COUNCIL'S VISION

Gnowangerup Shire – A progressive, inclusive and prosperous community built on opportunity

Shire of Gnowangerup

NOTICE OF AN ORDINARY MEETING OF COUNCIL

Dear Council Member

The next Ordinary Meeting of the Shire of Gnowangerup will be held on Wednesday 23rd October 2019, at the Council Chambers 28 Yougenup Road Gnowangerup, commencing at 3:30pm.

Signed: _____

Bob Jarvis
CHIEF EXECUTIVE OFFICER

Meaning of and CAUTION concerning Council's "In Principle" support:

When Council uses this expression it means that:

*(a) Council is generally in favour of the proposal BUT is not yet willing to give its consent; and
(b) Importantly, Council reserves the right to (and may well) either decide against the proposal or to formally support it but with restrictive conditions or modifications.*

Therefore, whilst you can take some comfort from Council's "support" you are clearly at risk if you act upon it before Council makes its actual (and binding) decision and communicates that to you in writing.

SHIRE OF GNOWANGERUP

DISCLAIMER

No responsibility whatsoever is implied or accepted by the Shire of Gnowangerup for any act, omission or statement or intimation occurring during Council or committee meetings.

The Shire of Gnowangerup disclaims any liability for any loss whatsoever and howsoever caused arising out of reliance by any person or legal entity on any such act, omission or statement or intimation occurring during Council or committee meetings.

Any person or legal entity who acts or fails to act in reliance upon any statement, act or omission made in a Council or committee meeting does so at that person's or legal entity's own risk.

In particular and without detracting in any way from the broad disclaimer above, in any discussion regarding any planning application or application for a licence, any statement or intimation of approval made by any member or officer of the Shire of Gnowangerup during the course of any meeting is not intended to be and is not taken as notice of approval from the Shire of Gnowangerup.

The Shire of Gnowangerup advises that anyone who has any application lodged with the Shire of Gnowangerup shall obtain and should only rely on **written confirmation** of the outcome of the application, and any conditions attaching to the decision made by the Shire of Gnowangerup in respect of the application.

These minutes are not a verbatim record but include the contents pursuant to Regulation 11 of Local Government (Administration) Regulations 1996.

Signed: 

Bob Jarvis
CHIEF EXECUTIVE OFFICER

Notes:

1. Insert your name (print).
2. Insert the date of the Council Meeting at which the item is to be considered.
3. Insert the Agenda Item Number and Title.
4. Tick box to indicate type of interest.
5. Describe the nature of your interest.
6. Describe the extent of your interest (if seeking to participate in the matter under S. 5.68 & 5.69 of the Act)..

DECLARATION OF INTERESTS (NOTES FOR YOUR GUIDANCE)

A Member, who has a Financial Interest in any matter to be discussed at a Council or Committee Meeting that will be attended by the Member, must disclose the nature of the interest:

- a) In a written notice given to the Chief Executive Officer before the Meeting or;
- b) At the Meeting, immediately before the matter is discussed.

A member, who makes a disclosure in respect to an interest, must not:

- a) Preside at the part of the Meeting, relating to the matter or;
- b) Participate in, or be present during any discussion or decision-making procedure relative to the matter, unless to the extent that the disclosing member is allowed to do so under Section 5.68 or Section 5.69 of the Local Government Act 1995.

NOTES ON FINANCIAL INTEREST (NOTES FOR YOUR GUIDANCE)

The following notes are a basic guide for Councillors when they are considering whether they have a **Financial Interest** in a matter. These notes will be included in each agenda for the time being so that Councillors may refresh their memory.

1. A Financial Interest requiring disclosure occurs when a Council decision might advantageously or detrimentally affect the Councillor or a person closely associated with the Councillor and is capable of being measured in money terms. There are exceptions in the Local Government Act 1995 but they should not be relied on without advice, unless the situation is very clear.
2. If a Councillor is a member of an Association (which is a Body Corporate) with not less than 10 members i.e. sporting, social, religious etc.), and the Councillor is not a holder of office of profit or a guarantor, and has not leased land to or from the club, i.e., if the Councillor is an ordinary member of the Association, the Councillor has a common and not a financial interest in any matter to that Association.
3. If an interest is shared in common with a significant number of electors or ratepayers, then the obligation to disclose that interest does not arise. Each case needs to be considered.
- 4. If in doubt declare.**
5. As stated in (b) above, if written notice disclosing the interest has not been given to the Chief Executive Officer before the meeting, then it **MUST** be given when the matter arises in the Agenda, and immediately before the matter is discussed.
6. Ordinarily the disclosing Councillor must leave the meeting room before discussion commences. The only exceptions are:
 - 6.1 Where the Councillor discloses the extent of the interest, and Council carries a motion under s.5.68(1)(b)(ii) or the Local Government Act; or
 - 6.2 Where the Minister allows the Councillor to participate under s.5.69(3) of the Local Government Act, with or without conditions.

INTERESTS AFFECTING IMPARTIALITY

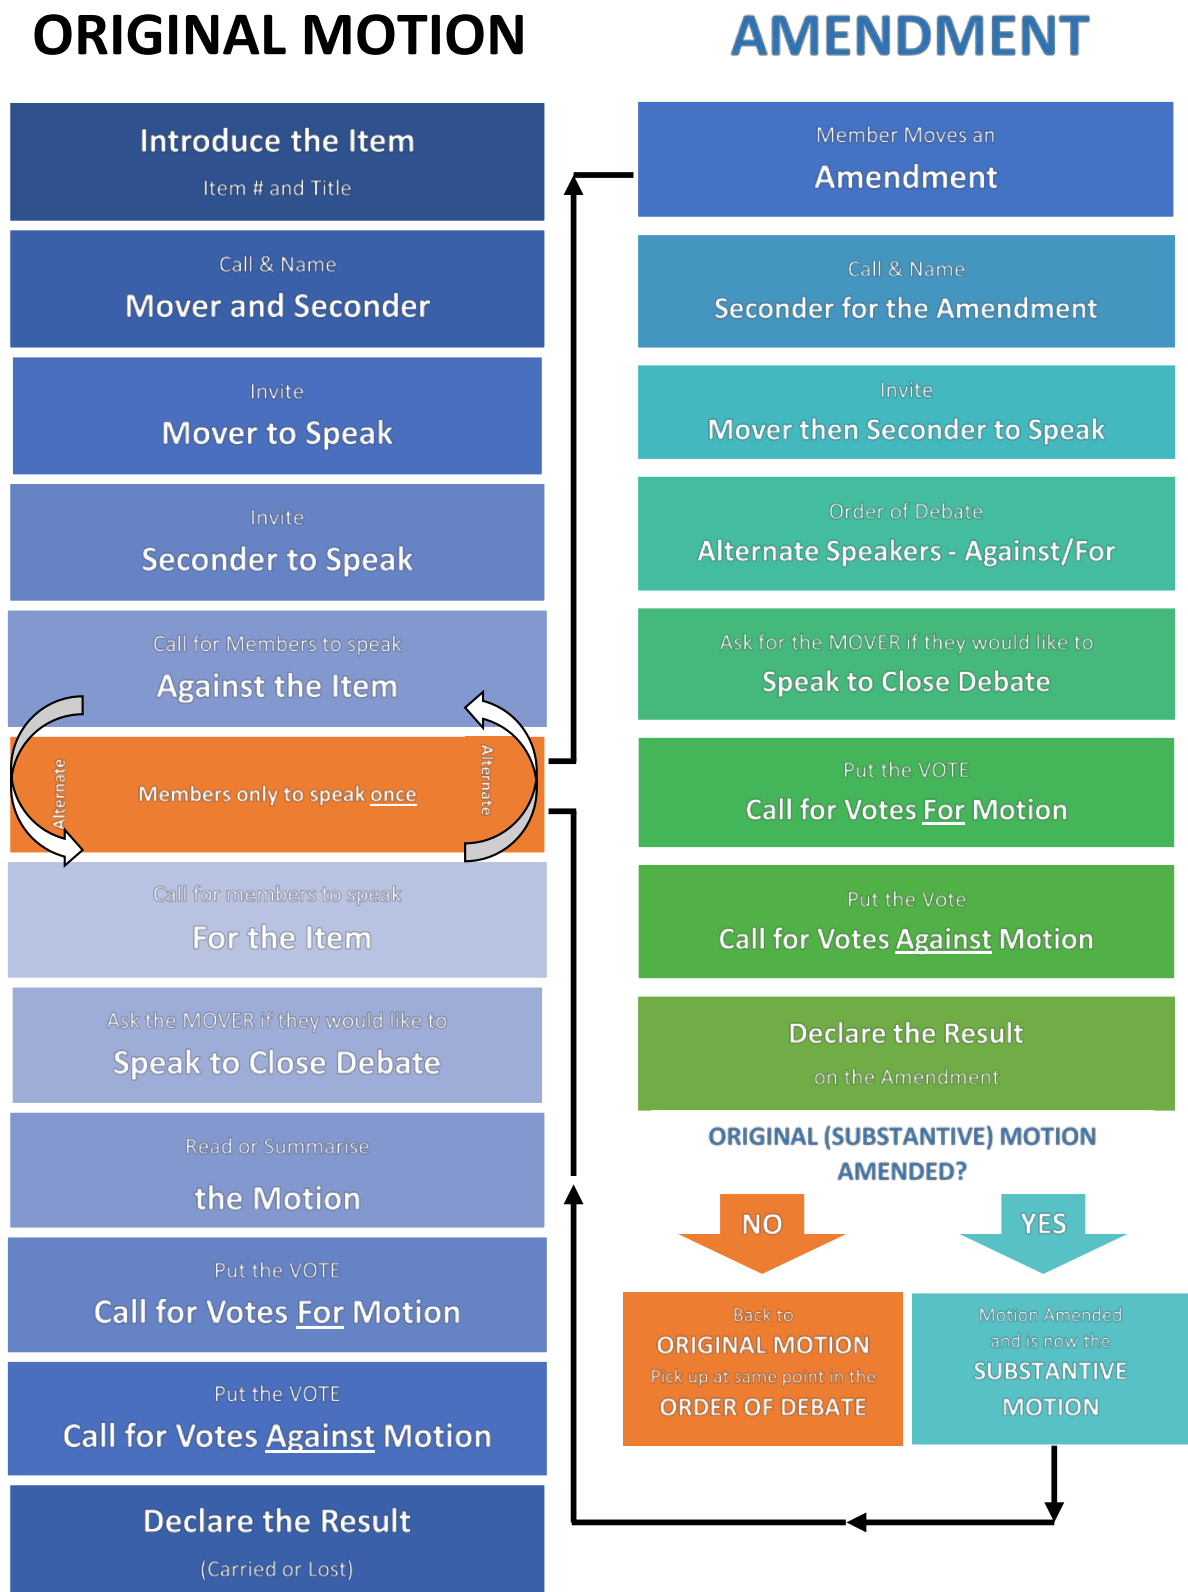

DEFINITION: An interest that would give rise to a reasonable belief that the impartiality of the person having the interest would be adversely affected, but does not include an interest as referred to in Section 5.60 of the 'Act'. A member who has an Interest Affecting Impartiality in any matter to be discussed at a Council or Committee Meeting, which will be attended by the member, must disclose the nature of the interest;

- (a) in a written notice given to the Chief Executive Officer before the Meeting; or
- (b) at the Meeting, immediately before the matter is discussed.

IMPACT OF AN IMPARTIALITY DISCLOSURE

There are very different outcomes resulting from disclosing an interest affecting impartiality compared to that of a financial interest. With the declaration of a financial interest, an elected member leaves the room and does not vote. With the declaration of this new type of interest, the elected member stays in the room, participates in the debate and votes. In effect then, following disclosure of an interest affecting impartiality, the member's involvement in the Meeting continues as if no interest existed.

Process of Motions

Slight clarification of wording of motion: A minor amendment of the motion can be done at any time through the President with the approval of the Mover and the Secunder. The Minor amendment must be minuted.

