**COUNCIL'S VISION** 

**Gnowangerup Shire – A progressive, inclusive and prosperous community built on opportunity** 

#### **Shire of Gnowangerup**

#### **NOTICE OF AN ORDINARY MEETING OF COUNCIL**

Dear Council Member

The next Ordinary Meeting of the Shire of Gnowangerup will be held on Wednesday 24<sup>th</sup> July 2019, at the Council Chambers 28 Yougenup Road Gnowangerup, commencing at 3:30pm.

Signed:

**CHIEF EXECUTIVE OFFICER** 

#### Meaning of and CAUTION concerning Council's "In Principle" support:

When Council uses this expression it means that:

(a) Council is generally in favour of the proposal BUT is not yet willing to give its consent; and (b) Importantly, Council reserves the right to (and may well) either decide <u>against</u> the proposal or to formally support it but with restrictive conditions or modifications.

Therefore, whilst you can take some comfort from Council's "support" you are clearly at risk if you act upon it <u>before</u> Council makes its actual (and binding) decision and communicates that to you in writing.

#### **DISCLAIMER**

No responsibility whatsoever is implied or accepted by the Shire of Gnowangerup for any act, omission or statement or intimation occurring during Council or committee meetings.

The Shire of Gnowangerup disclaims any liability for any loss whatsoever and howsoever caused arising out of reliance by any person or legal entity on any such act, omission or statement or intimation occurring during Council or committee meetings.

Any person or legal entity who acts or fails to act in reliance upon any statement, act or omission made in a Council or committee meeting does so at that person's or legal entity's own risk.

In particular and without detracting in any way from the broad disclaimer above, in any discussion regarding any planning application or application for a licence, any statement or intimation of approval made by any member or officer of the Shire of Gnowangerup during the course of any meeting is not intended to be and is not taken as notice of approval from the Shire of Gnowangerup.

The Shire of Gnowangerup advises that anyone who has any application lodged with the Shire of Gnowangerup shall obtain and should only rely on **written confirmation** of the outcome of the application, and any conditions attaching to the decision made by the Shire of Gnowangerup in respect of the application.

Signed:

S. Pike

- 4. Tick box to indicate type of interest.
- 5. Describe the nature of your interest.
- 6. Describe the extent of your interest (if seeking to participate in the matter under S. 5.68 & 5.69 of the Act).

#### **DECLARATION OF INTERESTS (NOTES FOR YOUR GUIDANCE)**

A Member, who has a Financial Interest in any matter to be discussed at a Council or Committee Meeting that will be attended by the Member, must disclose the nature of the interest:

- a) In a written notice given to the Chief Executive Officer before the Meeting or;
- b) At the Meeting, immediately before the matter is discussed.

A member, who makes a disclosure in respect to an interest, must not:

- a) Preside at the part of the Meeting, relating to the matter or;
- b) Participate in, or be present during any discussion or decision-making procedure relative to the matter, unless to the extent that the disclosing member is allowed to do so under Section 5.68 or Section 5.69 of the Local Government Act 1995.

#### NOTES ON FINANCIAL INTEREST (NOTES FOR YOUR GUIDANCE)

The following notes are a basic guide for Councillors when they are considering whether they have a **Financial Interest** in a matter. These notes will be included in each agenda for the time being so that Councillors may refresh their memory.

