#### Meaning of and CAUTION concerning Council's "In Principle" support:

When Council uses this expression it means that:

(a) Council is generally in favour of the proposal BUT is not yet willing to give its consent; and (b) Importantly, Council reserves the right to (and may well) either decide <u>against</u> the proposal or to formally support it but with restrictive conditions or modifications.

Therefore, whilst you can take some comfort from Council's "support" you are clearly at risk if you act upon it <u>before</u> Council makes its actual (and binding) decision and communicates that to you in writing.

#### DECLARATION OF INTERESTS (NOTES FOR YOUR GUIDANCE)

A Member, who has a Financial Interest in any matter to be discussed at a Council or Committee Meeting that will be attended by the Member, must disclose the nature of the interest:

- a) In a written notice given to the Chief Executive Officer before the Meeting or;
- b) At the Meeting, immediately before the matter is discussed.

A member, who makes a disclosure in respect to an interest, must not:

- a) Preside at the part of the Meeting, relating to the matter or;
- b) Participate in, or be present during any discussion or decision-making procedure relative to the matter, unless to the extent that the disclosing member is allowed to do so under Section 5.68 or Section 5.69 of the Local Government Act 1995.

#### NOTES ON FINANCIAL INTEREST (NOTES FOR YOUR GUIDANCE)

The following notes are a basic guide for Councillors when they are considering whether they have a **Financial Interest** in a matter. These notes will be included in each agenda for the time being so that Councillors may refresh their memory.

- 1. A Financial Interest requiring disclosure occurs when a Council decision might advantageously or detrimentally affect the Councillor or a person closely associated with the Councillor and is capable of being measured in money terms. There are exceptions in the Local Government Act 1995 but they should not be relied on without advice, unless the situation is very clear.
- 2. If a Councillor is a member of an Association (which is a Body Corporate) with not less than 10 members i.e. sporting, social, religious etc.), and the Councillor is not a holder of office of profit or a guarantor, and has not leased land to or from the club, i.e., if the Councillor is an ordinary member of the Association, the Councillor has a common and not a financial interest in any matter to that Association.
- 3. If an interest is shared in common with a significant number of electors or ratepayers, then the obligation to disclose that interest does not arise. Each case needs to be considered.
- 4. If in doubt declare.
- 5. As stated in (b) above, if written notice disclosing the interest has not been given to the Chief Executive Officer before the meeting, then it MUST be given when the matter arises in the Agenda, and immediately before the matter is discussed.
- 6. Ordinarily the disclosing Councillor must leave the meeting room before discussion commences. The only exceptions are:
- 6.1 Where the Councillor discloses the extent of the interest, and Council carries a motion under s.5.68(1)(b)(ii) or the Local Government Act; or
- 6.2 Where the Minister allows the Councillor to participate under s.5.69(3) of the Local Government Act, with or without conditions.

#### INTERESTS AFFECTING IMPARTIALITY

DEFINITION: An interest that would give rise to a reasonable belief that the impartiality of the person having the interest would be adversely affected, but does not include an interest as referred to in Section 5.60 of the 'Act'. A member who has an Interest Affecting Impartiality in any matter to be discussed at a Council or Committee Meeting, which will be attended by the member, must disclose the nature of the interest;

- (a) in a written notice given to the Chief Executive Officer before the Meeting; or
- (b) at the Meeting, immediately before the matter is discussed.