7. GENERAL BUSINESS

- 7.1. Review of Local Welfare Plan (attached) – Neville Blackburn – Department of Communities
 - 7.1.1. Current plan was last reviewed in 2017.
 - 7.1.2. Name and format of plan has changed since then and requires a review.
 - 7.1.3. LEMC members are requested to have a quick look through the attached document to identify any changes required to contacts etc.
 - 7.1.3.1. Neville will make necessary changes to contacts, etc. and change plan to new format and send back to the Committee for approval.
 - 7.1.3.2. It was decided that all information that require changes (page18-19 of current plan) should be sent to Anrie. Anrie will collate changes and send to Neville when done.
 - 7.1.3.3. Updated Welfare Plan will be ready to be presented at the December LEMC meeting for endorsement.
- 7.2. 2019 Annual and Preparedness Report Capability Survey was completed and submitted to SEMC on the 27th May 2019.
- 7.3. Shire of Gnowangerup Emergency Animal Welfare Plan
 - 7.3.1. Vin and Anrie attended an Animal Welfare in Emergencies Workshop hosted by DPIRD on the 22nd August 2019.
 - 7.3.2. Key issues identified:
 - 7.3.2.1. Shire should start developing a simple animal welfare plan to accommodate assistant and companion animals during emergencies.
 - 7.3.2.2. Educating community members in relation to preparedness for their animal's welfare in an emergency situation is vital, i.e. having traveling cages, ensuring enough water and food should they be left behind, etc.
 - 7.3.2.3. Shire does not have the capacity to deal with mass amount of livestock and therefore farmers will need to have contingency plans in place for their livestock. The Shire however does still have the stockyards to accommodate animals that were involved in an accident i.e. truck rollover, etc.
- 7.4. Shire of Gnowangerup Community Emergency Awareness Project
 - 7.4.1. Anrie introduced the Shire's planned Community Emergency Awareness Project to the LEMC members.
 - 7.4.2. Types of educational material to include in the document wallet were discussed.
 - 7.4.3. LEMC members were invited to include any educational material from their particular agency, should they wish to do so.
 - 7.4.4. A request was also made directly to St John Ambulance to put together some information on how ambulances services operate in the country where services are almost completely depended on volunteers and the extended time it takes for an ambulance to reach some emergencies
 - 7.4.5. Bob thought that all new residence to the Shire of Gnowangerup should also receive the document wallet with a welcoming pack from the Shire containing relevant information in relation to tourist attractions, services offered, etc. included.
- 7.5. LEMC Exercises for 2019/2020 – proposals for exercises required from LEMC members.
 - 7.5.1. Item will officially stand over until Adam Smith is in attendance in December to discuss, but ideas of possible exercises were made by attending LEMC members.
 - 7.5.2. A suggestion was made that maybe a combination of a live and desktop exercise should be done. The possibility of the aforementioned to be discussed with OIC of the Gnowangerup Police.

- 7.5.3. A communication exercise was also suggested. During the discussions it was mentioned that the Shire should consider the purchase of a satellite phone that can help with communication issues as experienced in the past during floods.
- 7.6. Evacuation Centre Desktop Exercise – Neville Blackburn
- 7.6.1. The Department of Communities will be hosting an emergency evacuation centre exercise in Albany on the 19th November 2019.
- 7.6.2. Neville will forward Anrie an invitation and more information of the planned exercise (invitation attached). All LEMC members and Shire staff are welcome to attend if they have an interest in the running of an evacuation centre.

8. REPORTS FROM MEMBERS

Andrew Brooker

Nothing to report as Andrew has been on annual leave for the past 3 months.

Neville Blackburn

Neville briefly discussed the evacuation centre exercise that is taking place in November and the updating of the local Welfare Plans.

Robyn Millar

WA Country Health are looking at providing formal Emergency Response Coordinator and Area Warden training for key staff in the regional hospitals. Estimates of staff numbers is currently being collected with a view to proceed with the procurement of an eLearning package for the delivery of Emergency Control Organisation (ECO) training.

Paul Tholen

Paul took the opportunity to thank the Gnowangerup Police, Gnowangerup SES and Gnowangerup St John Ambulance Services for all their help during the multiple emergencies that occurred at the Stirling Ranges from the 29th September to the 1st October 2019.

- **29th September 2019** – An injured hiker was rescued and air-lifted out of the Ranges. Initially the hiker was going to be carried out of the Ranges after very strong high winds made it impossible for the helicopter to air lift him out. Conditions changed later that afternoon and the air rescue could commence. An SES-member remained behind on the mountain and had to spend the night in hard conditions with limited supplies.
- **30th September 2019** – The SES-member left behind the previous day was rescued via helicopter.
- **30th September 2019** – A women was reported lost at Mt Trio after she failed to return to the camp after sunset. She managed to find her way to a main road before a rescue search party could be deployed.
- **1st October 2019** – A photographer whose equipment was found at the top of Bluff Knoll was discovered deceased at the bottom of a steep incline after two days of searching (found on the 2nd October). His body was retrieved by SES members.
- **1st October 2019** – Emergency services responded to a glider accident. The injured pilot was taken to Albany hospital for treatment.
-

Lessons learned/debrief:

- The multiple incidents over the 4 consecutive days really pushed the limits of the available resources.
- Volunteers were exhausted and not well looked after.
- Volunteers had to provide their own accommodation and meals or meals delivered were late and cold.
- A request was made to Neville Blackburn of the Department of Communities to see whether there could be any assistance from the Department in circumstances like this.

- Huge time delays before rescues could actually commence due to the official chain of command that had to be followed (red tape).
- Salvation Army only became involved during the search and retrieval incident and setup was good.
- Frustrating to have resources close by (Bluff Knoll Café) but unable to access it due red tape.
- Rapid Relief Response Group should be made available in time of emergencies.
- Bob endeavoured to phone around and ask questions about resources like food and accommodation to 1st responders and the possibility of exemptions in certain circumstances like the above.
- It would be great if something similar can be done for search and rescue as in the case with bushfires. Fast moving in the 1st instance with extra resources to follow later.
- Availability if maps were an issue. Hard copies of maps and maps on phones/tablets/ etc. should be available at all times.
- Fire breaks around the park, but getting up the mountain using other routes that doesn't have firebreaks is a huge problem.

Yvette Wheatcroft

All the WANDRRA works have finally been completed. The Shire is in a fortunate position that should we have similar events as to the floods in 2016 and 2017 the Shire will be able to comply with all the requirement to access funding under the new DRFA-WA.

9. OTHER

Keith House thanked everyone for their support over the past years as he will be stepping down as Shire President and will therefore no longer be chairing LEMC.

Neville Blackburn in return thanked Keith for his time and work as Chairman of LEMC.

10. CLOSING

Cr Keith House declared the meeting closed at 5:45pm.

Shire of Gnowangerup
Local Emergency Management Committee
Risk Assessment Results Summary

Background:

Under the Emergency Management Act 2005 and State Emergency Management Policy, each local government is required to undertake an assessment of the hazards likely to occur within its district. The Gnowangerup Local Emergency Management Committee (LEMC) had identified the hazards of Flood, Fire (bushfire) Chemical substance (Hazmat), Roadcrash, Storm and Biosecurity as the most likely to occur within the district.

On the 10th April and the 6th September the committee attended workshops to determine the level of risk from each hazard. The following agencies attended the workshop;

Workshop 1 <ul style="list-style-type: none">• Floods• Storm• Biosecurity	Workshop 2 <ul style="list-style-type: none">• Roadcrash• Bushfire• Hazmat
Attendees <ul style="list-style-type: none"><input type="checkbox"/> Keith House (LEMC Chair)<input type="checkbox"/> Fiona Gaze<input type="checkbox"/> Adam Smith<input type="checkbox"/> Lex Martin<input type="checkbox"/> Neville Blackburn<input type="checkbox"/> Andrew Brooker<input type="checkbox"/> Mark Bruce<input type="checkbox"/> Janette Hindmarsh<input type="checkbox"/> Casandra Hughes<input type="checkbox"/> Robyn Millar<input type="checkbox"/> Yvette Wheatcroft<input type="checkbox"/> Tracey Keown<input type="checkbox"/> Vin Fordham Lamont<input type="checkbox"/> Yvette Wheatcroft<input type="checkbox"/> Anrie van Zyl	Attendees <ul style="list-style-type: none"><input type="checkbox"/> Fiona Gaze<input type="checkbox"/> Adam Smith<input type="checkbox"/> Les Nayda<input type="checkbox"/> Carli Rooney<input type="checkbox"/> Paul Tholen<input type="checkbox"/> Mark Bruce<input type="checkbox"/> Andrew Brooker<input type="checkbox"/> Tracey Keown<input type="checkbox"/> Vince Hilder<input type="checkbox"/> Robyn Millar<input type="checkbox"/> Robyn Mortem<input type="checkbox"/> Vin Fordham Lamont<input type="checkbox"/> Yvette Wheatcroft<input type="checkbox"/> Anrie van Zyl

The workshop utilised the WA Risk Register Tool and the tailored Consequence Table for the Shire of Gnowangerup provided on the State Emergency Management Committee website.

Assessment Outcomes & Profile Analysis

A total of 240 risks were examined across the six hazards. Risks were rated as follows;

Risk Rating	Number of Risks
Extreme	14
High	60
Medium	45
Low	85
Very Low	6
Not Applicable	13

Table 1: Risk Rating Snapshot

Number Requiring Treatment	Number to Consider Treating	Monitor & Review
74	45	31

Table 2: Risk Status

Risks in relation to the State Core Objectives are;

Level of Risk	State Core Objectives				
	People	Economy	Public Administration	Social Setting	Environment
Extreme	6	7	1	0	0
High	11	23	17	5	0
Medium	1	14	17	10	3
Low	1	10	20	35	11
Very Low		3	2	1	

Common Themes

Common themes relating to **extreme** risks include;

- Risks to the **economy** through assets, infrastructure, crops and livestock as a result of fire.
- Risks **people** through a significant chemical substance (hazmat) incident in town.
- Risk to the economy through the impact of a biosecurity event impacting local businesses and crops.

Graph 2: Showing the percentage of risk statements per impact area for each hazard

Graph 3: Showing the risk profile for the Shire of Gnowangerup. This graph shows the risks plotted against the risk matrix. Along the top is the consequence level from Insignificant to Catastrophic. Along the left side is the likelihood level from Extremely Rare (less likely) to Almost Certain (more likely). In the top right corner of each box is the Risk Level. The boxes in the lower left are Very Low Risk going to Extreme Risk in the top right corner. The bars show the percentage of risk statements for each hazard for that box's consequence and likelihood level.

Graph 4: Showing the number of risk statements requiring action

Next Steps:

There are now two further stages required to continue the risk management process for the Shire of Gnowangerup:

Step 1: 45 risks have been identifies as 'Consider Treating', this means the LEMC will need to consider each risk at determine if it will either 'Treat' the risk or 'Monitor and Review' the risk.

Step 2: Treat Risks – this will be the process of determining and selecting treatments for the identified risks which require treatment.

Attachment 2: Credible Worst Case Scenarios

Biosecurity

AEP: 0.01324

Possible Scenario

The Great Southern region is currently experiencing unseasonably higher than normal winter temperatures and lower rainfall. Day temperatures are averaging 15°C and rainfall has been limited to less than 30mm in the past few weeks.

A local Ongerup farmer, seeding approximately 5000ha of wheat and 2000ha of barley, noticed that a majority of his wheat in the early stage of booting and some in the soft dough period had strange curled or rolled leaves. The leaves also showed signs of discoloration with distinct yellow, white and purple streaks. On closer inspection of one of the plants he noticed multiple small aphids at the base and sheaths of the younger leaves and inside the curled leaves of other plants.

The farmer phones his agronomist to enquire about his observations. After an initial inspection by the agronomist, he informs the farmer that he suspects that the tiny aphids could be Russian Aphids, but due to the fact that they have never been identified in WA, he needs to contact the Department of Primary Industries and Regional Development (former Department of Agriculture and Food WA). He takes samples and multiple photos to be sent to Department. Infestation seems severe with more than 20% of plants infested.

The farmer recently employed 2 backpackers that travelled from South Australia and were previously employed by a broadacre farm in Tarlee, SA.

The Department of Primary Industries and Regional Development confirms the RWA and declares RWA a Declared Pest under section 22(2) of the Biosecurity and Agriculture Management Act 2007.

Impacts & Vulnerabilities

- Lower yields = less income
- Economic impacts on local businesses and suppliers of agricultural products
- Wheat export markets
- Impact on other cereal crops, i.e. barley
- Job losses
- Loss of population in already vulnerable small country towns
- Closure of schools due to lack of numbers
- Higher input costs, due to spraying of infected crops if infestations exceeds the thresholds of 10% of plants through the high risk period of early booting to soft dough.

- Environmental impact: spraying for Russian Aphids could be harmful to other beneficial insects and killing of natural predators of aphids, allowing remaining aphids to multiply rapidly under the correct conditions.
- Possible increased aphid resistance if there is an increase in spraying.

Fire (Bushfire)

AEP: 0.01980

Scenario:

- Mid February morning
- Fire weather warning issued
- FDR - Catastrophic
- Total Fire Bans & Harvest Ban in place
- Dry lightning belt moves through the Shire
- Multiple grass fires north of Ongerup Township
- Minimal response resources available
- Winds strong and viable with trough line movement
- Students from Ongerup Primary evacuated to Ongerup Sporting Complex

Impacts & Vulnerabilities

- Road transport operators using networks
- Tourists with caravans and visitors to the Yongergnow Centre
- All small vehicle road commuters
- Farm owners
- Townsite residences or buildings in close proximity of dense bush
- Wildlife and domestic livestock
- Lack of turn around areas that can accommodate road trains
- Parking bays too small to handle a large number of road trains or heavy vehicles at the same time

Chemical Substance (HazMat)

AEP: 0.01600

Scenario

- A chemical delivery truck hitting an out of control 4-wheel drive on the main street of Gnowangerup, jack-knifed, spilling about 550 litres of liquid herbicide onto the road. The liquid herbicide has been identified as Paraquat.
- The accident occurred opposite the Shire of Gnowangerup's Administration Building and a local agricultural service supplier business.
- Approximately 550 litres of herbicide spilled onto the road and pavement of the local agricultural service supplier business on Yougenup Road. Approximately 10 to 15 shuttles of Paraquat are scattered on the road.
- The two occupants of the 4-wheel drive were not seriously injured, while the truck driver has been flown to Perth due to ingestion of the liquid pesticide while trying to stop the leakage of one of the shuttles. His condition is listed as critical.
- There is a possible threat to the community as liquid Paraquat is highly toxic if ingested.
- Businesses and residents in a 500m radius have been evacuated.
- The accident happened during one of busiest time of year – pre seeding in the district.
- Local Police, DFES, SES and St John Ambulance are assisting with incident.