- A Financial Interest requiring disclosure occurs when a Council decision might advantageously or detrimentally
  affect the Councillor or a person closely associated with the Councillor and is capable of being measured in
  money terms. There are exceptions in the Local Government Act 1995 but they should not be relied on without
  advice, unless the situation is very clear.
- 2. If a Councillor is a member of an Association (which is a Body Corporate) with not less than 10 members i.e. sporting, social, religious etc.), and the Councillor is not a holder of office of profit or a guarantor, and has not leased land to or from the club, i.e., if the Councillor is an ordinary member of the Association, the Councillor has a common and not a financial interest in any matter to that Association.
- 3. If an interest is shared in common with a significant number of electors or ratepayers, then the obligation to disclose that interest does not arise. Each case needs to be considered.
- 4. If in doubt declare.
- 5. As stated in (b) above, if written notice disclosing the interest has not been given to the Chief Executive Officer before the meeting, then it MUST be given when the matter arises in the Agenda, and immediately before the matter is discussed.
- 6. Ordinarily the disclosing Councillor must leave the meeting room before discussion commences. The only exceptions are:
- 6.1 Where the Councillor discloses the extent of the interest, and Council carries a motion under s.5.68(1)(b)(ii) or the Local Government Act; or
- 6.2 Where the Minister allows the Councillor to participate under s.5.69(3) of the Local Government Act, with or without conditions.

#### INTERESTS AFFECTING IMPARTIALITY

DEFINITION: An interest that would give rise to a reasonable belief that the impartiality of the person having the interest would be adversely affected, but does not include an interest as referred to in Section 5.60 of the 'Act'. A member who has an Interest Affecting Impartiality in any matter to be discussed at a Council or Committee Meeting, which will be attended by the member, must disclose the nature of the interest;

- (a) in a written notice given to the Chief Executive Officer before the Meeting; or
- (b) at the Meeting, immediately before the matter is discussed.

#### **IMPACT OF AN IMPARTIALITY DISCLOSURE**

There are very different outcomes resulting from disclosing an interest affecting impartiality compared to that of a financial interest. With the declaration of a financial interest, an elected member leaves the room and does not vote. With the declaration of this new type of interest, the elected member stays in the room, participates in the debate and votes. In effect then, following disclosure of an interest affecting impartiality, the member's involvement in the Meeting continues as if no interest existed.

The CEO, through the presiding member, has withdrawn this item to enable further discussion on the content. As part of the amendments to the Local Government Act 1995, new model standards for the recruitment and performance review of Chief Executive Officers are to be included in local government regulations.

#### **ATTACHMENTS**

Minutes of CEO Review Committee meeting of 15<sup>th</sup> May 2019

#### PURPOSE OF THE REPORT

For Council to consider disbanding its CEO Review Committee.

#### **BACKGROUND**

Section 5.8 of the *Local Government Act 1995* states that "A local government may establish committees of 3 or more persons to assist the council and to exercise the powers and discharge the duties of the local government that can be delegated to committees."

Council established the CEO Review Committee to make recommendations to Council on Chief Executive Officer (CEO) appointments, contract reviews/renewals, and performance and remuneration reviews and assessments.

#### COMMENTS

Large local governments tend to have a number of committees of Council to assist with researching matters as part of the decision-making framework. These committees are generally made up of a subset of the full Council.

The Shire of Gnowangerup's CEO Review Committee is comprised of the full complement of elected members of Council. It has been suggested that this is a redundant situation as Council is effectively making recommendations to itself. In addition, each committee of Council requires additional administrative resources, and additional commitments of time from elected members.

A simpler, more appropriate, option to the CEO Review Committee is for Council, when the need arises, to resolve to appoint a working group from its members for a specific purpose and timeframe. An example of this would be the creation of a CEO Recruitment working group, which would exist until a contract had been negotiated with the new CEO.

For the working group option to be implemented, there is a requirement for the CEO Review Committee to be formally disbanded.

#### **CONSULTATION**

- Darren Long Finance Consultant
- WALGA Governance Advisor

#### **LEGAL AND STATUTORY REQUIREMENTS**

There are no legislative requirements for Council to maintain a CEO Review Committee.

Section 5.11(1)(c) and (2)(c) of the *Local Government Act 1995* are relevant to disbanding a committee.

#### **POLICY IMPLICATIONS**

Nil

#### **FINANCIAL IMPLICATIONS**

Nil

#### STRATEGIC IMPLICATIONS

Strategic Community Plan

Theme: A Sustainable and Capable Council

Objective: To have a highly skilled and effective Council that represents the best interests of the

community.

