbond metal sheeting to match the existing outbuilding and dwelling walls. The outbuilding will have 2 roller access doors. The new outbuilding will be located behind the existing dwelling and setback 1.5m from the rear boundary to the laneway and 1m from northern side boundary shown on the attached Site Plan.

The proposed 2m long by 3m wide addition to the existing outbuilding will be constructed to match the existing 15m² outbuilding over an existing concrete slab. The additions will be located behind the existing outbuilding and setback 1m from the northern side boundary shown on the attached Site Plan.

The applicant intends to use the outbuildings for storage of vehicles, equipment and personal effects.

Subject Site

Lot 178 faces Whitehead Road and is 1,012m² in area and the land gently slopes towards Searle Street. The property has been developed with a single dwelling and a detached outbuilding (see image below).

15 Whitehead Road, Gnowangerup bordered in red (Image Landagte Map Viewer Plus)

Whitehead Road is sealed and partly kerbed and is a local road under the management of the Shire of Gnowangerup. No change to the present access arrangements are proposed in the application. The property also has access to a rear laneway.

The lot has access to water supply, reticulated sewer, electricity and telecommunications infrastructure.

Zoning and Land Use

The lot is zoned 'Residential' with a density code of R20 under the Shire's Local Planning Scheme No. 2 (LPS2). LPS2 (c.5.2) requires that residential development including outbuildings comply with the requirements of the Residential Design Codes (R-Codes) and the proposed new outbuilding does not comply with some elements of the R-Codes and the Shire's Local Planning Policy and requires Council to grant development approval to proceed.

The variations can be accommodated under the R-Codes and Council can approve, or not, the proposal.

The primary street for the property is Whitehead Road and the following standards apply from Table 1 of the R-Codes.

1 R-Code	2 Dwelling Type	3 Min site area per dwelling (m ²)	4 Min lot area/rear battleaxe (m ²)	5 Min frontage (m)	6 Open space		7 Minimum setbacks (m)		
					Min total (% of site)	Min outdoor living (m ²)	Primary street	Secondary street	Other / rear
R20	Single house	Min 350 Av 450	450	10	50	30	6	1.5	*

* see Tables 2a and 2b and clause 5.1.3

The R-Codes contain the following deemed-to-comply standards for large and multiple outbuildings.

5.4.3 Outbuildings	
Deemed-to-comply	
Development satisfies the following deemed-to-comply requirements (C)	
C3 Outbuildings associated with a dwelling site address either: i. the standards for small outbuildings (A. Small outbuilding); or ii. the standards for large and multiple outbuildings (B. Large and multiple outbuildings).	B. Large and multiple outbuildings (i) individually or collectively does not exceed 60m ² in area or 10% in aggregate of the site area, whichever is the lesser; (ii) set back in accordance with Table 2a; (iii) does not exceed a wall height of 2.4m; (iv) does not exceed a ridge height of 4.2m; (v) not located within the primary or secondary street setback area; and (vi) does not reduce the open space and outdoor living area requirements in Table 1

The outbuildings achieve the setback (ii), primary/secondary setback (v) and open space/outdoor living area (vi) requirements. The outbuildings do not achieve the deemed-to-comply requirements for floor/site area (i) and wall height (iii) and ridge height (iv).

Where a proposal does not meet the deemed-to-comply requirements of the R-Codes, it must be assessed by Council against the design principles requirements which are discussed below.

5.4.3 Outbuildings	
Design principles	
Development demonstrates compliance with the following design principles (P)	
P3 Outbuildings that do not detract from the streetscape or the visual amenity of residents or neighbouring properties.	Comment The majority of the developed streetscape along this section of Whitehead Road is dominated by dwellings fronted with extensive lawns and small garden areas facing the street. The setbacks and orientation of the dwellings varies with the majority built at the front of the lot with large rear yards. The age and style of the housing also varies along the

	<p>street with new larger dwellings mixed in with older and smaller dwellings. Those properties with outbuildings show them to be mainly built at the rear of the properties behind the dwelling.</p> <p>There are similar sized outbuildings in the town area. The outbuildings are along the rear and northern side boundary and behind the dwelling building line.</p> <p>The existing dwelling and boundary fencing provides screening from the street and laneway to the outbuildings. The new outbuilding is not expected to negatively impact on the streetscape and/or visual amenity of the area or the adjoining Lot 50.</p>
--	--

Matters to be Considered

The Scheme and *Planning and Development (Local Planning Schemes) Regulations 2015* requires the Council have due regard to the 30 matters mentioned in determining whether to approve/refuse the development application. In this instance, not all matters affect the proposal, and those relevant ones are discussed in the table below.

Matter to be Considered	Comment
(a) the aims and provisions of this Scheme and any other local planning scheme operating within the Scheme area;	<p>The relevant aim from LPS2 for Residential zoned areas is to safeguard and enhance the character and amenity of the built and natural environment of the Shire.</p> <p>There are similar approved oversized outbuildings in the Gnowangerup town area and the proposal is considered consistent with the aim for development in the Residential zone.</p>
(b) the requirements of orderly and proper planning including any proposed local planning scheme or amendment to this Scheme that has been advertised under the <i>Planning and Development (Local Planning Schemes) Regulations 2015</i> or any other proposed planning instrument that the local government is seriously considering adopting or approving;	<p>The proposal meets the requirements of orderly and proper planning.</p>
(e) any policy of the Commission;	<p>The outbuildings must comply with the R-Codes which is a WA Planning Commission State Planning Policy as discussed in this report.</p> <p>The outbuildings do not meet the deemed-to-comply requirements of the R-Codes and must be assessed against the design principles.</p>

Matter to be Considered	Comment
(g) any local planning policy for the Scheme area;	The proposal must comply with the Shire’s Local Planning Policy. The outbuildings do not comply with some aspects of the Shire’s Local Planning Policy as discussed in this report.
m) the compatibility of the development with its setting including the relationship of the development to development on adjoining land or on other land in the locality including, but not limited to, the likely effect of the height, bulk, scale, orientation and appearance of the development;	The proposed new outbuilding is similar in size and dimensions to other existing outbuildings developed in the residential areas in Gnowangerup. The outbuildings are considered compatible with adjoining residential development in Whitehead Road and is not expected to create any adverse effect on the built character in the area.
(n) the amenity of the locality including the following – (i) environmental impacts of the development; (ii) the character of the locality; (iii) social impacts of the development;	The outbuildings are not expected to create any adverse effect on the amenity in the area.
(o) the likely effect of the development on the natural environment or water resources and any means that are proposed to protect or to mitigate impacts on the natural environment or the water resource;	The outbuildings will not adversely impact on the natural environment or water resource as the land is already cleared and stormwater will be contained on-site for reuse.
(p) whether adequate provision has been made for the landscaping of the land to which the application relates and whether any trees or other vegetation on the land should be preserved;	No additional landscaping is considered necessary, and no clearing is required.
(s) the adequacy of - (i) the proposed means of access to and egress from the site; and (ii) arrangements for the loading, unloading, manoeuvring and parking of vehicles;	The proposal does not propose any changes to the existing access/egress points.
(w) the history of the site where the development is to be located;	The site has a history of residential use.