Impacts & Vulnerabilities

- General public and staff of local businesses
- Temporary closure and evacuation of Gnowangerup District High School
- Access to fuel
- Tourists visiting the town
- Residents located in close proximity of the accident scene
- Environment being impacted by the hazardous material
- Emergency personnel involved in handling the incident
- Road network as Yougenup Road is main access route through town to access surrounding towns.
- Increased demand on emergency services, impacting on their availability to maintain core services
- Time for Fire & Rescue Response (Katanning, Albany)
- Time for clean-up (ex-Perth)

Road Crash

AEP: 0.03036

Scenario

- A school bus carrying 22 students and 2 adults driving from Katanning to Gnowangerup collided with a sheep carrier truck approximately 7km out of Gnowangerup, on the Gnowangerup-Broomehill Road, causing the livestock carrier to lose control and overturn. The school bus rolled multiple times before coming to a stand in a paddock.
- The accident happened around 4pm on a very cold Friday afternoon.
- Multiple injuries have been reported, with 7 students and the bus driver listed as critical. Fifteen other students and one adult are being treated for lacerations and broken bones.
- The most critical injured patients are being flown by helicopter and the RFDS to Perth for medical treatment. The driver of the livestock carrier only sustained minor injuries.
- Multiple injuries and deaths of livestock have been reported.
- It is further reported that escaped sheep are being herded to a secure location by a local farmer where they will be examined for any signs of injuries and stress by a veterinarian.

Vulnerabilities & Impacts

- Gnowangerup-Broomehill Road closed and traffic being diverted via gravel road, creating additional risk of accidents due to unfamiliar route, size and current condition of road
- Ambulance services are at capacity and assistance has been requested from neighbouring towns
- Gnowangerup hospital/ health services not equipped to handle amount of casualties involved in accident
- SES and bushfire volunteers on scene to assist with accident, leaving other core services vulnerable
- Difficult terrain with limited space to land emergency helicopter (trees)
- Communication problems due to lack of mobile coverage
- Darkness setting in and appropriate lighting a problem
- Emotional and stressed parents of students trying to reach the scene of the accident.
- Delay in available ranger and veterinarian services due to traveling from another location
- Exposure to the elements – cold
- Specialist services required to clean up scene of accident. Heavy machinery needed to lift truck and trailers off the road

Severe Storm

AEP: 0.01980

Scenario

- Mid Summer – 10:00am Tuesday 25 January 2018
- A low pressure system from the North moves over far SW of state early morning, extending to a line from Bunbury to Esperance later in the morning.
- A rain band extends through parts of the Great Southern and South Coastal districts with steady rainfall continuing through the area. The rainfall is expected to become Heavy again in the warning area overnight tonight and during tomorrow.
- Destructive wind gusts due to cyclones could exceed 150km/h.
- Daily rainfall totals up to 100-150mm are forecast.
- Heavy rainfall may cause localised flash flooding.
- Event likelihood: Likely to Possible, ~ once per 50 years.

Vulnerabilities & Impacts

- Major transport route closures – Borden-Bremer Bay Road, Chester Pass Road from Albany to Ongerup, Broomehill-Tambellup Road, Borden-Jerramungup-Gnowangerup Road and Formby South Road
- Fuel disruptions due to loss of power caused by fallen power lines
- Lack of ability to mobilise machinery needed to repair roads and remove fallen trees
- Lack of resources to undertake repairs
- Localised flooding of Gnowangerup Main Street and properties along the Gnowangerup Creek
- Temporary closure of hospital due to flooding
- Damage to Public Facilities and Services
- Residents isolated and some vehicles stranded in-between sections of roads due to impassable creeks and rivers
- Livestock in areas exposed to the elements without protection or cover
- Emergency response personnel

<input checked="" type="checkbox"/> St John Ambulance	<input type="checkbox"/> Volunteer Fire & Rescue
<input type="checkbox"/> Bushfire Brigade	<input type="checkbox"/> Other
4. **Date of exercise:** December 2018
5. **Exercise Aim:** To test local interagency radio communications
6. **Exercise Objectives:** (tick on completion of the objective)
 - Each emergency service to locate the emergency service channels within their radio program
 - Each emergency service to establish and confirm communications with multiple emergency services
 - Document the radio channel findings within the Local Emergency Management Arrangement Arrangements
7. **Key Lessons Learnt:** (e.g. where agencies able to locate and communicate on channels)
 - SES, WA Police were able to complete exercise
 - St John Ambulance – unable to complete due to radio incompatibility
 - Bushfire Brigades contacted but did not participate in exercise.
8. **Actions re Lessons Learnt:** (e.g.: is any further training or exercising required?)
 - More training required from DFES
 - Better liaison required from DFES
 - Should have had a DFES radio person on site to assist with exercise.
9. **Post Exercise Report:** (tick)
 - Sent to DEMC
 - Tabled at LEMC

Note: The Post Exercise Report was completed by Les Nayda (Gnowangerup SES Local Manager) as he conducted the Communications Exercise. Although the exercise was discussed and minuted at the March LEMC meeting, no formal report was completed. The now completed report will be tabled at the next LEMC meeting in June.

Good afternoon everyone

Due to unforeseen circumstances a number of the LEMC members are unable to attend this afternoon's scheduled LEMC meeting. As a result, there is serious doubt whether we will meet the required quorum for the endorsement of the newly drafted Local Emergency Management Arrangements (LEMA) and Recovery Plan. As the Local Emergency Management Arrangements and Recovery Plan needs to be tabled and endorsed before the Shire's next ordinary council meeting, an Out-of-Sessions Endorsement will have to take place.

This email will serve as an Out-of-Sessions request for LEMC members to support the following motion:

Motion:

That the Gnowangerup Shire's Local Emergency Management Committee endorse the Local Emergency Management Arrangements and Recovery Plan attached to this email. In addition to the aforementioned, that the Gnowangerup Shire LEMC recommends to Council that it adopts the Local Emergency Management Arrangements and Recovery Plan and that a copy of the Documents are forwarded to DEMC for noting.

LEMC members are requested to respond to the above motion by **close of business on the Wednesday the 12th June 2019**. Non response by a committee member by the above cut-off date will be considered as endorsement of the LEMA and Recovery Plan.

If you have any questions in relation to the above or need any additional information please do not hesitate to contact me on 9827 1007.

Dear Ms Pike

RE: LOCAL EMERGENCY MANAGEMENT ARRANGEMENTS

Thank you for providing a copy of the Shire of Gnowangerup's Local Emergency Management Arrangements (LEMA). The LEMA has been reviewed against the requirements of the *Emergency Management Act 2005* (the Act). I am pleased to advise that it meets the requirements.

The Shire of Gnowangerup's LEMA was tabled for noting at the 02 August 2019 SEMC meeting of the State Emergency Management Committee (SEMC) (Resolution No. 60/2019) in alignment with the State EM Preparedness Procedure. To increase the effectiveness of your arrangements please ensure the LEMA is available on your website and at your local government offices to encourage community familiarity, in accordance with section 43 of the Act.

It is commendable that you have worked with a broad range of stakeholders to achieve this milestone. Congratulations. Please pass on my thanks to your Local Emergency Management Committee for their contribution to the arrangements.

Emergency Management is premised on a shared responsibility between stakeholders, with each individual and agency playing a critical role in keeping themselves and others safe. The shared responsibility does not end with your LEMA being approved and I trust you will continue to work closely with others to continuously improve Emergency Management within the Shire of Gnowangerup.

I encourage you to visit the SEMC website (www.semc.wa.gov.au) to keep updated on SEMC meeting outcomes and updates on key state projects. Your District Emergency Management Advisor, Mr Adam Smith is available to provide information and tools to help you support the Shire of Gnowangerup.

Thank you for contributing to building a better prepared, safer and more resilient Western Australia.

Yours sincerely

Part 1 Introduction

1.1 Outline

Welfare is defined as providing immediate and ongoing supportive++++ services, to alleviate as far as practicable, the effects on persons affected by an emergency.

The *Emergency Management Act 2005* defines a Support Organisation as ‘a public authority or other person who or which, because of the agency’s functions under any written law or specialised knowledge, expertise and resources, is responsible for providing support functions.’¹.

The State WESTPLAN - Welfare is the responsibility of the Department for Child Protection and Family Support (the Department) as are each Local Emergency Management Plan for the Provision of Welfare Support, known as the Local Welfare Plan. This Local Welfare Plan outlines the arrangements that apply in local circumstances, and as far as is practicable is consistent with the arrangements detailed in WESTPLAN - Welfare.

The Department is committed to protect and care for children and young people who are in need, and support families and individuals who are at risk or crisis. This plan provides for a community centered approach to emergency management and will coordinate the resources required to support local emergency management arrangements. The extent of welfare support activity will, however, depend on the nature and magnitude of the emergency, and may require coordination at both the local and state level. The plan is based on the utilisation of existing local resources and to supplement these resources when required from the state level.

Terminology used in this plan has the meaning prescribed by Section 3 of the *Emergency Management Act 2005*, unless stated otherwise.

1.2 Aim, Objectives and Scope

This plan prescribes the arrangements for the provision of welfare support services during emergencies.

The objectives of the plan are to:

- Prescribe the organisation, concepts, responsibilities, mechanisms and procedures for all organisations involved in the delivery of emergency welfare support services;
- Outline the arrangements and structure for the coordination of emergency welfare support services, including resources, during emergencies; and
- Establish the principles for planning for the provision of welfare support at the local level.

The arrangements provide for both government and non-government agencies to operate cooperatively in a coordinated manner, in accordance with the roles and responsibilities outlined herein, using an ALL HAZARDS approach. Hazards refers

¹ *Emergency Management Act 2005, Part 1, Section 6 (4)*

to hazards defined under WESTPLANS e.g. WESTPLAN – Cyclone, WESTPLAN – Fire, WESTPLAN – Storm, WESTPLAN - HAZMAT.

Local Governments can elect to prepare their own welfare arrangements and appoint their own local welfare coordinators (Local Government Welfare Coordinators). If they do this in consultation with the Department, the Department's Coordinators referred to in this plan will revert to a support coordination role. See 3.1.3 Local Government Welfare Support Response below for more information.

If Local Governments elect to prepare their own welfare arrangements without consultation with the Department, Local Governments are responsible for their own costs.

To assist in coordinating the provision of welfare support services six functional areas have been identified: Emergency Accommodation, Emergency Catering, Emergency Clothing and Personal Requisites, Personal Support Services, Registration and Reunification and Financial Assistance.

1.3 Related Documents

Other documents related to this plan include:

- *Emergency Management Act 2005*
- State Emergency Management Policies

Part 2 Planning and Preparedness

2.1 Authority and Plan Responsibilities

The development and maintenance of this plan is allocated to the Department's District Emergency Services Officer, in consultation with members of the Local Emergency Welfare Coordination Group, if there is one.

This coordination group is an advisory, consultative and referral group to oversee and assist in the planning and operation of local level welfare support services. A contact list of the organisations that constitute the Emergency Welfare Coordination Group is provided in Appendix 2.

2.2 Exercise and Review Period

The Department's District Emergency Services Officer will ensure that this plan is exercised in accordance with the State Emergency Management Policy 3.1– Emergency Management Exercises (SEMP 3.1); i.e. the formal activation of this plan to respond to an emergency, or exercised at least annually.

This plan will be reviewed every two years, with Appendices and contact details reviewed quarterly and after each activation.

2.3 Responsibility for Preparedness

The responsibility for the preparedness for provision of emergency welfare services is based on the following:

- 2.3.1 The Department's Emergency Services Coordinator ensuring the Department's capacity to respond effectively to emergencies state-wide;
- 2.3.2 The Department's District Emergency Services Officers and/or Welfare Coordinators appointed by the Department's District Director managing this responsibility at the local level;
- 2.3.3 Emergency Welfare Coordination Groups assisting District Emergency Services Officers and/or Welfare Coordinators with their responsibilities at the local level;
- 2.3.4 Organisations that have designated responsibilities for each of the six welfare functional areas ensuring they have the capacity to effectively respond and provide support;
- 2.3.5 Other government and non-government agencies are identified to provide further support as required; and
- 2.3.6 Recognition that Local Government may appoint their own Local Government Welfare Coordinator to coordinate welfare services – see 3.1.3 Local Government Welfare Support Response below.

2.4 Organisational Roles and Responsibilities

Each of the six welfare functional areas is managed by the Department with the assistance of other organisations that have agreed to responsibilities under that functional area - see Appendix 3, Organisational Roles and Responsibilities. Where

an organisation is unable to meet its responsibilities, the Department shall, on being advised, make alternative arrangements.

In multi-agency responses Team Leaders for each functional area may be appointed, i.e. Registration Team Leader, Emergency Catering Team Leader.

All organisational staff and volunteers assisting the Department in accordance with this plan are required to comply with the Department's policies, including those relating to working with children, volunteers, Occupational Health and Safety and emergency management.

2.5 Planning and Arrangements

The six welfare functional areas are:

2.5.1 Emergency Accommodation – See Appendix 4

2.5.2 Emergency Catering – See Appendix 5

2.5.3 Emergency Clothing and Personal Requisites – See Appendix 6

2.5.4 Personal Support Services – See Appendix 7

2.5.5 Registration and Reunification -

- (1) Policy governing the delivery of this function is detailed in WESTPLAN - Registration and Reunification.
- (2) Welfare Coordinators need to be familiar with WESTPLAN - Registration and Reunification to ensure that arrangements are in place to activate it.