Strategic Initiative: Ensure elected body has a comprehensive understanding of its roles and

responsibilities.

#### STRATEGIC RISK MANAGEMENT CONSIDERATIONS:

Primary Strategic Risk Category	Ineffective Leadership
Description	Ineffective strategic leadership of Council. This includes the relationship between Council and the CEO.
Residual Risk: (Low, Moderate, High, Extreme)	Low
Consequence: (Insignificant, Minor, Moderate, Major, Catastrophic)	Minor
Likelihood: (Almost Certain, Likely, Possible, Unlikely, Rare)	Possible

#### IMPACT ON CAPACITY

Negligible impact as staff not required for working group meetings.

#### **ALTERNATE OPTIONS AND THEIR IMPLICATIONS**

Maintain CEO Review Committee. No significant implications but the existing Terms of Reference would require amending.

#### **CONCLUSION**

Creating working groups of Council for specific purposes appears to be a simpler and more appropriate alternative to maintaining the CEO Review Committee.

#### **VOTING REQUIREMENTS**

Absolute majority

#### **OFFICER RECOMMENDATION:**

#### That Council:

- 1. Accept the minutes of the CEO Review Committee meeting of 15th May 2019; and
- 2. Disband the CEO Review Committee of Council, effective immediately.

- Print media advertisement to run in the Saturday West Australian, Professional Appointments section on Saturday, 13<sup>th</sup> April 2019
- Closing date for applications set for Friday, 3<sup>rd</sup> May 2019
- Preferred print media ad size to be 13cm x 4 column
- Other approved advertising platforms LO-GO Appointments website, Facebook and LinkedIn pages, Seek and the Shire website
- Council chose not to advertise in other print/online media platforms

 Council discussed the wording of the advertisement, some changes were made to the draft advertisement provided by LO-GO Appointments, with the final wording to be similar to the following updated draft:

The Shire of Gnowangerup is situated in the great southern region of Western Australia and is an inclusive, progressive and prosperous community. After several years of excellent service the Chief Executive Officer is retiring and Council is seeking to engage someone who will work with Council and the community to build on the existing solid foundations.

The CEO is responsible for the efficient and effective management of the Shire and working collaboratively with Council to deliver the Shire's strategic objectives.

Council is looking for someone who has a passion for living and working in a rural agricultural community and manufacturing hub, and will be committed to the sustainable and long-term growth of the organisation. You will also have a proven track record of being an innovative and motivated leader, be politically astute, dedicated to representing the interests of the Council and community, and have strategic business acumen encompassing contemporary management practices.

This position is offered under a three to five year performance based contract, with an attractive remuneration package, to be negotiated with the successful applicant, of between \$126,956 - \$198,210 per annum (in accordance with SAT Band 4). Salary and benefits are subject to negotiation and may include, but not be limited to, a base salary, superannuation, executive home, motor vehicle, professional development allowance and water allowance.

Please contact Melissa Hanson, Manager, LO-GO Appointments via wa@logoapp.com.au or (08) 9380 4505 to discuss this opportunity further and to obtain an Application Package.

- Council would like to explore a bolder advertisement layout to the example provided by LO-GO Appointments, general consensus was the ad is not eye catching. Some suggestions were to add a red line under the Shire logo, put the position title 'Chief Executive Officer' all on one line and move the Shire logo to the top of the ad
- Melissa from LO-GO Appointments to go back to Marketforce and request a redesign
- Deadline for the print media ad is 4pm Thursday, 11<sup>th</sup> April with minor wording changes permitted until 12noon Friday, 12<sup>th</sup> April.