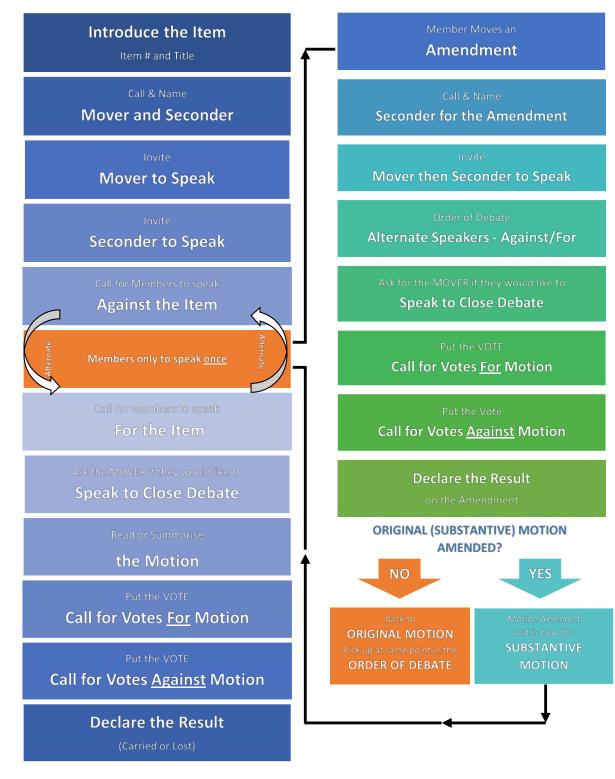

#### IMPACT OF AN IMPARTIALITY DISCLOSURE

There are very different outcomes resulting from disclosing an interest affecting impartiality compared to that of a financial interest. With the declaration of a financial interest, an elected member leaves the room and does not vote. With the declaration of this new type of interest, the elected member stays in the room, participates in the debate and votes. In effect then, following disclosure of an interest affecting impartiality, the member's involvement in the Meeting continues as if no interest existed.

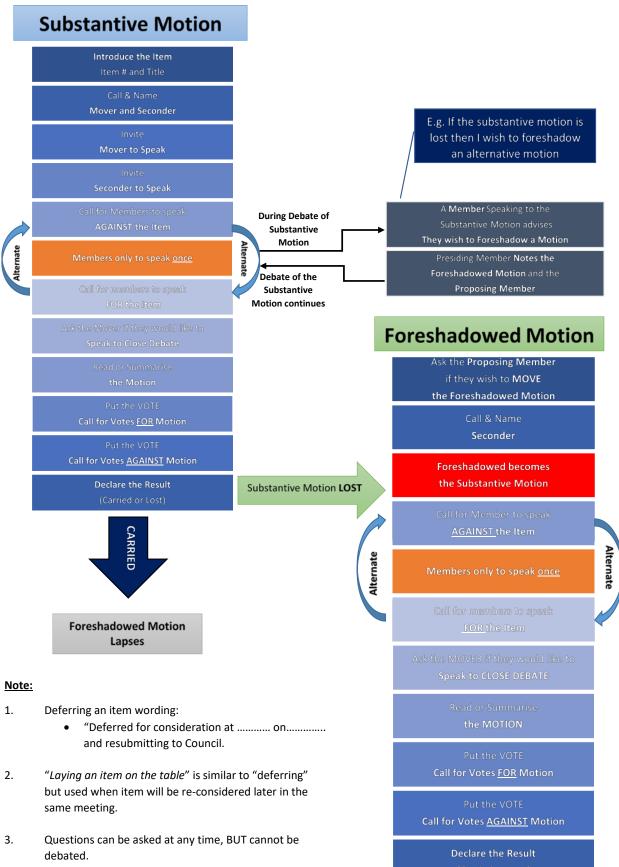

AMENDMENT

# **Process of Motions**

# **ORIGINAL MOTION**

Slight clarification of wording of motion: A minor amendment of the motion can be done at any time through the President with the approval of the Mover and the Seconder. The Minor amendment must be minuted.

#### PURPOSE OF THE REPORT

#### BACKGROUND

In September 2020 the Shire Gnowangerup lodged an application for funding for 2 x 32,000L water tanks for the Gnowangerup BFB, under the DFES WA Recovery Plan – Water Tank Allocations capital grants funding.

#### **COMMENTS**

The Shire has received advice that the application for the grant funding for  $2 \times 32,000$ L water tanks has been successful. In order to receive the grant funding and expend the funds, a budget amendment to include the income and expenditure in the 2020/21 annual budget is required.

0421. That Council:

Approves a budget amendment to the 2020/21 Annual Budget to include matching capital expenditure and capital income for the supply and installation of 2 x 32,000L water tanks for the Gnowangerup BFB, funded by the DFES WA Recovery Plan – Water Tank Allocations grant funding, as follows:

#### PURPOSE OF THE REPORT

For Council to consider approval of the request for write-off of part (\$2,677.00) of a sundry debt totalling \$3,877.00 (all inc. GST) from debtor 91422.