2.5.6 Financial Assistance - The provision of financial assistance to those affected by emergencies who are eligible and in need.

- (1) There are a number of financial assistance programs that may be put in place following a major emergency. The policy governing each of these programs may vary and is determined at the time of the emergency.
- (2) Financial assistance **may** include:
 - (a) The Western Australian Natural Disaster Relief and Recovery Arrangements (WANDRRA) - Personal Hardship and Distress Relief Payments;
 - (b) Other forms of emergency assistance available at the time.

2.6 Welfare Representatives and Coordinators

Welfare Coordinators are appointed as follows:

2.6.1 The Department's State Welfare Coordinator

The title "State Welfare Coordinator" is the Department's representative appointed by the Director General, and is responsible for the coordination of all emergency welfare support services at the state level.

2.6.2 The Department's Emergency Services Coordinator

The Emergency Services Coordinator is an appointed officer of the Department, whose function is to ensure the preparedness of the Department to carry out its emergency management functions. The Emergency Services Coordinator is the link between the Local Welfare Coordinators and the State Welfare Coordinator and, where applicable, with the relevant HMA/Controlling Agency.

2.6.3 The Department's District Welfare Representatives' responsibilities include the following:

- (1) The District Director, or proxy, to represent the Department on District Emergency Management Committees (DEMCs);
- (2) Ensure the arrangements of this plan are clearly understood at the district level;
- (3) Clarify the Department's policy on emergency welfare matters where required;
- (4) Refer matters of a contentious nature to state level for resolution; and
- (5) Represent the Department on Operational Area Support Groups (OASGs), as required in the response phase.

2.6.4 The Department's Welfare Coordinators

The Welfare Coordinator shall be a nominated officer of the Department within the Local Government area. Where the Department is not located within the Local Government area the Department, in conjunction with the LEMC, will formally appoint a suitable person as the Welfare Coordinator. The nominated person will be clearly identified in the respective local emergency management arrangements.

The responsibilities of the Welfare Coordinator include the following:

- (1) Establish and manage the activities of the Emergency Welfare Coordination Groups, where determined appropriate by the District Director;
- (2) Prepare, promulgate, test and maintain the Local Welfare Plans;
- (3) Represent the Department and the emergency welfare function on the LEMCs and Local Recovery Committees;
- (4) Ensure staff and volunteers of the Department and supporting agencies are trained and exercised in their welfare responsibilities;
- (5) Coordinate the provision of emergency welfare services during response and recovery phases of an emergency; and

- (6) Represent the Department on the Incident Support Group (ISG) when required in the response phase.

2.6.5 Local Government Welfare Coordinators – see 3.1.3

- (1) Local Government Welfare Coordinators are the nominated representatives of Local Governments. They assist the Department's Welfare Coordinators who have overall coordination of welfare services during emergencies.
- (2) Local Governments can elect to prepare their own welfare arrangements and appoint their own Local Government Welfare Coordinators. If they do this in consultation with the Department, the Department's Welfare Coordinator will act as a support to the Local Government Welfare Coordinator, and may activate the Local Welfare Plan, or components thereof, as requested by the Local Government Welfare Coordinator.
- (3) If Local Governments elect to prepare their own welfare arrangements without consultation with the Department, Local Governments are responsible for their own costs.

2.7 Special Considerations

2.7.1 Children, Organisations, Educational and Care Facilities

Organisations such as women's refuges, men's hostels, group homes; educational and care facilities with responsibility for the care, supervision or provision of services to children or their clients, should ensure plans are in place to maintain service provision during an emergency. Should they evacuate or otherwise attend a welfare centre, the organisations' supervisory staff must continue their responsibilities by remaining at the centre, continuing to supervise and provide services to their children or clients and liaising with the welfare coordinator at the centre. Children or clients are to be returned to parents or other responsible adults approved by that organisation.

During an emergency unaccompanied children without direct parental or responsible adult supervision should be brought to the attention of the Department; or evacuated to a welfare centre and into the care of the Department.

Services specifically for children and families, including child and family friendly spaces at Welfare Centres, should be considered at the local level and included in local emergency management arrangements.

2.7.2 Culturally and Linguistically Diverse, Vulnerable and other at risk and Special Needs groups

Culturally and Linguistically Diverse, Vulnerable and other at risk and Special Needs groups should be considered at the local level, and any specific local requirements included in the LEMAs.

The Department prioritises its response in line with its operational capacity and relies on those agencies or organisations which provide support to these groups to ensure they have suitable plans and response capabilities in place prior to an emergency to cater for these groups' needs.

2.8 Resource Support

The Department has the primary responsibility for coordinating the provision of welfare resources. Requests for additional resource support should be made by the Local Welfare Coordinator to the State Welfare Coordinator.

Where possible, all offers of assistance and donations, including donated goods and services, should be coordinated through the Local Recovery Committee to avoid duplication of effort and confusion. At the State Government level this will be undertaken through the State Recovery Committee. The Department shall be represented on both levels of recovery coordination where required.

2.9 Training

Training, both internally and inter-agency, will be advised by the member agencies of the Emergency Welfare Coordination Groups. Training is provided so staff and volunteers of the Department and supporting agencies are provided with opportunities to have the necessary skills to ensure the provision of services under this plan.

2.10 Community Information

In collaboration with Emergency Welfare Coordination Group members, community awareness and education strategies for dissemination of all relevant information into communities may be developed, and may include fact sheets, brochures and community guides.

Part 3 Response

3.1 Responsibility for Response

3.1.1 Control and Coordination

Overall control and coordination of the emergency welfare response rests with the Department through the designated State and Local Welfare Coordinators. The Department prioritises its response in line with its operational capacity and relies on all government agencies, and non-government agencies if available, to provide assistance when requested.

3.1.2 Support Agency Officers

During response/recovery activities Support Agency Officers are provided by each of the participating organisations to assist the Welfare Coordinator in the management of the welfare response. These Support Agency Officers will need to be located at the Welfare Centre as required, and the agencies are recorded in Appendix 2.

3.1.3 Local Government Welfare Support Response

In smaller, non-complex events, and in some regional and remote areas where Local Government Welfare Coordinators are elected, the Department's Welfare Coordinator will revert to a support coordination role. It is incumbent on the Local Government to officially record and formally notify the Department, and provide information the Department may require should a Local Government Welfare Coordinator be elected.

Any expenditure by Local Governments under this section would need to be requested and considered by the Department, prior to the financial cost being incurred as outlined in Section 3.8 Financial Arrangements for Response below.

The Department will support a Local Government in the welfare support response until any of the following actions were to occur;

- (1) The Local Government advises the Department that it was no longer able to adequately provide the welfare support response;
- (2) The welfare support response becomes a multi-agency and complex response requiring state level support; or
- (3) The Department's District Director or State Welfare Coordinator determines it is in the best interest of the community and/or the Department to assume the control of the welfare support response.

In any of the above actions, the Local Government should prepare a handover of all welfare support response information to the Department, who would then assume control of providing welfare support services.

3.2 Notification

The activation procedures detailed hereunder relate to local level arrangements, involving the Welfare Coordinator, the Local Government and the relevant Hazard Management Agency (HMA)/Controlling Agency.

- (1) The first indication that this support plan may need to be activated will come from one of two sources as follows:
 - (a) A HMA/Controlling Agency may identify the need to activate this support plan to help manage an emergency; and/or
 - (b) The Welfare Coordinator, based on information provided from the Department's Emergency Services Coordinator, may identify the need to activate this support plan.
- (2) Regardless of who first identifies the need, the HMA/Controlling Agency and the Welfare Coordinator shall confer and agree that the support plan should be activated. Once this decision is made the Welfare Coordinator shall activate and manage the plan accordingly.
- (3) The Department's Emergency Services Unit On Call Duty Officer should be contacted on 0418 943 835 to advise of the situation.

3.3 Stages of Activation

The plan will normally be activated in stages as per the Department's Standard Operating Procedures – see Appendix 12. In an impact event, for which there is no warning period, these stages may be condensed with stages being activated concurrently.

3.3.1 Stage 1 - Alert.

- (a) Participating organisations are alerted by the Welfare Coordinator;
- (b) Participating organisations alert their own personnel;
- (c) Additional information allowing organisations time to arrange preliminary preparations is provided;
- (d) Key personnel are briefed on action to be taken;
- (e) The Welfare Centre is prepared for activation if required; and
- (f) Establish liaison as appropriate with the HMA/Controlling Agency and/or Emergency Coordinator.

3.3.2 Stage 2 - Activation.

- (a) The Welfare Centre is activated if required;
- (b) Participating organisations are called out by the Welfare Coordinator and nominated Support Agency Officers proceed to the Welfare Centre;

- (c) Welfare Support services are provided under the coordination of the Welfare Coordinator;
- (d) Communications are maintained with the HMA/Controlling Agency, Emergency Coordinator, Welfare Coordinator and participating organisations; and
- (e) Welfare Support requirements are monitored and reviewed.

3.3.3 Stage 3 - Stand Down.

Stand Down is to occur when the decision has been made by the HMA/Controlling Agency and the Welfare Coordinator to close the welfare centre, and there are no more evacuees left in the centre. Welfare Support Services may continue beyond this time at the discretion of the Welfare Coordinator. Ongoing services will be monitored by the Department's Emergency Services Coordinator, and participating agencies will be responsible for submitting ongoing and debrief reports to the Welfare Coordinator.

- (a) Participating welfare organisations are informed of the stand down by the Welfare Coordinator;
- (b) Participating organisations stand down in accordance with relevant procedures for each organisation;
- (c) Organisations are to advise the Welfare Coordinator when stand down has been completed;
- (d) The Welfare Coordinator advises participating agencies of debriefing arrangements;
- (e) The Local Welfare Centre and/or Welfare Coordination Centre is closed down; and
- (f) The Welfare Coordinator conducts a debrief, prepares and distributes Post Operation Reports in accordance with SEMC Policy 4.3, see 3.9 Post Operation Report below. After an activation a review of this Local Welfare Plan is conducted by the District Emergency Services Officer.

3.4 Levels of Response

The activation of the Local Welfare Plan will be at the request of the HMA/Controlling Agency and/or by the Welfare Coordinator, see 3.3 Stages of Activation above. The level of response will be determined by the Welfare Coordinator on the basis of information supplied by the HMA/Controlling Agency or the Emergency Coordinator. The Welfare Coordinator, or suitable proxy, will attend and/or provide advice to the Incident Support Group (ISG) where required.

3.5 Incident Management System

The Department's staff and participating agencies will be familiar with the Australasian Inter-Service Incident Management System (AIIMS). However, current internal Department and participating agency management procedures shall continue to operate.

3.6 Public Information and Media Management

The HMA/Controlling Agency is responsible for the provision and management of public information during emergencies (Refer to State Public Information Emergency Management Support Plan). All non-welfare matters will be referred to the HMA/Controlling Agency.

The Department and other participating support agencies to this plan should only provide information to the public and the media on issues that are directly their responsibility. Departmental staff must have approval from the Department's District Director and Corporate Communications and Marketing before having contact with the media.

3.7 Activation of Other WESTPLANS in Support of This Plan

Other plans may be activated to support this plan including, but not limited to, WESTPLAN – Registration and Reunification and WESTPLAN – Recovery Coordination. The procedures for activating these plans are included in the respective plans.

3.8 Financial Arrangements for Response

Financial arrangements for activation of this plan will be as outlined in State Emergency Management Policy 4.2 Funding for Emergencies (SEMP 4.2), unless other arrangements are negotiated and approved by the State Welfare Coordinator. All expenditure under this plan must be approved by the Department's Emergency Services Coordinator.

3.9 Post Operation Reports

The Welfare Coordinator prepares and writes the Post Operation Report. Support agencies may be asked to provide feedback to the Department's Welfare Coordinator which may be used in the preparation of the Post Operation Report. The Post Operation Report is the Department's internal report and the whole report or parts thereof may be distributed to appropriate organisations and agencies.

Part 4 Recovery

4.1 Recovery Assessment

The *Emergency Management Act 2005* defines recovery as the support of emergency affected communities in the reconstruction and restoration of physical infrastructure, the environment and community, psychosocial, and economic wellbeing.

In order to facilitate the effective coordination of the welfare recovery process, it is essential that an assessment of the welfare recovery requirements be conducted as soon as possible after the impact of an event.

The Department is responsible for the provision of Welfare Support in the Response and Recovery phases of an emergency.

4.2 Responsibility for Recovery

Local Governments are responsible for managing recovery following an emergency affecting the community in its Local Government district, in accordance with WESTPLAN - Recovery Coordination.

The transition from Response to Recovery will be at the discretion of the Incident Controller of the HMA/Controlling Agency who should advise the Department of such transition as soon as possible.

Appendix 3 – Organisational Roles and Responsibilities

The provision of emergency welfare services requires the support of a number of statutory, private and voluntary organisations. These responsibilities are allocated on a state-wide basis and have been determined by agreement between the respective organisations, the State Welfare Emergency Committee and the Department.

The roles and responsibilities of each co-opted agency are negotiated with that agency at a local level to suit the capabilities and availability of welfare organizations. The roles and responsibilities are then reflected in this plan.