#### **Selection Criteria**

Council decided to have selection criteria that prospective applicants must address in their application for the CEO position. The following criteria were selected by Council from the list supplied by LO-GO Appointments:

#### **Essential:**

#### **ATTACHMENTS**

Quarterly Corporate Business Plan Review for 4th Quarter 2018/2019

#### **PURPOSE OF THE REPORT**

For Council to note the Quarterly Corporate Business Plan (CBP) Review for the quarter ending 30<sup>th</sup> June 2019 (i.e. the progress of the actions/projects in the existing CBP) and to adopt any amendments to the existing CBP.

#### **BACKGROUND**

Council adopted its Strategic Community Plan and Corporate Business Plan in 2017. Regulation 19DA(4) of the *Local Government (Administration) Regulations 1996* requires a local government to review its current Corporate Business Plan each year. Regulation 19C(4) requires a local government to review its Strategic Community Plan at least once every four years.

The Great Southern Peer Support Group, with the assistance of Shire of Gnowangerup officers, developed a customised tool to report the status of, and any modifications to, the CBP, including but not limited to objectives, strategic initiatives and actions. This will satisfy the regulatory requirements above.

#### **COMMENTS**

The attached report satisfies Regulations 19DA(4) of the *Local Government (Administration) Regulations 1996.* It is planned that, moving forward, the Strategic Community Plan and Corporate Business Plan will be streamlined into a single plan that will be the subject of a major review every 4 years.

#### **ATTACHMENTS**

Covering letter and plan

#### PURPOSE OF THE REPORT

To consider a request to develop a convenience store at the Woodthorpe School for use by the parents/church community.

#### BACKGROUND

Nil.

#### **COMMENTS**

As set out in the attached covering letter, the request involves seeking Council permission to develop a convenience store at the Woodthorpe School for use by the parents/church community. The shop would stock locally sourced products and would be used to assist finance projects at the school. The proponents advise they do not expect the proposal will affect existing shops in Gnowangerup.

Woodthorpe School lot bordered in red (Image Landgate Map Viewer Plus)

The store would be located as shown on the attached plan and would be away from play areas, car parking and setdown/pickup areas, driveways etc.

#### **Local Planning Scheme Implications**

The school site is zoned General Agriculture under the Shire's Local Planning Scheme No. 2 (LPS2) and the proposal could be classed as either a convenience store or shop which are defined in LPS2 as follows:

#### "convenience store" means premises -

- used for the retail sale of convenience goods commonly sold in supermarkets, delicatessens and newsagents, or the retail sale of petrol and those convenience goods;
- b) operate during hours which include, but may extend beyond, normal trading hours;
- c) which provide associated parking; and
- d) the floor area of which does not exceed 300m² net lettable area;

"shop" means premises used to sell goods by retail, hire goods, or provide services of a personal nature (including a hairdresser and beauty therapist) but does not include a showroom or fast food outlet;

The use of land for either of these activities is an 'X' (not permitted) within the General Agriculture zone under LPS2 and the notes to the Zoning Table advise:

4. The local government must refuse to approve any 'X' use of land. Approval to an 'X' use my only proceed by way of an amendment to the Scheme.

As stated above, should the Council support the proposal the only way for it to proceed is for the zoning to be amended to allow for the use/development to proceed.

#### <u>Local Planning Strategy Implications</u>

The school site is identified within the Rural land uses designation in the Shire's Local Planning Strategy. The land is within Policy Area No. 2 – Yougenup, Stutley and Walsh Streets and the land use policies for the area are as follows:

#### <u>Objective</u>

To provide for appropriate development and associated zoning / land use controls recognising the existing uses, lot sizes and configuration.

#### <u>Issues</u>

- Prominent location on a main entry into town and the consequential need for development to be sensitive to this prominent location.
- The area contains existing small semi rural lots, some with no road access.
- There is little subdivision potential due to the fragmented nature of lots and ownership.
- Lots of this size would normally be zoned Rural Residential with appropriate land use and development controls.
- The transport depot is an 'A' use in the rural zone. If the zoning of the area changed then this site could be included as an Additional Use site.