CONSULTATION WITH THE COMMUNITY AND GOVERNMENT AGENCIES

Landowners (S Wells & P Cleland)

Part 4 of the Residential Design Codes provides that consultation may not be required if there is considered to be no negative impact to adjoining neighbours. In this case, it is considered that the proposed outbuildings will not pose any negative impact to adjoining landowners. Therefore, neighbour consultation was determined to be not required in this instance.

LEGAL AND STATUTORY REQUIREMENTS

State Planning Policy 7.3 Residential Design Codes Volume 1

The application is required to be determined in accordance with the requirements of the R-Codes which is a State Planning Policy prepared under the *Planning and Development Act 2005* to guide residential development in WA.

Shire of Gnowangerup Local Planning Scheme No. 2

The application is required to be determined in accordance with the requirements of Local Planning Scheme No. 2 which is an operative local planning scheme under the *Planning and Development Act 2005*.

The Council is being requested to relax some requirements of the Scheme/R-Codes and its Local Planning Policy and approve the proposal.

POLICY IMPLICATIONS

The Local Government has an adopted Local Planning Policy No. 2 - Outbuildings that applies to the development of outbuildings within the Shire.

The objectives of this Policy are to:

- a) To provide clear guidelines for the development of outbuildings in the Residential, Town Centre, Rural Residential and General Agriculture zones; and
- b) To achieve a balance between providing for the various legitimate needs for outbuildings, and minimising any adverse impacts outbuildings have on neighbours, the streetscape, the amenity of the neighbourhood or locality and of the Shire as a whole.

The outbuildings do not comply with some of the requirements in the Policy Table 1 and requires Council approval to proceed.

The Policy requires any variations to the Policy to demonstrate exceptional circumstances as to why the Policy should be relaxed with the proposal being presented to an Ordinary Meeting of Council for determination. Assessment of the application will require consultation with adjoining and affected landowners. The Policy requires the Council have regard to the following matters in considering the variation requested.

ALTERNATE OPTIONS AND THEIR IMPLICATIONS

The Council has a number of options available, which are discussed below:

1 Not approve the proposal

The Council can refuse the application. If this option was chosen, the proposed outbuilding could not be constructed, and it would have to be modified to achieve the R-Codes/Policy requirements. The Council would have to provide reasons for the refusal.

2 *Approve the proposal*

The Council can choose to approve the proposal, in whole or part, and with or without conditions. If this option was chosen, the proposed fence could proceed to be constructed.

3 *Defer the proposal*

The Council can choose to defer the matter for a period of time and seek additional information from the proponents, if deemed necessary to complete the assessment, before proceeding to make a decision.

This is a discretionary decision and the applicant has a right to request a review of any decision and/or condition made by the Local Government to the State Administrative Tribunal if aggrieved by the decision and/or any condition.

CONCLUSION

The proposed outbuildings represent a minor variation to the Shire's Local Planning Policy and are considered to achieve the design principle requirements of the R-Codes and it is recommended the proposal be approved subject to conditions.

- Sporting Complex Operational Support Overview

PURPOSE OF THE REPORT

For Council to consider the 2022/23 budget allocation of the Sporting Complexes Operational Support funds.

BACKGROUND

Each year Council allocates funds to the Sporting complexes for operational support. The provision of Sporting Complexes Operational Support allows the Shire to fund the provision of community driven and operated services and activities across the Shire.

COMMENTS

As per the attachments, Council has been provided with Operational Assistance Scenarios.

Sporting Complexes Operational Support

Below is a summary of the recommendations for the 2022/23 Sporting Complex Operational Support allocations:

Full Organisation Name: Gnowangerup Sporting Complex Management Committee Inc
Percentage of operational costs: 80%
Amount: \$16,315.20

Full Organisation Name: Borden Pavilion Committee Inc
Percentage of operational costs: 80%
Amount: \$9,419.64

Full Organisation Name: Ongerup Sporting Complex Committee Inc
Percentage of operational costs: 80%
Amount: \$2,048.54

FINANCIAL IMPLICATIONS

Sufficient funds are allocated in Council's 2022/23 Draft Budget to cover the cost of the recommended operational support contributions.

STRATEGIC IMPLICATIONS

The three Sporting Complexes are a focal point for community activity and provide a range of benefits to the community. Support for the local sporting complexes aligns with the following components of the *Shire of Gnowangerup Strategic Community Plan 2021 – 2031*:

Strategic Community Plan

Theme: 1. Our Community

Community Priority: 1.4 Support local volunteer organisations through initiatives that reduce volunteer fatigue and strengthen their resilience.

IMPACT ON CAPACITY

The Sporting Complexes Operational Support program allows the Shire to fund the provision of community driven and operated services and activities across the Shire. This structure for service delivery encourages greater community ownership of facilities and increases community activity.

Without this multiplier effect the Shire would not have the resources to deliver such a wide range of services across all three communities.

RISK MANAGEMENT CONSIDERATIONS

Nil

ALTERNATE OPTIONS AND THEIR IMPLICATIONS

The 80% percentage calculation for all three facilities has been recommended in order to ensure equity across the Shire and a subsidy amount which is based on usage.

Council may wish to change the allocated amounts related to the Sporting Complexes and has been provided with a breakdown of costs in the attachments.

CONCLUSION

The Sporting Complex Operational Support allocations have been based on 80% support for each facility. This will ensure equity across the Shire and will encourage a philosophy of "*increased use and therefore increased support*" which will in turn deliver better value for money and improved community sport and recreation services for ratepayers.

COMMUNITY ENGAGEMENT GUIDELINES

Objective

Community engagement strives to achieve an effective two-way communication process between the Shire and our community. The outcome desired is effective public participation in the Shire's projects and programs and meeting the Shire's statutory obligations where consultation with the community is mandated.

The guidelines and toolkit outline a number of methods that the Shire can use to encourage community input into the Shire's future plans and proposals for new services and initiatives.