The allocated responsibilities do not restrict one organisation from assisting another, regardless of its primary role.

Should an organisation not be able to manage its primary role, support with that role may be requested from the Welfare Coordinator. Ultimately, the Department for Child Protection and Family Support is responsible for these functions where no Welfare Support Agency assistance is available, subject to Part 3 of this plan.

Please note the following List of Agencies are state level agencies as per the State Westplan – Welfare. DESOs will need to identify appropriate agencies at the local level; negotiate with each of them appropriate Roles and Responsibilities and record accordingly below. Please keep this list of agencies in alphabetical order.

Appendix 4 – Local Welfare Centres

The management of Evacuation is the responsibility of the HMA/ Controlling Agency in charge of the emergency. It is the responsibility of Local Governments to ensure the provision of facilities for use as Welfare Centres in an emergency (*DFES Local EM Arrangements Development Guide 2009 page 32*). The Department works in partnership with Local Governments and establishes and manages Welfare Centres on behalf of the HMA/Controlling Agency. The Department appoints a Welfare Centre Coordinator to coordinate welfare services at the Welfare Centre.

Emergency Accommodation is the provision of temporary shelter for persons rendered homeless by an emergency or due to evacuation from an emergency, ranging from short term emergency shelter to medium term accommodation determined by the Department.

Accommodation facilities, such as government owned or managed or private residential facilities may be utilised when available and appropriate. A list of pre-determined Welfare Centres should be negotiated and maintained by the Department's District Emergency Services Officer and is included in this Appendix, together with Appendix 4A Emergency Accommodation Services.

- (1) The provision of temporary shelter may take the form of a centre established and maintained to provide emergency welfare services to disaster affected persons, known as a Welfare Centre. Welfare Centres may include: Evacuation Centres, Relief/Recovery Centres (commonly referred to as 'One Stop Shops') and Accommodation Centres.
- (2) Welfare Centres are pre-determined by the Department in partnership with the Local Government/s' Local Emergency Management Committees (LEMCs). The LEMCs are to ensure Local Emergency Management Arrangements (LEMA) identify such facilities and existing infrastructure that are available for use by Emergency Management Agencies (including the Department) within their respective boundaries. In the event of a lack of facilities the LEMC are to note this in the LEMA's and advise the HMA/Controlling Agency to make alternative arrangements.
- (3) The pre-determined Welfare Centres are recorded on the State Welfare Centre Database which HMAs/Controlling Agencies have access to, in Local Governments' LEMAs and in relevant Local Welfare Plans.

The activation of which pre-determined Welfare Centre to utilise for all hazards is through consultation with the respective Local Emergency Coordinator, the HMA/Controlling Agency, the Department's Welfare Coordinator and the relevant Local Government to ensure the safety of evacuees, welfare centre staff and volunteers. Therefore, the Department will not establish Welfare Centres in Bushfire *Emergency Warning* areas, and will only establish Welfare Centres in Bushfire *Watch and Act* areas with the assurance of the HMA/Controlling Agency that it is deemed safe to do so.

The HMA/Controlling Agency must consult with the Department's Welfare Coordinator and the Local Government regarding the activation of Welfare Centres as part of the assessment of the integrity and suitability of buildings, particularly in cyclone areas and for other hazards such as storm surge and flood.

- (4) In smaller, non-complex events, and in some regional and remote areas where the Local Government Welfare Coordinator has been approved by the Department, any expenditure under this arrangement would need to be requested and considered by the Department prior to the financial cost being incurred, as outlined in Section 3.8 Financial Arrangements for Response above.

Where Local Governments elect to make their own arrangements to establish and manage Welfare Centres, without consultation with the Department, they do so **at their own expense**.

- (5) The Department will take responsibility for the premises utilised as Welfare Centres and shall exercise reasonable care in the conduct of its activities and agrees to replace or reimburse for supplies used in the operation of the Welfare Centre.

The Department staffs and operates Welfare Centres on behalf of the relevant HMA/Controlling Agency. In the event of any claim for unusual damage incurred as a result of the use of facility as a Welfare Centre, the Department will facilitate processes with the HMA/Controlling Agency to respond to the claim.

The owner/s of the facilities agree to utilise their building insurance, in the event of damage resulting from the actual disaster event to the structure of the building.

The Department will utilise contract cleaners or pay for the use of the usual cleaners to restore the facilities directly utilised as a Welfare Centres back to serviceable condition.

- (6) In some circumstances the HMA/Controlling Agency may need to exercise powers within the *Emergency Management Act 2005* to acquire such suitable facilities for use in the event of an emergency (as deemed necessary).

Please note the following:

- In the event of an evacuation, people may make their own accommodation arrangements e.g. stay with family or friends locally (if this is safe) or in another town.
- Some special groups may need their own secure section in a welfare centre, or a separate welfare centre.
- Organisations, educational and care facilities, e.g. aged, special needs, with responsibility for the care, supervision or provision of services to children or

their clients, should ensure plans are in place to maintain service provision during an emergency. Should they evacuate or otherwise attend a welfare centre, the organisations' supervisory staff must continue their responsibilities by remaining at the centre and continuing to supervise and provide services to their children or clients, liaising with the welfare coordinator at the centre. Children or clients are to be returned to parents or other responsible adults approved by that organisation.

- Welfare centres will only accept Assistance Dogs e.g. Guide Dogs, "Hearing" Dogs and Disability Aid Dogs.
- If a school needs to evacuate they would try to evacuate to another school as a first option. Schools would use resources within the school such as gym mats, blankets if they had them, any food in school canteens etc. However if these resources weren't available and the Department had spare items, these items would be shared with the school. If schools and the Department didn't have these resources available, the Department would share any information on sourcing items from Appendices in this Local Welfare Plan.

See over for the list of Pre-determined Welfare Centres.

Appendix 4A – Alternative Accommodation Services:

In the event of an evacuation, people may make their own accommodation arrangements e.g. stay with family or friends locally (if this is safe) or in another town.

If a small number of people were required to evacuate the Department would explore alternative arrangements, depending upon the situation at the time. This may include a range of options such as commercial and private facilities. PLEASE ENSURE ACCOMMODATION PROVIDERS HAVE ABNs – providers cannot receive payment without one.

Please contact the On Call Duty Officer of CPFS's Emergency Service Unit – 0418 943 835 – to seek approval for use of commercial accommodation.

In a larger emergency CPFS may need assistance in organising accommodation for evacuees and ADRA can assist with this in designated areas. If additional help is required please contact the On Call Duty Officer of CPFS's Emergency Services Unit – 0418 943 835 and the Officer will activate ADRA if appropriate.

Appendix 13 – Glossary

In accordance with SEMC State Emergency Management Plans Development Guide, only terms and acronyms used in this document which are not identified in the Emergency Management Western Australia Glossary are included here.

EMERGENCY SERVICES COORDINATOR – an appointed officer of the Department for Child Protection and Family Support authorised to activate responses to emergencies and approve emergency expenditure and utilisation of resources to meet the emergency welfare requirements.

FUNCTIONAL TEAM LEADER (Usually within the Local Welfare Centre) – a person tasked to coordinate the delivery of service provision for one of the 6 (six) Welfare defined functional areas (Accommodation, Catering, etc). The term Functional Team Leader relates to the specific task to be performed not the title of the incumbent (i.e. the Functional Team Leader may be a Department Team Leader, Manager, Project officer but is performing the task of Functional Team Leader)

LOCAL GOVERNMENT WELFARE COORDINATOR – the nominated representative of the Local Government Authority which has elected to assume the responsibility to coordinate the welfare response during emergencies, and liaise with the Welfare Coordinator of the Department.

REGISTRATION – The process of accurately recording on registration forms appropriate details of all persons affected by an emergency and who are temporarily in a Welfare Centre or other location under the authority of the Emergency Services.

STATE WELFARE COORDINATOR – the nominated representative of the Director General, Department for Child Protection and Family Support, with the responsibility to coordinate the welfare response to emergencies.

SUPPORT AGENCY OFFICER – are officers from each Welfare Support Agency provided to the Department to assist in the management of the welfare response, as outlined in Section 3.1.3 of this plan.

WELFARE CENTRE – any centre established for the purpose of provision of emergency welfare support services to persons affected by an emergency. The facility may be named an Evacuation Centre, Accommodation Centre, Relief Centre, Recovery Centre, One-Stop-Shop or other name as appropriate. For the purposes of this plan all such facilities are classified as a Local Welfare Centre.

WELFARE CENTRE COORDINATOR – a person appointed by the District Director or Welfare Coordinator to manage the functioning of a Welfare Centre. Usually a senior Department for Child Protection and Family Support staff member.

WELFARE COORDINATOR – are the Department's staff member appointed by the District Director for the Department and have responsibilities as outlined in Section 2.6 of this plan.

WELFARE SUPPORT AGENCY – a participating organisation whose response in an emergency is to provide assistance to functions under this plan.

To practise the capability and capacity to set up and operate a local welfare evacuation centre for a significant local emergency.

Preparing Authority:

Neville Blackburn, Great Southern District Emergency Services Officer, Department of Communities

Timing and Venue:

Tuesday the 19th November 2019 at the Albany Leisure and Aquatic Centre (ALAC), 51-70 Barker St, Albany. (Participants to enter via rear of building – basketball courts 5,6 & 7)

9:30hrs	Arrival and registration of exercise participants
10:00hrs	Exercise Briefing and notional activation
10:30hrs	Stage 1 - opening and operating of a Local Welfare Evacuation Centre - DC and agency staff and volunteers
11:15hrs	Questions and contentious issues
11:45hrs	Stage 2 - extended/overnight operating and closing of a Local Welfare Evacuation Centre - DC and agency staff and volunteers
12:30hrs	Exercise debrief - verbal feedback from exercise participants and completion of 'Exercise Feedback Form'
13:15hrs	Lunch & Finish

Exercise objectives:

- To demonstrate the activation of a Local Emergency Welfare Plan, using Department of Communities' Standard Operating Procedures (SOPs) and the Local Welfare Coordinator Activation Checklist.
- For Department of Communities' and other agency staff and volunteers to set up and operate a local welfare evacuation centre to provide welfare services.
- Provide a debriefing to all staff and volunteers.

Exercise Format:

- This field exercise is a learning opportunity for all participants.
- It will take place in a simulated operational environment, requiring participants to actually perform particular functions associated with activation of a Local Emergency Welfare Plan.
- Information for the exercise will be presented at intervals by the exercise team.
- Reasonable assumptions can be made in relation to human and other resources that would normally be available at the time.
- Participants are asked to operate within the bounds of local and state emergency management arrangements.
- The activation of the Departments Local Emergency Welfare Plan will be demonstrated at the beginning of the exercise.

References:

This exercise has been developed using the following references:

- Emergency Management Act 2005
- State Emergency Welfare Plan
- DC's Local Emergency Welfare Plan for the City of Albany
- The City of Albany's Local Emergency Management Arrangements (LEMA)

Identification, appropriate Clothing, kits and/or resources:

All staff and volunteers are reminded to come prepared to work in a local welfare evacuation centre by:

- wearing comfortable clothing and closed-in shoes – consider weather conditions,
- having necessary items only eg mobile phone, pen, paper – please do not arrive with bags/handbags as there is no where to store them for the exercise or a real event,
- wearing your agency tabard or name badge, or bring personal ID eg driver's licence,
- bringing your agency kit and/or resources, if your agency has one.

Safety Procedures:

For the exercise – there will be a safety officer as part of the exercise team and safety issues either prior, during or after the exercise will be dealt with at the time.

Risk assessment – one potential risk is walking around the Centre. This can be minimised by all participants being observant and raising any potential safety issues or attending to them immediately. A person will be delegated to conduct a safety check of the Centre as part of the exercise.

MOST IMPORTANT

In the event of a real emergency, or unsafe situation or accident during the exercise, the words “**NO-DUFF**” will be shouted out by the Exercise Team or a participant. Standard emergency procedures will be followed. If the situation is dealt with successfully, the exercise may be re-started if is considered safe and appropriate by the exercise team.

Communications:

All communications will commence with Exercise “Bremer Bay Fire” both internally and externally.

Conclusion of the exercise:

It is planned that the exercise will conclude with an exercise debrief at 12:30 hours. The exercise debrief is to assess what worked well and what components need improvements for future situations and incidents, with verbal feedback from the exercise team and exercise participants. Exercise participants will be asked to complete an Exercise Participants Feedback Form to provide more feedback on the exercise.

PURPOSE OF THE REPORT

To appoint members to committees for the remainder of 2019, 2020 & 2021.

BACKGROUND

Appointment as a Council representative on committees, planning and working groups ceased at the Ordinary Local Government Elections on 19th October 2019. It is therefore necessary to appoint members to committees.

COMMENTS

Council Committees

In accordance with section 5.8 of the Local Government Act 1995, Council may convene committees of 3 or more persons, for the purpose of assisting the Council and to exercise powers and discharge of the duties of the local government that can be delegated to committees. In addition, Council may be compelled or may determine to convene a committee for the purpose of fulfilling obligations prescribed by other statutes relevant to the operations of a local government.

The committees of Council are required to be appointed by an absolute majority of council.