#### Land Uses/Development:

A range of land uses should be considered which may include but not be limited to:

- Rural Residential.
- Low key tourist accommodation.
- Home business and home-based industries.

#### Recommendations

- That in the event that more specific development control and zoning provisions are required for the existing uses then these be introduced as an Amendment to TPS No 2. This will allow for more detailed consultation with the affected landowners.
- If the zoning of the area is changed then the existing transport depot be included as an Additional Use site.

The Strategy supports the use of the land for rural residential, low-key tourism and home businesses. The Strategy does not support the use of land for either store/shop proposals. The Strategy (Part4.3.3) recommends that in relation to future commercial land as follows:

#### Recommendations

i) Residential land on the eastern side of Yougenup Road, opposite the school to be rezoned to the Commercial zone to consolidate the town centre and provide further options for new retail businesses to establish.

As with the Local Planning Scheme, should the Council support the proposal the only way for it to proceed is for the Strategy to be amended to allow for the use/development to proceed.

## CONSULTATION WITH THE COMMUNITY AND GOVERNMENT AGENCIES

Nil undertaken.

Should the Council proceed with a modification to the Strategy and/or undertake a scheme amendment, these changes are required to be advertised for public comment in accordance with the Act/Regulations.

## LEGAL AND STATUTORY REQUIREMENTS

Planning and Development Act 2005 and Planning and Development (Local Planning Schemes) Regulations 2015 — the Shire of Gnowangerup Local Planning Strategy and Local Planning Scheme No. 2 have been approved under the Act and Regulations.

This is a discretionary decision and the proponent has a right to request a review of any decision and/or condition made by the Local Government to the State Administrative Tribunal if aggrieved by the decision and/or any condition.

## **POLICY IMPLICATIONS**

There are no Local Planning Policies that apply to this report.

## **IMPACT ON CAPACITY**

Nil.

## RISK MANAGEMENT CONSIDERATIONS

Strategic Risk Category	Reputational/Compliance
Consequence Rating	Minor
Likelihood Rating	Unlikely
Acceptance Rating	Low (4)
Risk Acceptance Criteria	Acceptable.
	Risk acceptable with adequate controls, managed by
	routine procedures and subject to annual monitoring

## FINANCIAL IMPLICATIONS

The proponent has not been charged any fees for their proposal.

Should the Council proceed with changes to the Local Planning Strategy and/or Local Planning Scheme, the proponents would be required to meet the costs of preparing the new documents and administering the changes in accordance with the Act/Regulations.

## STRATEGIC IMPLICATIONS

The report impacts on the following items in the Strategic Community Plan 2017 – 2027 as follows:

Strategic Focus	Built Environment and Infrastructure
Goals:	A built environment and infrastructure that supports the community
	and the economy
Outcome 3.1:	Appropriate planning and development
Strategy 3.1.2	Provide planning and development advice on land developments.
Strategy 3.1.3	Ensure quality, consistent and responsive development and building
	assessment approval processes.

Strategic Focus	Governance and Organisation
Goals:	Proactive leadership, good governance and efficient service delivery
Outcome 5.1:	Strategic governance and leadership
Strategy 5.1.5	Ensure compliance with Local Laws and statutory requirements.

## ALTERNATE OPTIONS AND THEIR IMPLICATIONS

The Council has a number of options available to it, which are discussed below:

## 1 Not support the proposal

The Local Government can choose to not support the proposal. If this option was chosen, the proposal would not proceed.

## 2 Support the proposal

The Local Government can choose to support the proposal, in whole or part, and require the proponents to change the Strategy/Scheme to reflect the Council's decision.

## 3 Defer the proposal

The Local Government may elect to defer the matter for a period and seek additional information or comment, if deemed necessary, before proceeding to make a decision.

## CONCLUSION

The Strategy and Scheme support the consolidation of the existing Town Centre zone for the businesses along Yougenup Road and recommend the only new area to be considered for additional commercial zoning to be those lots opposite the District High School.