Guidelines

- 1) Whenever the Shire is proposing changes to levels of service, the introduction of new fees and charges, or any other changes which significantly change the way the Shire has interacted with its community, a high level of community engagement is required to explain and seek endorsement of these changes.
- 2) When the Shire is developing new projects and programs, a level of community engagement appropriate for the size and scale of the project or program will be undertaken to ensure that the community is well informed of what is proposed and given the opportunity for feedback

Key Principles of Consultation

- All relevant stakeholders will be identified
- An appropriate method of community engagement will be developed by staff (with Council input if required)
- The process will allow stakeholders adequate time to respond to issues
- The consultation process will occur as early as possible
- The number and types of communications methods will be determined by the complexity of the matter, the range and availability of stakeholders to be consulted, and the timeframe available to complete the process.

Types of Communication

- 1) Participation
- 2) Comment
- 3) Advice

1) Participation:

Appropriate for large projects affecting a wide range of stakeholders, involving significant investment of finance and other resources, or likely to have a major impact on the community during the timeframe of the project.

Participation is likely to be a process carried out before Council makes a decision to proceed.

Participation can take the form of:

- Surveys & Questionnaires – sent to relevant stakeholders, especially those most likely to be affected by the decision.
- Public displays and online presentations
- Advisory Committee/Working Group – a group of representative stakeholders assembled to provide public input
- Public Meeting – formal meeting with scheduled agenda

2) Comment:

Appropriate for lesser projects under consideration by Council.

Comment is relevant when Council has a preferred position or preferred plan, option or method, and seeks community input before making a final resolution.

Comment can take the form of;

- Submissions invited by way of public notices, social media notices etc.
- Surveys/Questionnaires advertised for the community to complete, again by way of notices and online and social media communication
- Face to face discussions with affected stakeholders or groups

3) Advising Stakeholders and the Community generally:

Appropriate for issues relating to compliance, statutory notices for planning and building service, administrative issues such as local laws, property, electoral enrolments, nomination of candidates for Council, footpath construction, advising the community of significant Council decisions.

Advice is relevant when Council has **made a decision** and wishes to communicate that decision to affected stakeholders and the community.

Advising stakeholders and the community generally can take the form of;

- Media – Shire President and/or CEO informing public through press releases and social media articles
- Local newspaper and newsletters – public notices
- Council publications – Facebook, Shire Newsletter, Shire web page and notices on notice boards
- Direct Mail, SMS releases

Other Public Consultation

Each financial year Council is required to hold an Annual Electors meeting within 56 days of accepting the Annual Report. The Annual Report itself is a significant communication asset outlining achievements during the year under review, highlighting the Shire's financial performance, its progress against its major planning documents, and information on a range of prescribed outcomes.

Council prepares a Community Strategic Plan which needs to be formally reviewed every four years. The required public consultation for this document represents one of the most important community engagement activities for a local government, because this plan forms the strategic direction which the local government will pursue on behalf of its community.

Accessing Council Information

Copies of draft documents, where comments have been invited, will be displayed at Council Administration, Library and on Council's website.

Copies of Agendas and Council Minutes can be obtained free of charge and will be displayed on Council's website.

Statutory Requirements

The Shire is required to comply with specific legislative requirements such as minimum periods, publication in the Government Gazette and public notices. Consultation processes identified in this policy should be seen as complementing any prescribed statutory requirements.

COMMUNITY ENGAGEMENT TOOLKIT

Introduction

This Community Engagement Toolkit has been developed as a resource to assist Council staff and consultants in the delivery of community engagement activities. These community engagement methods are described with information provided on situations under which they might be used, potential advantages and disadvantages, and tips on things to consider for their effective use.

This toolkit captures methods that are currently used or likely to be used by Council in community engagement activities with respect to the level of resourcing required. It is recognised that several other effective engagement methods are not covered in this toolkit. Most engagement methods in this toolkit are adaptable and could be effectively tailored to specific issues in the community. Although the engagement methods in this toolkit are categorised according to levels of engagement, some of the methods can be used for more than one level on the engagement spectrum.

1.PARTICIPATION

1.1 Committee

Description and Use	Think it Through	Best Practice Note
<p>A structured small group of community or stakeholder representatives that meet regularly and operate under a terms of reference. May also have members from Council (elected or employee). Can vary from members providing their own feedback or ideas to planning processes, to members acting as conduit between the broader community and Council.</p> <p>The committee offers expert and community advice on policies, plans, issues and initiatives. Committees are statutory requirements in some circumstances.</p> <p>The Local Government Act 1995 empowers Councils to establish special committees on such terms and for such purposes as it thinks fit.</p>	<p>It is a ready audience formed around common theme, suitable for long term engagement and addressing complex issues, highly political or high emotion issues.</p> <p>Can be effective for understanding the broader community better, improving quality of policy, strategy and plans, building community capacity for engagement and developing relationship. Committee members gain understanding of other perspectives, leading towards compromise.</p> <p>It is time and labour intensive and members may not achieve consensus.</p> <p>Valuable for checking views before going out to the wider audience.</p> <p>Balanced and full representation is difficult due to the small size of committees and the diversity of the community.</p>	<p>Define roles and responsibility up front.</p> <p>Be forthcoming with information.</p> <p>Use a consistently credible process.</p> <p>Interview potential committee members in person before selection.</p> <p>Council must accept need for give-and-take.</p> <p>Record of all meetings should be properly documented.</p> <p>Representativeness is vital.</p> <p>Consider the expertise that is required in the committee.</p>

1.2 Community Leaders

Description and Use	Think it Through	Best Practice Note
<p>Leaders of various communities or interest groups are briefed and they disseminate the information to their groups to elicit their views and opinions.</p>	<p>It is able to reach larger numbers of community members than would direct communication by Council.</p> <p>It is low cost, facilitates the development of relationships and may be effective for some hard to reach audiences. Depends on the availability of leaders, their skills and standing with their community.</p>	<p>Engage leaders who are affirmed by their community.</p> <p>Consider providing take away published materials, e.g. fact sheets.</p> <p>Be cautious when engaging with communities where factions exist.</p> <p>May be necessary to brief community leaders one-on-one.</p>

1.3 CEO Visits

Description and Use	Think it Through	Best Practice Note
<p>Open, invitation for community members to meet with the CEO in various locations. It is used to understand issues and identify opportunities and solutions.</p> <p>Currently the CEO visits the Yongergnow Malleefowl Centre once per week and the Borden Pavilion once per month.</p>	<p>It is effective in small groups (not more than 10) and helps build relationships.</p> <p>It is semi-formal and therefore not intimidating.</p> <p>The conversation can be dominated by an individual or persons.</p>	<p>Invite interested community members and groups.</p> <p>Use a familiar venue where conversation can be had while sharing a meal or drink.</p> <p>Keep it short (not more than 2 hours).</p>