#### BACKGROUND

In October 2020, debtor 91442 had a property inspection carried out by the Shire Ranger and was issued with a notice to clean up the property as it was a fire hazard. During November 2020 a second inspection and second notice with infringement were sent to the property owner. In early January 2021 a final demand was issued. In late January 2021 Shire staff cleared the property and an account for the costs was issued to the property owner.

The property was covered with personal waste including old mattresses and other unhygienic material that was not safe to remove by hand. It was not possible to cut the grass and weeds without removing the waste. The waste material also added to the flammable material on the property. As a result, Shire plant was used to remove all of the waste material and clear the block of flammable material in accordance with the Firebreak Order. The total cost of the clearing of the property was \$3,877.00 (inc. GST).

The debtor has stated that they were working out of Western Australia in the Northern Territory and due to the COVID-19 pandemic they had not been able to return home, and therefore had not been aware of the notices. The debtor contacted the Shire after they returned home in late February 2021 and collected their mail and discovered the notices.

Since then, the debtor has written to the Shire and stated that they are prepared to pay \$1,200.00 (inc. GST) and has requested that Council write-off of the difference being \$2,677.00 (inc. GST).

#### **COMMENTS**

A Firebreak Notice is issued to all property owners annually at the time of issuing the rates notice.

Section 33(2) of the Bushfires Act specifically states that "notice in writing may be given to an owner or occupier of land by posting it to him at the address shown in the rate record kept by the local government".

The Shire of Gnowangerup COVID-19 Financial Hardship Policy is not applicable in this case, as it only applies to:

- Outstanding rates and service charges as at the date of the adoption of the Policy, and
- Rates and service charges levied for the 2020/21 financial year.

The Shire of Gnowangerup Collection of Non-Rates Debts Policy is applicable as it applies to all monies owed to Council for any fee or charge raised under Sections 6.16 and 6.17 of the LG Act 1995, or any reimbursement that is due to Council, that is deemed to be overdue following a period of thirty-five (35) days from the date of the original invoice. The original invoice for clearing of the property was raised on the 28 February 2021.

The Collection of Non-Rates Debts Policy sets out the debt recovery process and states that the Deputy CEO is to be consulted before any third party is engaged to take legal action, to ensure that the action is appropriate giving due consideration to all issues that have led to the debt being overdue and not paid.

#### CONSULTATION

Nil.

#### LEGAL AND STATUTORY REQUIREMENTS

Local Government Act 1995 – Section 6.12. Power to defer, grant discounts, waive or write off debts.

Bushfire Act 1954

#### POLICY IMPLICATIONS

Policy 4.2 Collection of Non-Rates Debts

#### FINANCIAL IMPLICATIONS

The proposed write-off would impact on revenue for the 2020/21 financial year, resulting in a decrease in revenue of \$2,433.64 (\$2,677.00 less GST). In the context of the Shire's budget and overall operations, the financial impact would be considered minor.

#### STRATEGIC IMPLICATIONS

Strategic Community Plan Theme: A Sustainable and Capable Council Objective: Provide accountable and transparent leadership Strategic Initiative: Demonstrate accountability through robust reporting that is relevant and easily accessible by the Community.

#### IMPACT ON CAPACITY

Nil.

#### ALTERNATE OPTIONS AND THEIR IMPLICATIONS

Council could resolve to write-off the amount requested by the Debtor or resolve to write-off a different amount. The Debtor would be advised and the debt recovery process stipulated in the Collection of Non-Rates Debts Policy will commence if the remaining debt is not paid immediately.

#### **CONCLUSION**

Officers have not recommended to write-off the difference of \$2,677.00 (inc. GST); however the debtor has provided an explanation of the circumstances and made an offer to pay the Shire \$1,200.00 (inc. GST). The explanation provided by the debtor is plausible and Council has the power to make a decision in regard to debt write-off.

VOTING REQUIREMENTS Absolute majority.

#### **OFFICER RECOMMENDATION**

0421. That Council:

Does not approve the write-off of the requested amount of \$2,677.00 (being part non-rate debt), but does approve an offer of time payment to Debtor 91442 for the full non-rate debt of \$3,877.00 inc. GST., being an upfront payment of \$500.00 and twelve (12) months interest free in which to pay the balance.