The request to develop a convenience store at the Woodthorpe School for use by the parents/church community is not consistent with either the adopted Local Planning Strategy or Local Planning Scheme and should be rejected.

## **VOTING REQUIREMENTS**

Simple Majority.

## **OFFICER RECOMMENDATION:**

#### **That Council**

Does not support the request to establish a store/shop at Woodthorpe School for the following reasons:

- The proposal is not consistent with the Local Planning Strategy which supports the consolidation of the existing Town Centre zone for the businesses along Yougenup Road and recommend the only new area to be considered for additional commercial zoning to be those lots opposite the District High School.
- The proposal is an 'X' not permitted use within the General Agriculture zone.

Attention: Mr. Phil Shepard

Dear Phil

Re; DEVELOPMENT APPLICATION - SHOP TO EDUCATIONAL ESTABLISHMENT AT 203 YOUGENUP RD, PALLINUP WA 6335 (LOT 110)

Further to our conversation on the 7<sup>th</sup> November, I write to confirm details with respect to the queries raised in our conversation.

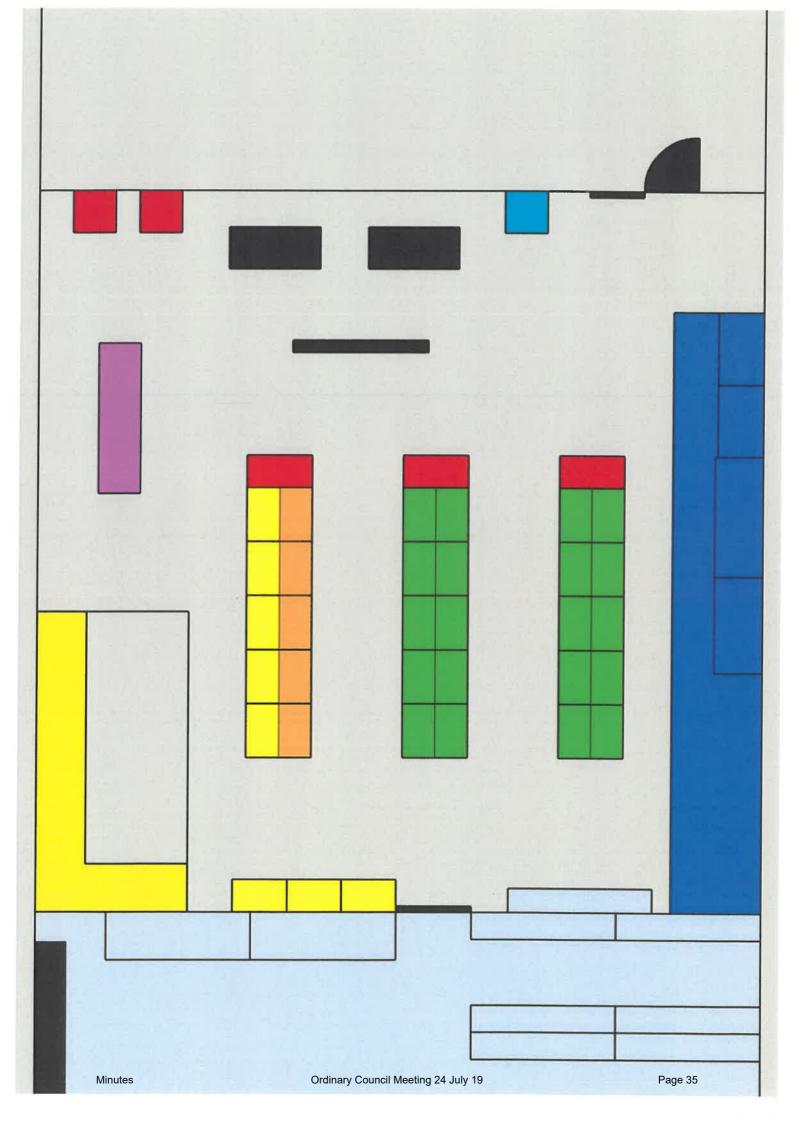

The convenience store is intended for the use of parents and the Church community members only for providing funds to finance the school and is not to sell to the wider community and affect the performance of our local IGA. It is positioned on adjacent portion of the school property and has been chosen with consideration for being clear of the Children's play