1.4 Public Meeting

Description and Use	Think it Through	Best Practice Note
<p>A formal meeting where Council can share information or make a presentation to the general public and respond to questions asked by members of the public. It is usually a large group and is open to all interested members of the community to attend and ask questions.</p> <p>It has legislative requirements in some circumstances. See Part 6 of the Local Government Act 1995.</p>	<p>It is transparent and enables addressing immediately and directly any misconception and concerns.</p> <p>It may be helpful in understanding community reactions, implications of propositions and building relationships.</p> <p>The depth of the discussion is sometimes limited.</p> <p>Those attending may not be representative, meeting can be hijacked or dominated by individuals or groups and can quickly escalate out of control because emotions are high.</p> <p>Some people find public meetings intimidating.</p> <p>It can result in low turnout and can lead to bad public image if things go wrong.</p> <p>Suitable for engaging within a tight timeframe.</p>	<p>Ensure compliance with legislation where required.</p> <p>It is better to have a single issue up for consideration.</p> <p>Advertise widely, including details of date, time, venue and subject of discussion.</p> <p>Give enough notice for people to prepare ahead, e.g. organise child care.</p> <p>Use accessible venue that will be big enough for the meeting.</p> <p>Consider day and time of the meeting, including public parking space, closeness to public transport, traffic hour, etc.</p> <p>Arrange for knowledgeable guest speakers where necessary.</p> <p>Review all materials and presentation ahead of time.</p> <p>Set up the venue to allow for interaction between Council and the public.</p>

		Set the rules that will guide the meeting from the very beginning.
--	--	--

1.5 Working Group or Working Party

Description and Use	Think it Through	Best Practice Note
<p>A small ad hoc group of individuals with diverse and complementing expertise collaborating to achieve specified goals.</p> <p>The goal may be to study and report on a particular question and make recommendations based on its findings, develop a policy or implement a program.</p> <p>It might involve council staff from different departments, representatives of community groups, government officials or citizens.</p>	<p>Good for drawing on the expertise of a range of people to help develop policy or solve a problem.</p> <p>Useful for exploring issues before broader engagement takes place.</p> <p>Effective for internal consultation and the development of proposals.</p> <p>May be time consuming to set up.</p>	<p>Ensure all the required expertise is represented.</p> <p>Identify and invite directly persons with the required skills for the assignment.</p> <p>Keep meetings brief.</p> <p>Allow enough notice for members to plan ahead.</p> <p>Be forthcoming with information.</p> <p>Requires strong leadership.</p>

2. COMMENT

2.1 Customer Service Form

Description and Use	Think it Through	Best Practice Note
<p>Forms used to obtain feedback from the community and stakeholders.</p> <p>They are available on the Website and in hard copy in the following locations:</p> <ul style="list-style-type: none"> • Admin Office • Depot • Library • Swimming Pool 	<p>Can be easily distributed, able to reach a wide audience and it is cost effective.</p> <p>Effective in collecting immediate response from participants at events.</p> <p>Response rate may be poor.</p>	<p>Provide writing materials, e.g. pen, when used at events.</p>

2.2 Focus Group

Description and Use	Think it Through	Best Practice Note
<p>A form of structured interview in which a small group of stakeholders are asked questions about their views, opinions or attitudes towards an issue or project.</p> <p>The facilitator allows for an open discussion guided by the questions but may follow the flow of participants' discussions.</p> <p>It is useful for gaining in-depth understanding of a target population's opinion of issues and for testing ideas before implementation.</p>	<p>It is effective for reaching target audience or particular segments of the community.</p> <p>Less formal and intimidating than public meetings.</p> <p>It is useful for exploring issues before broader consultation takes place.</p> <p>Selection of participants may be biased and some may request money before they participate.</p> <p>Usually needs to be combined with other engagement methods before making an informed decision.</p> <p>Information obtained is qualitative in nature.</p>	<p>A skilled focus group facilitator is required.</p> <p>It is more effective when a group is not more than 15 individuals.</p> <p>Explain the purpose and the process to participants at the beginning.</p> <p>Participants must be representative of the target population.</p> <p>Provide refreshments.</p> <p>Use location that is convenient to participants.</p> <p>Conduct at least two sessions for a given target population at alternate times/days.</p>

- Report to the Shire by North Stirlings Pallinup Natural Resources (NSPNR).

PURPOSE OF THE REPORT

Council's consideration of receiving a report by North Stirlings Pallinup Natural Resources to the Shire of Gnowangerup.

BACKGROUND

Council has requested that North Stirlings Pallinup Natural Resources (NSPNR) provides a report each year to the Shire on its activities, with an emphasis on works and activities within the Shire. This requirement is based on the financial support that the Shire provides each year to the group.

COMMENTS

The following is a breakdown of the Shire's support in recent year's:

- Council contribution 2019/20220 \$16,500
- Council contribution 2020/2021 \$16,500
- Council 2020/2021 Financial Assistance Grant Pallinup River Monitoring
- Council support in the draft 2022/2023 Budget is \$15,000 which covers vehicle servicing, license and insurance

It should be noted that it is proposed to use NSPNR to carry out the Shire's mosquito program in 2022/2023 for which a separate budget allocation will be made under the appropriate function in the draft 2022/2023 budget.

Council also spent more than \$70,000 on the Shire owned building in Borden occupied by NSPNR from the Drought Communities funding.

CONSULTATION

The report has been distributed to councillors in advance of the agenda, and it is anticipated that a representative of the group will speak to the report under "Deputations" at this meeting.

1. NATURAL RESOURCE MANAGEMENT

I. WEEDS & PEST CONTROL

a. Fox Shoot; 2022 fox shoot a huge success! 16 registered teams in 2 counting locations. 294 foxes, 9 cats and 91 rabbits. The winning team alone brought in 40 foxes and 3 rabbits. We had amazing sponsors this year and ramped up the marketing quite heavily. We also had a competition with Jerry (FBG) and had our shoots strategically timed to be on the same evening.

b. Fox baiting; Currently expression of interest out for future training. No current funding specifically for baiting but we have applied for funding through State NRM to run a joint project with FBG. we are revisiting catchment plans as an approach to more effective and strategic fox baiting.

c. Mosquito baiting program; Shire of GN & NSPNR

The Shire of Gnowangerup conducts a Mosquito Management Baiting Program to help minimise the public health risk associated with mosquitoes.

A schedule of rates was provided to the Shire of Gnowangerup in response to the request for quote intended for the North Stirling Pallinup Natural Resources (NSPNR) to take on the Shire's Mosquito Management Baiting Program for the next 2 years

d. Feral cat control in Borden tip; Shire of GN & NSPNR

The Shire of Gnowangerup currently maintains the Borden, Gnowangerup and Ongerup tip on Mondays and Fridays. Since the recent upgrades to the fencing security around the Borden tip, there has been a noticeable increase of feral cats present inside the fenced area.