#### ALTERNATE OPTIONS AND THEIR IMPLICATIONS

Council may resolve to increase or decrease the members fees and allowances, the implication being an increase (or decrease) for members fees and allowances in the 2021/22 Annual Budget.

#### CONCLUSION

At the time of writing this report, the most recent (December 2020) CPI report from the WA Department of Treasury notes that for the year-ended 30<sup>th</sup> December 2020, Perth's annual CPI decreased by 0.1% and the Australian national CPI increased by 0.9%. The February 2021 WALGA Economic Briefing Report states that the Local Government Cost Index is expected to increase by 1.4% in 2021/22. Therefore a 1.4% increase is recommended.

11.5	INFORMATION TECHNOLOGY MANAGED SERVICES – TWELVE (12) MONTH EXTENSION OF CONTRACT
Location:	N/A
Proponent:	N/A
Date of Report:	14 <sup>th</sup> April 2021
Officer:	Ian Graham - Deputy CEO
Disclosure of Interest:	Nil

ATTACHMENTS Nil

#### PURPOSE OF THE REPORT

To allow Council to endorse a twelve (12) month extension of the current Information Technology Managed Services Contract.

#### BACKGROUND

The current Information Technology Managed Services Contract was awarded to Solutions IT in February 2020 as per the following Council resolution:

#### **COUNCIL RESOLUTION**

Moved: Cr K House

Seconded: Cr S Hmeljak

0220.09 That Council:

- 1. Appoints Solutions IT as the successful tenderer for RFT2019-2 Managed Information Technology Services for the Shire for the period 21/2/2020 to 21/6/2021,
- 2. Authorises the CEO to enter into a contract with Solutions IT based on the tender document received, and to advise the unsuccessful tenderers, and:
- 3. Amends the 2019/2020 with the figure of \$11,910 to reflect the interim cost of the service for the current Financial Year, and make provision in the draft 2020/2021 Budget for \$31,680 to cover the cost of the contract in the next Financial Year.

#### CARRIED BY ABSOLUTE MAJORITY: 7/0

#### **COMMENTS**

As noted above, the contract was awarded for a period of only sixteen (16) months, from 21/2/2020 to 21/6/2021. During the 14 months that the contract has been in operation, Solutions IT have implemented a number of significant upgrades to the Shire IT system, including the setup and installation of a new server, deployment of new desktop and laptops computers, upgrades to backup systems, roll-out of MS Office 365 and connection to fibre internet service (to be completed this month). A number of issues have been exposed during the fourteen (14) months, with the failure of our backup system during the last quarter of 2020 being significant.

However, this has been addressed through the implementation of multiple-level backup processes. Other issues include limited internet service which affected the roll-out of Office 365 and this continues to affect performance, however connection to the fibre should bring a substantial improvement in performance.

Regulation 11(2)(ja) of the Local Government (Functions and General) Regulations 1996 was amended in 2020 as a result of the COVID-19 pandemic to give a local government the discretion to renew or extend a contract that expires when a state of emergency declaration is in force, even though this option is not included in the original contract. This overcomes the practical difficulty of businesses responding to a formal tender process while they are shut down or in the transition period when normal business resumes. Limits on this apply: the original contract must have less than three months left to run, the renewal or extension cannot be for more than twelve months, and there must be a state of emergency declaration applying to the district or part of the district when the renewal or extension is entered into.

The current contract with Solutions IT meets the above criteria.

Given the short-term of the current contract and the knowledge gained by the service provider during the contract to date, Shire officers believe it would be preferable to extend the contract for twelve (12) months at this time. Solutions IT have confirmed that should the extension be granted, the contract cost will not increase for the duration of the contract extension.

#### **ATTACHMENTS**

• Draft Shire of Gnowangerup Standards for CEO Recruitment, Performance and Termination

#### PURPOSE OF THE REPORT

Council's adoption of Standards for CEO Recruitment, Performance and Termination pursuant to 5.39A and 5.39B of the Local Government Act 1995

#### <u>COMMENTS</u>

The attached Draft Standards are in keeping with the Model Standards as prescribed by the Regulations with little change, save acknowledging the current arrangement for Performance Review through the CEO Performance Review Committee which is entirely in keeping with Standards 16 and 17 of the Model Standards.