AUDIT COMMITTEE	
Purpose	A committee appointed to assist Council in decision making on audit, finance and risk matters in accordance with the Local Government Act and any other relevant Acts or Regulations.
Membership	All Councillors
Quorum	Five (5) Elected Members
Meeting Frequency	At least quarterly every financial year.
Reporting	The Audit committee has delegated authority and power under Delegation 1.1.1 to meet with the Local Governments Auditor at least once per year to examine the report of the auditor and to determine if any matters raised by the report require action to be taken by the Shire and to ensure that appropriate action is taken in respect

	of those matters
Responsible Officer	Chief Executive Officer

CHIEF EXECUTIVE OFFICER PERFORMANCE REVIEW COMMITTEE	
Purpose	The CEO Review Committee is to annually review the CEO's performance in accordance with the appropriate provisions contained within the CEO's employment contract. In addition the committee is to review the key performance indicators to be met by the CEO, review the CEO remuneration package in accordance with the appropriate provisions within the CEO's employment contract and make recommendations to Council in relation to varying the contract as and when necessary.
Membership	All Councillors
Quorum	Five (5) Elected Members
Meeting Frequency	Annually in July
Reporting	The committee reports as required to a subsequent Ordinary Meeting of Council. There is no delegated authority attached to this committee.
Responsible Officer	Deputy Chief Executive Officer

LOCAL EMERGENCY MANAGEMENT COMMITTEE	
Purpose	<p>LEMC is established in accordance with section 38 of the Emergency Management Act 2005 which obligates local governments to establish this committee. The operational requirements for the Local Emergency Management Committee are not prescribed within the legislation and the requirements of the Local Government Act 1995 do not apply. The Shire will therefore manage the operations of the Local Emergency Management Committee in general accordance with the following requirements:</p> <ul style="list-style-type: none"> • Meetings to be called and convened by the Shire of Gnowangerup • Quorum to be a minimum of 5 members • Decisions to be made by simple majority • Notices of meeting, agenda and minutes to be distributed in a timely manner to members. There is no requirement for publication in accordance with the local government Act 1995 s5.25, Admin Regulation 13 &14. Declarations of interest to accord with Local Government Act 1995, s5.60-s5.73 • Council's code of conduct shall apply. • The Local Emergency Management Committee has no decision making authority and may only make recommendations to Council.

Other Committee Members	Emergency Services representatives such as SES, WA Police, Fire Brigade rep, State Governments, Department of Child Protection, Manager of Works (Infrastructure)
Meeting Frequency	Four times per year in the months of December, March, June and September. Other Meetings as required
Reporting	The committee shall report to the next available Ordinary Meeting of Council with the recommendations arising from the LEMC Meeting for Council consideration.
Responsible Officer	Deputy Chief Executive Officer

State-wide and Regional Based Committees

In many cases such appointments to these committees are because the Shire has a financial interest, pays a subscription, or is required under State legislation to have a representative. These organisations are generally not local or community based organisations and have terms of reference that relate specifically to the organisation. Generally such organisations are auspiced by other organisations such as Main Roads WA etc.

Membership is based on subscription or by invitation by the relevant Minister.

STATE WIDE OR REGIONAL ORGANISATIONS
WALGA Great Southern Zone Region
Regional Road Group
Great Southern Recreation Advisory Group
Great Southern Treasures
Great Southern Development Commission
Great Southern – Joint Development Assessment Panel Representatives (JDAP)*

* *The Shire is required to nominate 4 local members to the Great Southern Joint Development Assessment Panel. Local members are local government councillors with 2 councillors as members, and 2 deputy local members to be called on if an issue of quorum arises.*

The Minister will appoint the local government representatives in accordance with the local government's nomination. Should the local government fail to nominate four representatives, the Minister has the power to appoint 2 alternative community representatives to ensure local representation is always present on a panel. The regulations require that these alternate representatives are residents of the local area and have relevant knowledge or experience that, in the opinion of the Minister, will enable them to represent the interests of their local community.

Councillors appointed to these State wide or regional organisations have a requirement to report periodically to Council on the activities of these organisations and to bring recommendations and issues relating directly to the Shire of Gnowangerup to the next ordinary Council meeting.

Shire based Organisations

To appoint members to various advisory groups and committees run or managed by external organisations or organisations where the Shire has a social and economic or financial interest.

The shire is requested to appoint Councillors to represent the Shire on a range of groups and committees run by external organisations. The Shire appoints Councillors as delegates to these external groups and committees by way of membership or invitation. A Councillor appointed as a delegate to an external or advisory committee is required to adhere to the Records Keeping Act 2000. Councillors are required to report to Council on a regular basis about the activities of the committee.

PURPOSE OF THE REPORT

For Council to consider waiving the hire fee for the Gnowangerup Town Hall on Saturday, 19th October 2019 in relation to the proponent's Garage Sale event.

BACKGROUND

Edith Robertson and Tara McDonald are coordinating the Garage Sale on the 19th October 2019. They have coordinated this event on previous occasions. On 10th September 2019, Edith submitted a Customer Service form to the Shire requesting that the hall hire fee of \$204.55 (incl. GST) be waived. The CEO has no delegation from Council to waive fees over \$200 so the request has been brought to Council to determine.

This matter was brought to the attention of Council at its Councillor & Executive Workshop on 11th September 2019 for discussion.

COMMENTS

The Garage Sale Trail is an annual recycling initiative which is happening right across Australia on Saturday 19th & Sunday 20th October 2019. The Shire of Gnowangerup initially ran this event for a couple of years but declined to continue doing so due to the escalating costs associated with being part of the program.

The proponents then decided to coordinate a similar event that is not under the Garage Sale Trail umbrella, and the hall hire fees have been waived since that time.

LEGAL AND STATUTORY REQUIREMENTS

Local Government Act 1995

6.12. Power to defer, grant discounts, waive or write off debts

(1) Subject to subsection (2) and any other written law, a local government may —

(a) when adopting the annual budget, grant* a discount or other incentive for the early payment of any amount of money; or

(b) waive or grant concessions in relation to any amount of money; or

(c) write off any amount of money, which is owed to the local government.

* *Absolute Majority required.*

POLICY IMPLICATIONS

Nil

FINANCIAL IMPLICATIONS

By waiving this fee, Council will forgo income of \$195.95 (\$204.55 less GST). The 2019/2020 budget includes an income allocation of \$300 (GL account 31003), of which \$78.82 has already been received. Any potential shortfall in the annual budget allocation is considered immaterial.

ALTERNATE OPTIONS AND THEIR IMPLICATIONS

Decline the request to waive the hall hire fees. Council would receive additional income but could suffer reputational loss as this is a community not for profit event.

- New draft policy: Employee Leave - Other

PURPOSE OF THE REPORT

For Council to adopt a new Employee Leave - Other policy and approve its inclusion into the Shire of Gnowangerup Policy Manual.

BACKGROUND

The Local Government Industry Award (LGIA) does not recognise paid leave for emergency volunteer service of local government employees. Emergency services volunteer numbers are decreasing as they are for all volunteers in the community. It is considered that these services are integral to the community and that Shire employees who wish to volunteer in these areas should be encouraged to do so.

COMMENTS

The Shire now employs several staff members who are active emergency services volunteers. It does not seem appropriate that they are financially disadvantaged by providing an essential service to the community.

CONSULTATION

Input was sought from neighbouring local governments, including the Shire of Broomehill-Tambellup, which indicated that a similar policy is used throughout the industry.

LEGAL AND STATUTORY REQUIREMENTS

Local Government Act 1995

Section 2.7(2)(b) Role of Council

POLICY IMPLICATIONS

The new Employee Leave - Other policy will be added to the Policy Manual.

FINANCIAL IMPLICATIONS

No direct financial implications, although relevant employees will be paid for the small amount of time they are engaged in approved volunteer activities.

STRATEGIC IMPLICATIONS

Strategic Community Plan

Theme: Our Community

Objective: Assist in building the sustainable management of local organisations and community groups.

Strategic Initiative: Support and encourage opportunities for local volunteering.

STRATEGIC RISK MANAGEMENT CONSIDERATIONS:

Nil

IMPACT ON CAPACITY

There will be a degree of impact on capacity due to employees being out of the office in times of emergency. Other team members are supportive of this policy and will cover the absence of those volunteers.

ALTERNATE OPTIONS AND THEIR IMPLICATIONS

Council could choose not to adopt the new policy. This could result in a reputational risk for Council and could also affect the ongoing viability of local small emergency services groups.

CONCLUSION

The draft policy allows for employees to be paid for the time they spend out of the office as part of their volunteer duties for approved emergency services organisations. It also sets out limits and conditions associated with these activities.

- New draft policy: Non-Current Assets

PURPOSE OF THE REPORT

For Council to adopt a new Non-Current Assets policy and approve its inclusion into the Shire of Gnowangerup Policy Manual.

BACKGROUND

The management of non-current (fixed) assets is comprised of physically maintaining and renewing them, as well as recording them correctly in relevant financial systems. Much of the physical responsibility of asset management sits with the Asset & Waste Management Coordinator, while the Senior Financial Officer looks after the financial recording.

As a result of recent advice from the Office of the Auditor General (OAG), the Shire's Auditor, AMD, has requested that its auditors sight an appropriate policy to guide the recording of non-current assets.

COMMENTS

Changes to the *Local Government (Financial Management) Regulations 1996* now mean that Local Governments are required to take steps to protect portable and attractive assets, which would otherwise fall under the recognition of asset threshold of \$5,000. These items are considered to be at high risk of being lost or stolen and, consequently, need to be recorded and inspected on a regular basis.

The draft policy includes guidelines in relation to:

- The Shire's asset hierarchy;
- Capitalisation of assets;
- Grouped (or network) assets;
- Portable and attractive assets register; and
- Asset revaluation.

The draft policy also complies with *Australian Accounting Standards AASB 116 - Property, Plant and Equipment*.

ADOPTED POLICY	
-----------------------	--

Title:	NON-CURRENT ASSETS POLICY
Objective:	To provide guidance on the accurate recording of the Shire's non-current assets.

1. Definitions

Non-Current Assets:

- (a) An asset that is not to be converted to cash within 12 months of the balance sheet date.
- (b) A resource that is not expected to be consumed or sold within the normal operating cycle of the shire, such as equipment, machinery and plant.

Capitalisation:

- (a) Capitalisation is an accounting method in which a cost is included in the value of an asset and expensed over the useful life of that asset.

2. Asset Hierarchy: All non-current assets have been grouped into classes for financial reporting and asset management planning purposes. All asset details have been recorded in SynergySoft and include the following:

- 2.1. Asset class, subprogram and location;
- 2.2. Whether the asset is considered individually or grouped (for capitalisation purposes);
- 2.3. Date of Acquisition;
- 2.4. If depreciation is applicable, the rate applied;
- 2.5. Whether the asset meets the capitalisation threshold of \$5,000.

3. Capitalisation of Assets: Before a transaction for a new or existing asset is capitalised, it is important that the expenditure is assessed to ensure its correct financial treatment.

- 3.1. Initial Recognition: A non-current asset cost must exceed the capitalisation threshold of \$5,000 ex GST.
- 3.2. Subsequent expenditure to the initial acquisition cost is to either be expensed as maintenance and/or repair costs, or capitalised against the asset if the expenditure extends the useful life of the asset by a period greater than 12 months.
4. Grouped/Network Assets: Based on the *Local Government (Financial Management) Regulations 1996*, subsection 17A(5), "*An asset is to be excluded from the assets of a local government if the fair value of the asset as at the date of acquisition by the local government is under \$5000.*"
5. The Shire has taken the approach of still recognising homogenous assets that fall below this threshold by treating these items as a grouped or network asset. Grouped or network assets are groups of homogenous type assets where individually each asset falls below the capitalisation threshold but when considered as a whole are material in value and should therefore be recorded in the Statement of Financial Position.
6. Criteria to be considered are as follows:
 - Items being considered are below the recognition threshold on an individual basis yet when considered as a whole are material;
 - Individual items are homogenous in nature and typically purchased or constructed at the same time; and
 - Useful lives, consumption patterns, or material type of individual items are comparative.

There may be circumstances where a number of interchangeable components make up various configurations to form a group or network. In such instances it may be appropriate for each item to be recorded separately despite having a value of less than the threshold.

This is supported by AASB 116, Section 45: *A significant part of an item of property, plant and equipment may have a useful life and a depreciation method that are the same as the useful life and depreciation method of another significant part of the same item. Such parts may be grouped in determining the depreciation charge.*

7. Portable and Attractive Asset Register: Portable and attractive assets are the lower value assets (less than \$5,000 in value and not considered a Grouped/Network asset), which because of their nature and portability, carry a higher risk of being misused or stolen.

Assets that have been identified as portable and attractive and not recorded on the Asset Register will be recorded in the In House Developments section of SynergySoft under Minor Tools Register. This will ensure that these assets are appropriately documented and periodically reviewed to assist in the prevention of loss or misuse.

The Portable and Attractive Asset Register includes:

- Asset Description, i.e. mobile phone, landscaping or cleaning equipment, etc.;
- The asset's serial number or other appropriate identifier;
- Asset Register number;
- Location;
- Purchase date and price of the asset;
- Disposal date of the asset.

8. Asset Revaluation: All asset classes that are in the Shire's asset registers, and are recorded in the financial statements, are subject to revaluation. The Shire re-values its' assets in line with the Local Government (Financial Management) Regulations 1996 Section 17A.

All assets are revalued within a period of at least 3 years but no more than 5 years from the previous revaluation, or where the asset is likely to materially differ from its carrying amount.