A schedule of rates has been provided in response to the request for quote intended for the North Stirling Pallinup Natural Resources (NSPNR) to take on a small level of feral cat management at the Borden tip, with potential to extend to the Ongerup tip if necessary.

CONT. NRM

II. MALLEEFOWL & CHUDITCH

Short film promoting our shire & community was produced last year on Malleefowl in the Gnowangerup shire and how much our community does for the conservation of the bird.

We recently designed and printed a birthday card which has information on Chuditch (Western quoll) and their conservation. These cards will be free and distributed throughout businesses in the shire and in Albany.

III. DRAINAGE CONCEPT PLAN

Drainage concept plan was successfully produced by NSPNR and used as a tool to better the problems occurring in the Ongerup overflow.

IV. CARBON PROJECT

The carbon industry is looking to be a huge opportunity for us as an organisation representing landholders seeking to revegetate and protect remnant vegetation and even investigate soil carbon. This project is piloting us towards the opportunities that will come with large companies endeavouring to be carbon neutral. Last season we put in 550 hectares of revegetation and 55kms of fencing between farms in the Gnowangerup shire, Cranbrook and Wellstead.

CONT. NRM

V. REGIONAL LANDCARE PROJECT: Project duration 2019-2023.

This project has two components with similar deliverables (revegetation, fencing, workshops, communication materials, etc.) but different outcomes. One component is RLPNSPP2 (EPBC) and focuses on improving the status of local species under the Environment Protection and Biodiversity Conservation Act 1999 (EPBC). Two species heavily focussed on are the Chuditch and the Gnowangerup shires emblem, the Malleefowl. The second component is Climate Action (RLPNSPP6): supporting the region to adapt, innovate and address market demands for sustainable food production.

Year 3 of this project is wrapping up and we have recently taken on an extra component/deliverable that investigates opportunities for aboriginal farming in our shire. We are working with members of Gnowangerup Aboriginal Corporation to investigate what is the best conditions to grow delicious quondongs.

I. WATERWAYS:

The waterways

- Waterways Project Warperup Creek Event a big success!
- community meeting tonight at Yongergnow with the Janickes presenting their findings on the health of the Pallinup river system.

2. COMMUNITY

I. WHAT DO THEY WANT?

- a. Community survey
- b. Development of Strategic Plan

II. Horse Power Highway;

NSPNR will partner with the Bush Fire Brigade to create 2 installations to represent our protection and preservation of local natural resources and the environment of the biodiverse Stirling Range National Park and surrounds. The Horsepower Highway is a series of installations that showcase rural life in our district.

III. PRESENCE IN COMMUNITY

- a. Office in Borden (one of few businesses running from townsite)
- b. Potential to offer product & info on our area (e. Locals produce or seeds for native foliage etc. (as often tourist pop in!))

IV. Rural women's Resilience event November 2021

NSPNR's Rural Women's Resilience event, hosted at the Borden Pavillion, brought together 75 men and women for a wonderful day of resilience building. We decided to create the event to bring people together, make new and strengthen old connections, and have a conversation about resilience, with a particular focus on our gardens and our surrounding environment. We had the wonderful Sabrina Hahn as our headline presenter, Ella Maesepp (Katanning Eco House) and Ellie Cameron (registered psychologist).

V. ADHOC ADVICE AND COMMUNICATIONS:

NSPNR is not bound to only our funded projects and aims to provide as much of a service as possible to those who request it.

VI. Recycling in Borden;

NSPNR is pushing for innovative waste management such as collecting milk bottle lids and sending them to be made into new materials.

VII. Eco Party Packs;

NSPNR successfully received funding to create reusable party packs which will be available for hire from each CRC in our shire and from NSPNR. This project will provide the local community with an easy and delightful alternative to disposable party items. These packs will consist of all one needs to throw a party, including reusable cups, plates, bowls, cutlery, and decorations. There will be a kids and adult party pack in each of the three towns within the North Stirling Pallinup sub-region.

3. OUR ORGANISATION

I. STAFF EXPANSION

We currently have 4 part-time staff with a total capacity of 1.6FTE per week. The combined experience & expertise that we have here now is very diverse! We have a Zoologist, Chartered Accountant, an Environmental Scientist & Agricultural Scientist - with a combined 14 year's experience specifically in NRM our newest team member is Tegan (top image) Knowles and has made her presence known in the shire already with her succesfull waterways event not long ago. We also have a new administration officer, Georgia (bottom image) who is doing a tremendous job.

II. Office development

Thanks to the shires community drought funding we have been able to paint both the interior and exterior of the NSPNR office as well as complete some landscaping, electrical updates and a new shed to store our equipment in. Special thanks to Bec Omeehan who went above and beyond with organising everything for us !

4. ONGOING SUPPORT

We appreciate immensely the ongoing support from the Shire which allows us to continue the work we do, so thank you!

We find that with the budget specifications of the big projects we take on, there is little to no allowance for administration cost or technological upgrades. Nor do we receive money specifically for many important NRM and community projects and activities, like ad-hoc advice or in-kind expertise. The lack of security of funding for FTE next year is putting a lot of pressure on staff to spend more time applying for grants and is creating a lot of stress and burnout.

Therefore, the support we receive for you is extremely important for us to be able to do extra value adding work for the communities of the Gnowangerup Shire.

11.8	DISPOSITION OF PROPERTY BY PRIVATE TREATY – JOHN DEERE GRADER
Location:	Shire of Gnowangerup

Date of Report:	15 th June 2022
Business Unit:	Infrastructure and Asset Management
Officer:	Cherie Delmage – Deputy Chief Executive Officer
Disclosure of Interest:	Nil

ATTACHMENTS

- Harjway – Request to purchase 2011 John Deere 770GP Grader
- Advertisement seeking submissions on Council’s proposal to dispose of the grader by private treaty.

PURPOSE OF THE REPORT

For Council to consider submissions to the proposal to dispose of the 2011 John Deere 770 GP Grader by private treaty and in the absence of any submissions, resolve to sell the vehicle.

BACKGROUND

The grader was included in the 2021/2022 Annual Budget with a disposal value of \$75,000 GST exclusive as part of the Shire’s annual Plant Replacement Program. Council resolved (0222.20) at its Ordinary Council Meeting on 16th February 2022 to sell the grader by auction in conjunction with other items. Prior to the item being disposed of, the Shire was approached by Harjway with an offer to purchase the item by private treaty for the sum of \$100,000 GST exclusive.

At its Councillor and Executive Workshop in May 2022, Council concurred with a staff recommendation that a proposal to sell by private treaty in accordance with Section 3.58 of the Local Government Act 1995 should be advertised for the disposition of the grader to Harjway.