areas, carpark areas and set down /pick up driveways. After dropping off the children it is expected that some of the parents will move their vehicles to the shop car park to do their shopping. Others of the community will also shop there and will not need to enter the main gate of the school premises and therefore not interfere with the normal running of the school.

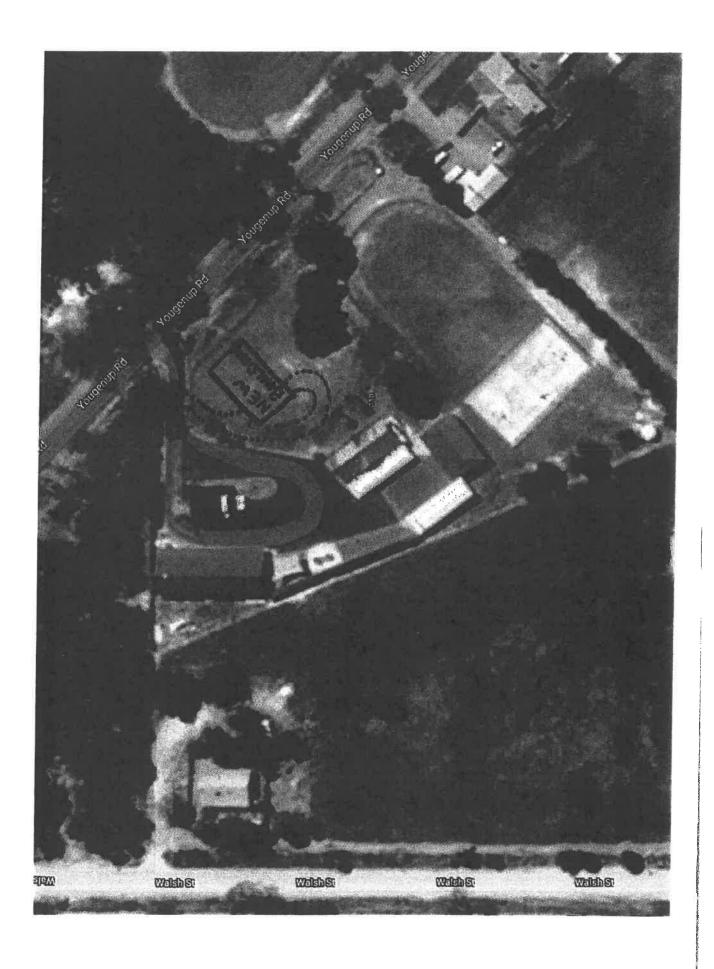

The convenience store is intended for the Sale of home baked foods which is an essential item in demand by the community and is prepared and cooked in community home kitchens which are of a high standard and well known to the purchasers. We note that the WA Health Department under Section 6 of the Food Act, "allows for certain food preparation activities of a charitable or community nature to be exempt from all or any provisions of the Act".

The following foods and other items will be sold from the facility: Fresh Vegetables, Cereals, Tinned and Bottled foods, Dairy foods, Meat, Eggs, General
groceries, Frozen foods, Home baked Bread, Biscuits, Cakes, Pies, Quiches, Curries,
giftware and disposables etc.

The kitchen is not to be for general public use and will only be incidental to the overall project. The purpose of this area is to provide a place for volunteer staff to have their tea breaks. It will be helpful for sampling some of the food /coffees/teas sold and provide a place for mothers who wish to have a coffee together while at the venue. There will be no fulltime paid counter service.