PURPOSE OF THE REPORT

For Council to consider the offer from the proponents to purchase the property located at 3396-3410 Broomehill-Gnowangerup Road, Gnowangerup.

BACKGROUND

On 25 September 2019, the Shire received a letter from the proponents (see Attachment 1) offering to purchase 3396-3410 Broomehill-Gnowangerup Road, Gnowangerup. The property is currently rented to Garry and Caroline Richardson on a periodic tenancy basis. Clause 41 below pertains to the ending of the lease:

41. If this agreement is a periodic agreement it may be ended:
- 41.1 by agreement in writing between the lessor and the tenant; or
 - 41.2 by either the lessor or the tenant by giving written notice of termination to the other party. The notice may be given at any time. The lessor must give at least 60 days' notice and the tenant must give at least 21 days' notice.

The proponents' offer allows for the current tenants to remain at the property for as long as they wish. The tenants are renting this property while they wait for their new house to be built.

COMMENTS

Section 3.58 of the *Local Government Act 1995* (the Act) provides for several different methods of disposing of Council property.

Subsection (2) states that:

Except as stated in this section, a local government can only dispose of property to —

- (a) the highest bidder at public auction; or
- (b) the person who at public tender called by the local government makes what is, in the opinion of the local government, the most acceptable tender, whether or not it is the highest tender.

Subsection (3) states that:

A local government can dispose of property other than under subsection (2) if, before agreeing to dispose of the property —

(a) it gives local public notice of the proposed disposition —

(i) describing the property concerned; and

(ii) giving details of the proposed disposition; and

(iii) inviting submissions to be made to the local government before a date to be specified in the notice, being a date not less than 2 weeks after the notice is first given; and

(b) it considers any submissions made to it before the date specified in the notice and, if its decision is made by the Council or a committee, the decision and the reasons for it are recorded in the minutes of the meeting at which the decision was made.

Recently, Council disposed of a property in Ongerup using the method described in section 3.58(3) of the Act. Officers recommend that Council uses this method for the sale of 3396-3410 Broomehill-Gnowangerup Road, Gnowangerup.

CONSULTATION

The proponents have confirmed verbally that they are aware that full details of their offer will appear in the public advertisement, including the cash offer amount, if Council approves the officers recommendations.

LEGAL AND STATUTORY REQUIREMENTS

Local Government Act 1995

Section 3.58 Disposing of Property

POLICY IMPLICATIONS

Nil

FINANCIAL IMPLICATIONS

Council has not budgeted for the sale of this property, so the proceeds less costs will be surplus to the budget. These funds should be placed in the Land Development Reserve.

The 2019/2020 budget includes the following operating expenditure relating to the subject property:

- Account 23192 Building Maintenance \$2,490
- Account 23202 Building Operations \$9,499

The 2019/2020 budget also includes the following income relating to the subject property:

- Account 23013 Rental \$12,330

A portion of all these income and expenditure items will be forfeited if the subject property is sold. The net result would be a non-material budget variance.

It is recommended that any future offer and acceptance should stipulate the purchaser pay all associated costs associated with the transaction.

STRATEGIC IMPLICATIONS

Theme: Financial Sustainability

Objective: Effective management to conduct business in a financially sustainably manner

Strategic Initiative: Manage liabilities and assets through a planned, long-term approach

STRATEGIC RISK MANAGEMENT CONSIDERATIONS:

Nil

IMPACT ON CAPACITY

Nil

ALTERNATE OPTIONS AND THEIR IMPLICATIONS

Council can choose not to dispose of 3396-3410 Broomehill-Gnowangerup Road, Gnowangerup. This is not recommended as the property is considered surplus to the Shire's needs.

CONCLUSION

Council is currently constructing two houses for key worker accommodation. It will also have access to two other Shire houses (12 and 40 Corbett Street, Gnowangerup), which come out of long-term leases with GROH in 2022 (2023 if a 1-year option is exercised), and OPTEON SOLUTIONS have advised that the valuation provided in January 2019 is in the region of its current market value.

Officers believe the offer that has been made by the proponents represents a fair price for the subject property and recommend that the offer be advertised.

VOTING REQUIREMENTS

Simple majority

OFFICER RECOMMENDATION:

1019. That Council

1. Authorises the CEO to

- **Advertise the offer to purchase 3396-3410 Broomehill-Gnowangerup Road, Gnowangerup, pursuant to section 3.58(3) of the Local Government Act 1995; and**
- **advise the proponent that Council will consider any submissions regarding the advertisement before making the decision on whether to sell.**

2. Resolves that the valuation for the property prepared by OPTEON SOLUTION in January 2019 is believed to be still a true indication of the value of the property pursuant to section 3.58(4)(c)(ii), and will be included in the advertisement referred to in (1) .

2.0 Location

The subject property is situated on the western side of Broomehill-Gnowangerup Road within the Gnowangerup town site. The subject property is located in a well-established residential neighbourhood, comprising predominantly dwellings of varying age and style. The Gnowangerup Central Business District is about 1.5 kilometres to the south.

Gnowangerup is the district centre for the Gnowangerup Shire, having a population of approximately 1,500 people and being located approximately 155.00 kilometres north east of Albany, 350.00 kilometres south east of Perth and 60.00 kilometres south east of Katanning. The town has a district high school and primary school, a small hospital, recreational facilities, service industries and shops. The nearest major centre is Katanning, to the north east of Gnowangerup, which is a major stock selling for the Great Southern Region. Albany, to the south, is the main regional centre for the Great Southern and South Coastal Regions of Western Australia and provides the major services to the region. The town of Gnowangerup provides all the services expected of a district centre including primary and high school facilities, local shopping, a hospital and recreational facilities.

6.0 Environmental Issues

Environmental Issues	We note that the property is designated as being located within a designated "Bushfire Prone Area". This has been put in place to ensure that any proposed development, be it construction of new dwellings or extensions, ensures best practices for increased protection in the event of a bushfire. This designation has little practical effect on existing buildings, however if the building is destroyed and requires reconstruction a new construction would require abiding by regulations put in place. We recommend the lender has adequate reinstatement insurance for the term of the loan for the improvements as listed.

9.0 Market Evidence

9.1 Sales Evidence

In forming our opinion of value we have had regard to various sales transactions, a selection of which are detailed below.

Address	Sale Date	Sale Price
7 Hughes Street, Gnowangerup, Western Australia	04-Oct-18	\$253,000
Brief Description	A 1,012 sqm site with good quality 2013 hardiplank and colorbond 4 bed, 2 bath home of 174 sqm plus double garage and alfresco.	
Transaction Status	Settled	
Comparison to Subject	Comprises a smaller allotment. Similar accommodation. Comprises a smaller dwelling. Superior dwelling quality. On balance, considered indicative of the market value of the subject property.	
17 Railway Crescent, Gnowangerup, Western Australia	18-Sep-17	\$237,000
Brief Description	A 1,987 sqm site with modern hardiplank and colorbond 3 bed home of average size plus verandahs and detached double garage.	
Transaction Status	Settled	
Comparison to Subject	Comprises a similar size allotment. Inferior accommodation. Appears to comprise a smaller dwelling. Inferior dwelling quality. On balance, considered inferior to the subject property.	
35 McDonald Street, Gnowangerup, Western Australia	22-Feb-16	\$277,500
Brief Description	A 1,012 sqm site with good quality colorbond clad and roofed 4 bedroom, 2 bathroom home with living area of approximately 185 sqm plus verandah with deck, rear patio and tandem carport under main roof, plus double garage accessed from rear lane.	
Transaction Status	Settled	
Comparison to Subject	Comprises a smaller allotment. Similar accommodation. Comprises a smaller dwelling. Similar dwelling quality. Similar added value of ancillary improvements. On balance, considered indicative of the market value of the subject property.	
48 McDonald Street, Gnowangerup, Western Australia	15-Nov-18	\$210,000
Brief Description	A 951 sqm site with 1994 hardiplank and iron 3 bed, 2 bath home of average size, in original condition, plus double garage and small shed.	
Transaction Status	Settled	
Comparison to Subject	Comprises a smaller allotment. Slightly inferior accommodation. Appears to comprise a smaller dwelling. Inferior dwelling quality. On balance, considered inferior to the subject property.	

15 Lancaster Road, Jerramungup, Western Australia	31-Aug-18	\$220,000
Brief Description	A 1,222 sqm site with a good quality 3 bed 1 bath hardiplank and colorbond residence of 151 sqm with a detached garage, workshop and patio.	
Transaction Status	Settled	
Comparison to Subject	Comprises a smaller allotment. Inferior accommodation. Comprises a smaller dwelling. On balance, considered inferior to the subject property.	
36 Derrick Street, Jerramungup, Western Australia	31-May-18	\$305,000
Brief Description	A 1,214 sqm allotment comprising a partly renovated 4 bed, 2 bath brick and tile dwelling of 206 sqm in living area together with a double carport UMR and detached shed. The dwelling is very well presented. It is noted this offer was negotiated without the intervention of a real estate agent and the dwelling was not exposed to the open market for sale. In our opinion the offer price does appear above market value for this location.	
Transaction Status	Settled	
Comparison to Subject	Comprises a smaller allotment. Similar accommodation. Comprises a smaller dwelling. Superior dwelling quality. On balance, considered superior to the subject property.	
25 Braeside Road, Katanning, Western Australia	16-Apr-18	\$290,000

12.0 Assumptions, Conditions and Limitations

Condition/Structural Disclaimer	<i>This report is not a condition or structural survey and no advice is given in any way relating to condition or structural matters. Any opinion given as to the condition of the structure or improvements on the property is not given in the capacity as an expert. A condition or structural report on the building and/or its plant and equipment has not been sighted, and nor have we inspected unexposed or inaccessible portions of the premises. Therefore we cannot comment on the structural integrity, any defects, rot or infestation (or damage from pest infestation) of the improvements, any use of asbestos or other materials now considered hazardous or areas of non-compliance with the Building Code of Australia, other than matters which are obvious and which are noted within this report. This valuation assumes the building is structurally sound; that building services are adequate and appropriately maintained; the building complies with applicable Council, building, fire, health and/or safety regulations, laws, rules, licences, permits, rulings and/or bylaws; and is free of asbestos or other defects, unless specified otherwise. Should an expert's report establish that there are any defects of this kind then we reserve the right to review this valuation.</i>
Digital Copies of Reports	<i>Where a report has been provided in digital copy and has not been received directly via our firm, the report contents, especially the valuations and critical assumptions, should be verified by contacting the issuing office to ensure the contents are bona fide. In particular if the reader of this report has suspicions that the report appears to be tampered or altered then we recommend the reader contact the issuing office.</i>
Environmental Disclaimer	<i>This report is not an environmental audit and no advice is given in any way relating to environmental matters. Any comment given as to environmental factors in relation to the property are not given in the capacity as an expert. This assessment of value (unless specified otherwise) is made on the basis that the property is free of contamination or environmental issues affecting the property not made known to the valuer. In the event the property is found to contain contamination the matter should be referred to this office for comment. Given contamination issues can have a significant impact on the Market Value of the property, we reserve the right to review and if necessary vary our valuation if any contamination or other environmental hazard is found to exist.</i>
Full Disclosure Disclaimer	<i>Whilst we have attempted to confirm the veracity of information supplied, the scope of work did not extend to verification of all information supplied or due diligence. Our valuation and report has been prepared on the assumption the instructions and information supplied has been provided in good faith, is not in any way misleading or deceptive, contains a full disclosure of all information that is relevant, there are no undisclosed agreements in place that affect the property. The valuer and valuation firm does not accept any responsibility or liability whatsoever in the event the valuer has been provided with insufficient, false or misleading information.</i>
Future Value	<i>Any comments are made in relation to future values are based on general knowledge and information currently available. These comments should not be construed as a prediction of future value levels or a warranty of future performance as the property market is susceptible to potential rapid and unexpected change caused by multiple factors. Ultimately current expectations as to trends in property values may not prove to be accurate. Due to possible changes in the property market, economic conditions, occupancy status and property specific factors, we recommend the value of the property be reassessed at regular intervals.</i>
Geotechnical Assumption	<i>We have not sighted a geotechnical engineers' survey of the property. We are not experts in the field of civil or geotechnical engineering and we are therefore unable to comment as to the geotechnical integrity of the ground and soil conditions. It is specifically assumed that there are no adverse geotechnical conditions that compromise the utility of the property for the current or highest and best use. In the event there is found to be adverse ground conditions we recommend the matter be referred to this Company for comment.</i>
GST	<i>Valuations of residential property are undertaken on the basis that GST is not applicable. This valuation is prepared on the assumption that the subject property does not constitute a 'new residential premises' as defined under ATO Ruling GSTR 2003/3. Further it is assumed that the subject property will transact as a residential property between parties not registered (and not required to be registered) for GST. The market valuation herein reflects a market transaction to which GST may not be applicable. The client should satisfy themselves of the GST position of the parties involved.</i>
Heritage Disclaimer	<i>Our valuation has been assessed having regard to the nature of any buildings on the property and any known heritage listings. However we have not obtained formal confirmation of heritage listings beyond what is available in the public domain and identified in this report. Our valuation assumes, unless otherwise specified, that any heritage issues (including Aboriginal) do not impact on the continued and/or highest and best use of the property. If there is doubt in relation to such issues we recommend written application be made to the relevant authorities.</i>
Inconsistencies in Assumptions	<i>If there is found to be any variance, inconsistency or contradiction in any of the above assumptions then there may be a variation in the valuation assessed.</i>