Shire staff received a valuation from Smith Broughton Auctioneers for the grader at \$110,000 plus GST, but noted that prices are volatile with the current shortages of new equipment. The proposal to dispose of the item by private treaty was advertised in local newsletters, the Shire’s website, and social media, and also placed on the Shire’s Official Noticeboards, for a period of three weeks, with a closing date for the receipt of submissions of the 14th June 2022.

COMMENTS

The use of Section 3.38(3) was seen to be a way of achieving a better a more reliable outcome in what is currently a very volatile new and used road plant market.

CONSULTATION

The matter was discussed at the Councillor and Executive Workshop on the 11th May 2022 and Councillors were advised of the valuation provided by Auctioneers Smith Broughton.

LEGAL AND STATUTORY REQUIREMENTS

Local Government Act 1995

Section 2.7(2) provides that Council is to oversee the allocation of local government finances and resources and to determine the local government policies.

Section 3.1 provides that the general function of the local government is to provide good government of persons in its district.

Section 3.58(3) provides the legislative requirements for the sale of a shire asset by private treaty

POLICY IMPLICATIONS

There are no foreseen policy implications with this report.

FINANCIAL IMPLICATIONS

The grader was included in the 2021/2022 Annual Budget with a disposal value of \$75,000 GST exclusive. The sale of the plant item for \$100,000 GST exclusive has a positive impact on our plant replacement program.

Disclosure of Interest:	Nil

ATTACHMENTS

- CLAG Terms of Reference
- Draft CLAG Memorandum of Understanding

PURPOSE OF THE REPORT

Council to note the Memorandum of Understanding formal agreement between the Great Southern Contiguous Local Authority Group (CLAG) and the Department of Health. The Shire of Gnowangerup, the Shire of Katanning and the Shire of Broomehill-Tambellup and the Department of Health (WA) make up the Great Southern CLAG.

BACKGROUND

The Shires of Gnowangerup, Broomehill-Tambellup and Katanning sought approval of the Department of Health's Mosquito Control Advisory Committee in 2021 to form a CLAG. The Mosquito Control Advisory Committee (MCAC) approved the request subject to each local government adopting their own mosquito management plan, establishing a CLAG meeting structure, adopting the Terms of Reference and the Memorandum of Understanding, and seeking funding of the Department of Health through a joint budget submission.

The funding arrangements for the operation of a CLAG are explained fully in the MOU documentation and Terms of Reference documents.

The Department of Health gave provisional approval to the member shires to form the Great Southern CLAG in September 2021.

The monitoring of mosquito breeding sites within the Shire of Gnowangerup is proposed to be undertaken by members of the North Stirlings Pallinup Natural Resources group (NSPNR). The CLAG is investigating the training of all field workers from the three shires before the mosquito breeding season commences.

COMMENTS

The CLAG met for the first time on Thursday 26th May by MS Teams. Shire of Katanning Chief Executive Officer Julian Murphy was elected Chair and Treasurer with secretarial support provided by Shire of Gnowangerup Environmental Health Officer Llew Withers. It was decided that it was more practical for the Chair & Vice Chair to be from the same local government and the Shire of Katanning be asked to undertake financial transactions on behalf of the CLAG.

CONSULTATION

The three Shires and the Department of Health held an inaugural meeting on Thursday 26th May 2022 to establish the framework for future meetings and appointment of office bearers and financial arrangements, conducting training of field officers, preparing an annual budget submission to the Department of Health. A meeting addressing budgetary items will be held on Thursday 23rd June at the Shire of Gnowangerup Offices.

LEGAL AND STATUTORY REQUIREMENTS

Nil.

POLICY IMPLICATIONS

Nil.

FINANCIAL IMPLICATIONS

The Shire will be able to receive funding for the mosquito control chemicals and for training and equipment.

STRATEGIC IMPLICATIONS

4. OUR NATURAL ENVIRONMENT

4.1 A high standard of environmental health and waste services

- Compliance with environmental health and waste Legislation

4.2 Conservation of our natural environment

- Community partnerships that help protect and preserve our natural assets
- Efficient resource consumption including water, energy and non-renewable resources

STRATEGIC RISK MANAGEMENT CONSIDERATIONS:

Primary Strategic Risk Category	Environmental
Description	Mosquito Management Plan
Residual Risk: (Low, Moderate, High, Extreme)	Likely
Consequence: (Insignificant, Minor, Moderate, Major, Catastrophic)	Major
Likelihood: (Almost Certain, Likely, Possible, Unlikely, Rare)	Likely

IMPACT ON CAPACITY

Access to Funding, Equipment and collaboration between the local Shire's and Department of Health should increase the Shire of Gnowangerup's capacity to control mosquitos within our waterways.

ALTERNATE OPTIONS AND THEIR IMPLICATIONS

If the Shire was not a member of the CLAG, we would be required to fully fund the purchase of equipment, chemicals and would forgo any access to funding and joint collaborations and controls.

CONCLUSION

The establishment of a CLAG is seen as a very positive outcomes for the Shire and neighbouring Shires in an attempt to control the serious health risk of mosquito borne diseases such as Ross River Virus.

Objective

This Terms of Reference (ToR) describes how the XXXXXX Contiguous Local Authorities Group (CLAG) will function. This document includes information on the requirements of each Local Government (LG) member who has signed the Memorandum of Understanding (MoU) and the roles they will play.

Formation of a CLAG

Once adjoining LG's have recognised the need to form a CLAG to undertake health-driven mosquito management, they must:

- Contact the Department of Health's (DoH) Medical Entomology team to discuss the requirements of forming a CLAG and ensure the eligibility criteria are met;
- Write to the Mosquito Control Advisory Committee's (MCAC) Chairman (Dr Michael Lindsay) within the Department of Health (PO BOX 8172 Perth Business Centre, Western Australia 6849) and include:
 - the reasons for forming a CLAG;
 - demonstration of a common mosquito management problem across LG borders;
 - evidence of a Mosquito Management Plan for each LG involved; and
 - agree to sign a Memorandum of Understanding (MoU) between all principal stakeholders.

Role of the Mosquito Control Advisory Committee (MCAC)

The formation of any future CLAGs will require approval from the MCAC. This committee includes members from State Government, including the DoH, and LG representatives. The MCAC is tasked with assessing CLAG formation requests and their associated funding applications.

The MCAC meet on an annual basis to approve any new CLAG formation requests, assess funding applications and tend to other business that may have arisen. If required, new CLAG formation requests can be assessed by the MCAC out of session.

Once the MCAC endorses the formation of a CLAG, the DoH (Medical Entomology) will advise all LGs involved and request a meeting to fully execute the MoU and finalise the ToR (if applicable). Once this has taken place, the CLAG will be endorsed and eligible to apply for DoH funding for mosquito management activities.