Information Availability (Market Evidence)	<i>In preparing this valuation we have undertaken those investigations reasonably expected of a professional valuer having regard to normal industry practice so as to obtain the most relevant, available, comparable market evidence. Whilst we believe the market evidence information and any other information provided to be accurate, not all details can and have been formally verified. Due to privacy laws, confidentiality agreements and other circumstances beyond our control, the valuer may not have had access to: personal details of parties involved in transactions (including the relationship of the parties); information on recent transactions that are yet to become public knowledge; and copies of leases or contracts to confirm rents or prices and to ascertain whether or not rents or prices are inclusive or exclusive of GST.</i>
Land and Building Area Disclaimer	<i>In the event actual surveyed areas of the property are different to the areas adopted in this valuation the survey should be referred to the valuer for comment on any valuation implications. We reserve the right to amend our valuation in the event that a formal survey of areas differs from those detailed in this report.</i>
Market Change Disclaimer	<i>This valuation is current as at the Date of Valuation only. The value assessed herein may change significantly and unexpectedly over a relatively short period (including as a result of general market movements or factors specific to the particular property). We do not accept liability for losses arising from such subsequent changes in value. Where the valuation is being relied upon for mortgage purposes, without limiting the generality of the above comment, we do not assume any responsibility or accept any liability where this valuation is relied upon after the expiration of 90 days from the date of the valuation, or such earlier date if you become aware of any factors that have any effect on the valuation. We recommend the valuation be reviewed at regular intervals.</i>
Market Value	<i>The estimated amount for which an asset or liability should exchange on the valuation date between a willing buyer and a willing seller in an arm's length transaction, after proper marketing and where the parties had each acted knowledgeably, prudently and without compulsion.</i>
Native Title Assumption	<i>We are not experts in native title or the property rights derived there from and have not been supplied with appropriate expert advice or reports. Therefore, this valuation is made assuming there are no actual or potential native title interests affecting the value or marketability of the property.</i>
Planning Disclaimer	<i>Town planning and zoning information was informally obtained from the relevant local and State Government authorities and is assumed to be correct. This information does not constitute a formal zoning certificate. Should the addressee require formal confirmation of planning issues then we recommend written application be made to the relevant authorities to obtain appropriate current zoning certificates.</i>
Professional Standards	<i>Our valuation has been assessed in accordance with applicable International Valuation Applications and Technical Information Papers of the International Valuation Standards Committee and the Australian Property Institute Practice Standards and Guidance Notes.</i>
Publication of Report	<i>The publication of the valuation or report in whole or any part, or any reference thereto, or the names and professional affiliations of the valuers is prohibited without the prior written approval of the valuer as to the form and context in which it is to appear.</i>
Reliance on Whole Report	<i>This valuation should be read in its entirety, inclusive of any summary and annexures. The valuer and valuation firm does not accept any responsibility where part of this report has been relied upon without reference to the full context of the valuation report.</i>
Scope of Work Undertaken	<p><i>The scope of work undertaken by the valuer in completing the valuation has included:</i></p> <ul style="list-style-type: none"> • <i>Collation of information from relevant parties regarding the subject property;</i> • <i>Undertaking our own research regarding the subject property;</i> • <i>An inspection of the property and measurement of buildings where required;</i> • <i>Undertaking market research in terms of values and/or costs of similar properties;</i> • <i>Preparation of valuation calculations; and</i> • <i>Preparation of this report.</i>
Site Survey Disclaimer	<i>This report is not a site survey and no advice is given in any way relating to survey matters. Any comments given in relation to the property are not given in the capacity as an expert, however, are based on our inspection of the property and review of the Certificate of Title plans. Should the addressee require absolute certainty in relation to site area, dimensions or possible encroachments we recommend that a surveyor be engaged to provide appropriate advice and a survey of the property if considered necessary. In the event there are any fundamental inconsistencies between any site survey undertaken and site detail adopted in this valuation, the survey should be referred to the valuer for comment on any valuation implications (including amendment of our valuation if considered necessary).</i>

Third Party Disclaimer	<i>This report has been prepared for the private and confidential use of our client, Shire of Gnowangerup for the specified purpose. Good morning Mr Jarvis,

Following our recent conversation in relation to the above property and having reviewed the recent sales evidence and the previous valuation report of January this year we are of the opinion that the value as reported in January is in the region of its current market value. Please be aware that the valuer has not inspected the property and therefore this opinion is based on a previous inspection by another valuer who has since retired.

Kind regards,

12.6	QUINN AND JORDAN STREETS RESUBDIVISION ROAD CONDITION – CLEARANCE REQUEST
Location:	Lots 3587 & 3913 Gnowangerup-Tambellup Road, Pallinup
Proponent:	G & C Richardson
File Ref:	A6302
Date of Report:	14 th October 2019
Business Unit:	Strategy & Governance
Officer:	Phil Shephard, Planning Officer
Disclosure of Interest:	Nil

ATTACHMENTS

PURPOSE OF THE REPORT

To consider the request from G & C Richardson to clear the road condition placed by the WA Planning Commission (WAPC) on the resubdivision of this rural residential property.

BACKGROUND

The Shire supported the resubdivision of the above property and requested the Commission include a condition requiring some upgrading of Quinn and Jordan Streets to make it suitable for use by the new proposed lots.

Shire staff have previously advised the applicant that some documentation and minor works are required before clearance to the condition will be provided under delegated authority. The applicant has requested the condition be cleared with the road as is. The applicant met with Councillors to discuss the request at the October 2019 Councillor Briefing Session.

As the request does not meet the requirements under the delegation, it is presented to Council for determination.

COMMENTS

The approval (WAPC File 156173) for the resubdivision is subject to a condition that states:

- 4. Engineering drawings and specifications are to be submitted, approved, and subdivisional works undertaken in accordance with the approved plan of subdivision, engineering drawings and specifications, to ensure that those lots not fronting an existing road are provided with frontage to a constructed road(s) connected by a constructed road(s) to the local road system and such road(s) are constructed and drained at the landowner/applicant's cost.*

As an alternative, and subject to the agreement of the Local Government the Western Australian Planning Commission (WAPC) is prepared to accept the landowner/applicant paying to the Local Government the cost of such works as estimated by the Local Government and the Local Government providing formal assurance to the WAPC confirming that the works will be completed within a reasonable period as agreed by the WAPC. (Local Government)

The applicant initially constructed the road under the guidance of previous staff in connection with the concrete batching plant developed on Quinn Street.

The applicant has been advised that the present unsealed Quinn Street road is considered satisfactory for the resubdivision and no sealing of the road is required at this stage.

Staff advised the applicant/planning consultant that to satisfy the condition the landowner is required to provide engineering plans showing the roads currently satisfy the 'Local Government Guidelines for Subdivisional Development – October 2017'. These Guidelines have been prepared by the Department of Planning, Lands and Heritage, WA Planning Commission and Institute of Public Works Engineering Australia WA to guide Local Government's subdivision engineering requirements in WA and are used by the Shire planning staff in addressing engineering subdivision conditions.

In this case, the engineering advice sought from the applicant is to confirm the existing gravel surface on Quinn and Jordan Streets is suitable and provide advice on any upgrading required to the drains and/or provision of guideposts, no-through road sign, advisory signs etc. Without this documentation, staff do not know if the existing roads are constructed in accordance with Guidelines.

Works approved by the Shire, can then be undertaken and completed to the Shire's satisfaction, or the value of the works can be bonded/bank guaranteed, if early clearance is required.

The WA Planning Commission (Albany Office) have advised the applicant:

With regard to Condition 4, if the Local Government are not willing to clear Condition 4, when it comes to submitting the Form 1C with the deposited plan you can request the WAPC clear the condition and provide relevant reasons as to why the WAPC should clear it. If both lots have constructed road access as you advise that would appear to meet the intent of Condition 4. We would liaise with the local government at DP stage in this regard also to confirm.

Generally for the WAPC to require upgrades to roads it would need to be determined that the subdivision results in a requirement for an upgrade. It is unlikely a boundary realignment without additional development potential would trigger an upgrade requirement.

LEGAL AND STATUTORY REQUIREMENTS

Planning and Development Act 2005 - The Act controls planning within the state including the WA Planning Commission in approving/refusing subdivisions.

POLICY IMPLICATIONS

There are no Local Planning Policies that apply to this report.

IMPACT ON CAPACITY

Nil.

RISK MANAGEMENT CONSIDERATIONS

Strategic Risk Category	Compliance
Consequence Rating	Insignificant
Likelihood Rating	Unlikely
Acceptance Rating	Low
Risk Acceptance Criteria	Acceptable. Risk acceptable with adequate controls, managed by routine procedures and subject to annual monitoring

FINANCIAL IMPLICATIONS

The cost of completing any subdivision condition is at the applicant’s cost including the design and construction of any new roads or any upgrading required to existing roads.

In the case of any new roads or any upgrading required to existing roads, the Shire takes on the responsibility for the maintenance of the road, after a defect liability period of 12-months is completed.

STRATEGIC IMPLICATIONS

The report impacts on the following item in the Strategic Community Plan 2017 – 2027 as follows:

Strategic Focus	Built Environment and Infrastructure
Goals:	A built environment and infrastructure that supports the community and the economy
Outcome 3.1:	• Appropriate planning and development
Strategy 3.1.2	Provide planning and development advice on land developments.

Strategic Focus	Governance and Organisation
Goals:	Proactive leadership, good governance and efficient service delivery
Outcome 5.1:	• Strategic governance and leadership
Strategy 5.1.5	Ensure compliance with Local Laws and statutory requirements.

ALTERNATE OPTIONS AND THEIR IMPLICATIONS

The Council has a number of options available to it, which are discussed below:

1 Not support the clearance request

The Local Government can choose to not support the request. If this was supported, the applicant would be required to comply with previous advice received from staff.

2 *Support the clearance request*

The Local Government can choose to support the request and clear the condition accordingly.

3 *Defer the request*

The Local Government may elect to defer the request for a period and seek additional information or comment, if deemed necessary, before proceeding to make a decision.

CONCLUSION

The WAPC have included a condition on the approved resubdivision requiring some upgrading of Quinn and Jordan Streets and staff have previously advised the applicant that some documentation and minor works are required before clearance to the condition will be provided under delegated authority. The applicant has requested the condition be cleared with the road as is.

As the request does not meet the requirements under the delegation, it is presented to Council for determination.

- Quarterly Corporate Business Plan Review for 1st Quarter 2019/2020

PURPOSE OF THE REPORT

For Council to note the Quarterly Corporate Business Plan (CBP) Review for the quarter ending 30th September 2019 (i.e. the progress of the actions/projects in the existing CBP) and to adopt any amendments to the existing CBP.

BACKGROUND

Council adopted its Strategic Community Plan and Corporate Business Plan in 2017. Regulation 19DA(4) of the *Local Government (Administration) Regulations 1996* requires a local government to review its current Corporate Business Plan each year. Regulation 19C(4) requires a local government to review its Strategic Community Plan at least once every four years.

The Great Southern Peer Support Group, with the assistance of Shire of Gnowangerup officers, developed a customised tool to report the status of, and any modifications to, the CBP, including but not limited to objectives, strategic initiatives and actions. This will satisfy the regulatory requirements above.

COMMENTS

The attached report satisfies Regulations 19DA(4) of the *Local Government (Administration) Regulations 1996*.

PURPOSE OF THE REPORT

To seek Council's endorsement for the closing of the Shire Administration Office during the Christmas and New Year break from close of business Tuesday 24th December 2019 to reopen on Thursday 2nd January 2020.

BACKGROUND

Previously, Council has authorised the closure of the Shire Administration office during the Christmas and New Year period.

COMMENTS

The Boxing Day public holiday falls on Thursday 26th December 2019 meaning staff would return to work on Friday 27th December 2019 for 1 day. Following the weekend staff would then return to work again on Thursday 2nd January 2020 following the New Year's Public Holiday on the Wednesday.

Over the past year it has been recognised that on many occasions Council staff have gone above and beyond what has been required of them. As the CEO I would like to provide Council staff with the extra Rostered Day Off (RDO). This would mean staff would return to work on 2nd January 2020.

Staff will be required to take a total of 2 days accrued leave. If a staff member has no accrued leave, the time off would be leave without pay.

If approved, the closure would be advertised in the three Local Newsletters, Shire of Gnowangerup Website and the administration answering machine.

STRATEGIC IMPLICATIONS

Strategic Community Plan

Theme: A Sustainable and Capable Council

Objective: To have a highly skilled and effective Council that represents the best interests of the community.

Strategic Initiative: Maintain a skilled and highly effective workforce.

IMPACT ON CAPACITY

No work or service delivery would take place between Christmas and New Year.

ALTERNATE OPTIONS AND THEIR IMPLICATIONS

Council can decline to close the Shire Administration office during Christmas and New Year. The office will need to be staffed by two people.

CONCLUSION

It is not often that Council has the opportunity to reward staff and it is therefore proposed that Council endorses the closing of the Council administration office during the Christmas and New Year break. One benefit endorsing the closing results in a one off significant reduction in the Shire's leave liability in addition there are fewer customers during this period.

VOTING REQUIREMENTS