Roles and Responsibilities of a CLAG:

There are a number of roles and responsibilities that allow a CLAG to function effectively (See Appendix I). The roles and responsibilities of the positions are outlined in the following section:

Roles within a CLAG:

The LG's forming a CLAG must agree on the roles of the CLAG members and will:

- select a Chairperson to act as the figurehead of the CLAG and for the submission of funding applications;
- select a Vice-Chairperson for the CLAG in case of absence of the Chairperson; and
- select a Secretary to document incoming and outgoing communications for each CLAG meeting (see Appendix 1).

Nomination and election of roles within the CLAG:

The roles of Chairperson, Vice Chairperson and Secretary of the CLAG will be nominated and elected by the CLAG members:

- all members of a CLAG (excluding DOH) shall have the right to vote;
- a member shall be elected for a role within the CLAG through simple majority; and
- where a simple majority cannot be achieved, DOH shall have the casting vote.

Role of the CLAG Chairperson:

- a CLAG Chairperson will be the figurehead of the CLAG and will be nominated and approved by the members of the CLAG; and
- will be rotated every one to two years as agreed by the CLAG members.

Duties of the Chairperson include:

- developing an annual calendar of events (Appendix 2) for the CLAG including a list of meetings scheduled for the upcoming year;
- approving the final budget submission (Appendix 3) for funding from the Department of Health (DOH) on or before the 31st July each year;
- writing a supporting cover letter for the CLAG funding submission outlining the season ahead and justifying the requested funding;
- calling for agenda items (Appendix 4) two weeks prior to each CLAG meeting;
- e-mailing the agenda to all CLAG members one week prior to each CLAG meeting;
- inviting guests to attend CLAG meetings when it is deemed beneficial by the CLAG (see "Inclusion of Additional Stakeholders");
- chairing CLAG meetings according to the agenda and time available; and

- ensuring all discussion items at a CLAG meeting end with a decision, action or definite outcome.

Role of the CLAG Vice-Chairperson:

A CLAG Vice-Chairperson will be the figurehead of the CLAG in the absence of the Chairperson and will:

- be nominated and approved by the members of the CLAG; and
- be rotated every one to two years as agreed by the CLAG members.

Duties of the Vice-Chairperson include:

- covering the duties of the CLAG Chairperson when he/she is on leave or unable to attend a CLAG meeting; and
- being the figurehead of the CLAG while the Chairperson is absent.

Role of the CLAG Secretary:

A CLAG Secretary will also be required for the formation of a CLAG to ensure its efficient functioning. The CLAG secretary will:

- be nominated and approved by the members of the CLAG; and
- be rotated every year to reduce impact on staffing levels and commitment to the CLAG.

Duties of the Secretary include:

- documenting all incoming and outgoing communications on behalf of the CLAG and reporting these at each CLAG meeting;
- documenting the minutes of each CLAG meeting (Appendix 5); and
- e-mailing the CLAG meeting minutes to each CLAG member within two weeks of each meeting.
 - The minutes shall be checked by the chairperson and accepted by CLAG members as a true and accurate record at the commencement of the next meeting.

Role of the Principle Stakeholders:

Local Governments (including the XXXXXXXXXXXXXXX)

Members from each LG forming a CLAG will ensure they:

- provide a minimum of one Environmental Health staff member to attend each CLAG meeting (multiple staff may attend if deemed appropriate by that LG);
- invite other employees (e.g. Environmental Health Assistants / Mosquito control operators involved in the mosquito management programs at each Local Government) along to meetings, where possible;

- are willing to contribute to the CLAG meeting in an open and supportive manner by:
 - providing an update on mosquito trapping results (both adult and larval) for their jurisdiction;
 - discussing treatments performed since the last meeting; and
 - discussing any issues and concerns that may have arisen since the last meeting;
- maintain records of chemical use and treatment dates for funding applications; and
- conduct adult and larval surveys in alignment with their Mosquito Management Plan and provide results to the DOH on a regular basis.

Role of the Department of Health:

At CLAG meetings, the DOH will make available a minimum of one staff member who will:

- help guide discussions and follow-up enquiries for future meetings;
- provide a summary of the latest Mosquito-Borne Disease statistics for the CLAG (including breakdown to suburb level for internal use only);
- provide weather forecasts for the following quarter and discuss any concerns that environmental conditions may have on mosquito breeding and development; and
- highlight any areas of concern and provide advice on any questions or queries raised by other parties at the meeting.

Inclusion of additional Stakeholders:

In some instances, additional stakeholders may be included in CLAG meetings where the common goal of mosquito management is of prime concern. For instance, it may be an opportunity to include the Department of Environment and Conservation, the Swan River Trust or other LGs as members of the CLAG. The CLAG may invite additional stakeholder/s to:

- be included in the CLAG as a permanent member
 - Prior to the invitation and acceptance of a new permanent CLAG member, the Chairperson of the CLAG shall write to DOH, notifying them of the CLAG's intentions and requesting approval to proceed;
- attend CLAG meetings as invited guests:
 - when common concerns are identified;
 - to address specific concerns;
 - to provide guidance, knowledge and/or advice they have acquired as a member of an existing CLAG in another region; and/or
 - to determine if permanent inclusion in the CLAG would be beneficial to the existing CLAG.

Role of additional Stakeholders

If the CLAG determines that additional stakeholders are to be included in the CLAG (either for a single or multiple meetings), the additional Stakeholders will:

- provide a minimum of one staff member to attend each meeting;
- contribute to the meeting in an open and supportive manner;
- discuss any issues and concerns that may arise;
- have no voting rights (unless made a permanent member) and may be requested to leave the meeting at any time by the chairperson (for discussion of CLAG specific issues); and
- provide feedback and information on issues or concerns at following meetings.

CLAG Meetings

- A minimum of five CLAG meetings will be held each mosquito season.
- CLAG meetings will be hosted either at one LG base or by rotating each meeting between the LG's forming the CLAG;
 - This decision will be made by the CLAG at the first meeting of the season when the annual Calendar of Events is put forward for approval; and
- The Mayor, Chief Executive Officer or a Councillor from the hosting Local Government should be invited to attend each of the CLAG meetings.

Process for decision making within CLAG meetings

All matters arising within the scope of a CLAG meeting that require a decision shall:

- be discussed/debated amongst CLAG members;
- have the final decision/position moved by a CLAG member by way of a motion;
- have the motion put forward seconded by another CLAG member;
- once seconded, be voted for by the members of the CLAG;
 - each LG shall have one vote only.
- be approved or rejected by simple majority; and
- where a simple majority cannot be reached DOH shall have the casting vote.

Funding and reporting requirements for a CLAG:

- A single CLAG funding submission (using the DOH funding submission form) and a cover letter requesting funds will be sent to the DOH by the Chairperson on or before the 31st July each year;

- The CLAG will establish a single finance account (including a trust account) at one base (one of the LG members)
 - The LG holding the finance account will supply invoices to associated LG's and the DOH, for their contributions to the funding scheme, once budgets are approved;
- LG CLAG members and the DOH will pay invoices and contribute to the Trust Account in accordance to the breakdown described in the CLAG funding submission; and
- The CLAG shall provide a brief annual report on the mosquito season for the CLAG at the conclusion of each season as part of the funding application for the following year.

Amendments, modifications or variations

This Terms of Reference may be amended, modified or varied in writing to DOH after consultation and agreement by the CLAG members (outlined above).

Memorandum of Understanding

[Name] Contiguous Local Authorities Group (CLAG)

Objective:

This Memorandum of Understanding (MoU) recognises the [formation/continuation] of the [NAME] Contiguous Local Authorities Group (CLAG) to undertake health-driven mosquito management across the borders of [City/Town/Shires].

The MoU outlines the requirements for the [formation/continuation] of the CLAG, the Principal Stakeholders involved and the responsibilities of each Stakeholder. By signing the MoU, all parties agree to the [formation/continuation] of the CLAG and the designated responsibilities of each member within the group.

The parties acknowledge that the provisions of this document are not intended to create binding legal obligations between them.

The parties acknowledge that:

- a) nothing in this document authorises a party to incur costs or expenses on behalf of the other party; and
- b) a party has no authority to act for, create or assume any responsibility, obligation or liability on behalf of, the other party.

Commencement of this MoU:

This MoU shall come into effect from the date that it is signed by all Principal Stakeholders.

Review and amendment of this MoU:

It is recommended that the MoU be regularly reviewed to improve its operation and resolve any issues that may arise. At a minimum, the Principal Stakeholders will review the document every five (5) years.

Earlier review will need to be undertaken if any party wishes to withdraw from or revise the CLAG arrangements. All parties will be required to resign the MoU once any amendments have been finalised.

If the review process indicates that no amendments are required, the existing MoU may remain in place and will not need resigning.

The [NAME] Region

Include a brief summary of the mosquito problems encountered within the local government regions. One to two paragraphs should be adequate.

Principal Stakeholders:

This MoU covers the following Principal Stakeholders:

- Department of Health, Western Australia (the Department)
- City/Shire/Town of [Name]
- City/Shire/Town of [Name]
- City/Shire/Town of [Name].

Responsibilities of the Principal Stakeholders:

Department of Health, Western Australia

1. Funding

The Department will provide funding to the CLAG, in accordance with the CLAG Funding Guidelines and following assessment of the CLAG's annual application by the Mosquito Control Advisory Committee (MCAC), to support the following:

- chemical control strategies
- physical control strategies
- cultural control strategies (including *Fight the Bite* resources)
- mosquito management equipment
- training and development
- other requests (upon consultation with the MCAC).

2. Technical expertise

The Department may also assist the CLAG through the provision of:

- training to improve the capacity of CLAG members to undertake mosquito management activities
- staff to assist in ground surveillance to identify mosquito breeding sites (both natural and man-made)
- assistance with further development and revision of individual Mosquito Management Plans (MMPs) for local governments within the CLAG
- advice on local issues and possible resolution options;
- notified case data related to mosquito-borne disease within their region
- mosquito management options (including adulticides/larvicides) for each jurisdiction
- assistance with the identification of difficult adult and larval mosquitoes from surveillance activities (with advice from relevant specialists as required)
- staff attendance and advice at CLAG meetings
- assistance in developing a Terms of Reference (ToR) to guide the CLAG's activities (note, the ToR is optional)
- other advice as required.

Local Governments within the [CLAG NAME]

The [CLAG NAME], consisting of the [City/Town/Shires] agrees to:

- nominate a CLAG Chairperson to:
 - chair CLAG meetings
 - submit annual funding applications and reports to the Department
 - document CLAG related incoming and outgoing communications
- nominate a local government within the CLAG to receive funding on behalf of the group from the Department, and where appropriate, establish a:
 - CLAG operational account (to receive funding from the Department)
 - CLAG trust account (with the ability to roll funding over between years)
- ensure each member of the CLAG has developed their own mosquito management plan (MMP), ie. one for each local government, to document specific program objectives, nuisance and disease risks, mosquito breeding sites, management strategies, land owners, necessary permits/approvals, budget and resource requirements etc.
- regularly revise individual local government Mosquito Management Plans to ensure management activities are appropriate and reflect current mosquito issues
- submit a single CLAG funding submission and cover letter requesting annual funds from the Department by the specified date. This request will be assessed by the MCAC
- submit a single CLAG annual report to the Department, including financial statements and invoices related to Department/CLAG funded purchases, by the specified date. This information is required, to ensure the CLAG is eligible to apply for Department funding
- contribute 50% of the cost of MCAC approved budget items, unless otherwise specified. The required CLAG contribution will be outlined in the Department's annual funding outcome letter
- contribute to a trust fund, ensuring each local government within the CLAG has access to additional funding to manage mosquitoes when the nuisance factor or mosquito- borne disease risk is greater than normal. In regards to the trust fund, CLAGs are required to:
 - annually contribute an additional 10% of the CLAG's own contribution to mosquito management (as specified in the CLAG funding submission) to the trust account. Note, this amount is calculated by the Department **before** any financial carryover is deducted; OR negotiate an alternative trust fund arrangement with the Department that adequately ensures all local governments within the CLAG have capacity to manage mosquitoes in an abnormally busy mosquito season
 - seek approval from the MCAC, by way of a written request, to access trust fund account
 - seek approval from the MCAC, by way of a written request, to 'cap' the trust fund account. The 'capped' sum represents an amount that the CLAG deems to be sufficient to cover an abnormally busy mosquito season. Once this amount is reached, no further trust fund contributions are required. If the trust fund falls below the 'capped' amount, CLAG contributions must begin again following the next budget submission

- discuss the CLAG's mosquito management activities with the Department a minimum of three (3) times throughout the season, by way of [choose the most appropriate option]:
 - face-to-face meetings (Metropolitan and South West CLAGs)
 - telephone meetings (Northern and more regional CLAGs)
- conduct adult and larval mosquito surveys in alignment with individual MMPs and include results in the CLAG's annual report
- maintain accurate records of all chemical treatments (date, product used and size of treatment) and include in the CLAG's annual report
- collaborate with, and support, other members of the CLAG, through provision of advice, sharing of information, equipment loans, assistance with ground surveillance etc, in an effort to improve mosquito management within the CLAG's jurisdiction
- develop a Terms of Reference (ToR), detailing the function of the CLAG and roles/responsibilities of parties within it (note, the ToR is optional).