#### CONSULTATION

Councillors have been provided with details of the Model Standards at workshops and received briefing notes from the Department of Local Government and Cultural Industries.

#### STRATEGIC RISK MANAGEMENT CONSIDERATIONS: Nil

IMPACT ON CAPACITY

#### ALTERNATE OPTIONS AND THEIR IMPLICATIONS

The Shire is required to adopt Standards for CEO Recruitment, Performance and Termination prior to the end of May 2021.

#### **CONCLUSION**

The attached Standards do not have any significant implications for the Shire at this time but will present some changes when it is time to recruit a new CEO.

### **ATTACHMENTS**

- Copy of a draft Appointment of an Acting CEO policy compliant with the requirements of Section 5.39C of the Local Government Act 1995
- Copy of the Shire's current Acting CEO policy

### PURPOSE OF THE REPORT

Council's adoption of a policy covering the appointment of an Acting CEO as a result of the planned or unplanned absence of the CEO for a period of less than twelve months.

### BACKGROUND

As a consequence of the Local Government Act 1995, and the Local Government (Administration) Regulations 1996 being amended this year to provide for Standards for CEO Recruitment, Performance and Termination, the Act was also amended to require Local Governments to adopt by an absolute majority a policy which determines how an Acting CEO will be appointed during planned or unplanned absences by the CEO. This policy is required to be placed on the Shire's website.

The Council's current policy appoints the Deputy CEO as its choice for most absences with other options at the discretion of Council. The draft attached is similar in intent and allows for the process for appointing an Acting CEO beyond three months still to be considered by Council.

### **COMMENTS**

The new policy has little departure from the Shire's current policy but does comply with Section 5.39C., which reads:

### 5.39C. Policy for temporary employment or appointment of CEO

- (1) A local government must prepare and adopt\* a policy that sets out the process to be followed by the local government in relation to the following —
  - (a) the employment of a person in the position of CEO for a term not exceeding 1 year;
  - (b) the appointment of an employee to act in the position of CEO for a term not exceeding 1 year.
  - \* Absolute majority required.
- (2) A local government may amend\* the policy.\* Absolute majority required.
- (3) When preparing the policy or an amendment to the policy, the local government must comply with any prescribed requirements relating to the form or content of a policy under this section.

### **Gnowangerup Shire – A progressive, inclusive and prosperous community built on opportunity**

• Draft Code of Conduct for Council Members, Committee Members, and Candidates

### PURPOSE OF THE REPORT

Council's adoption of a Code of Conduct for Council Members, Committee Members, and Candidates

### BACKGROUND

The Local Government (Model Code of Conduct) Regulations 2021 prescribe a Model Code of Conduct for Council Members, Committee Members and Candidates, and Section 5.104 of the Local Government Act 1995 requires the following:

### 5.104. Adoption of model code of conduct

(1) Within 3 months after the day on which regulations prescribing the model code come into operation, a local government must prepare and adopt\* a code of conduct to be observed by council members, committee members and candidates that incorporates the model code.

\* Absolute majority required.

### **COMMENTS**

At its March Ordinary Meeting the Council resolved the following:

### Moved: Cr G Stewart Seconded: Cr K House

0321.30 That Council:

- 1. In accordance with Schedule 1 cl.11 (3) of the Local Government (Model Code of Conduct) Regulations 2021 appoints and authorises the CEO as the Complaints Officer, and
- In accordance with Schedule 1 cl.11(2) of the Local Government (Model Code of Conduct) Regulations 2021, approves the template in Attachment 2 as the form for a complaint under Division 3 of the Local Government (Model Code of Conduct) Regulations 2021.

### **UNANIMOUSLY CARRIED: 8/0**

The adoption of the Code of Conduct is the next step, and whilst there is some room for additions to the Model Code of Conduct, care must be taken not to infringe upon the Rules of Conduct Regulations or contradict the intention of the Model Code of Conduct.

Councillors were advised of some concerns that were raised by the Local Government Professionals WA and McLeods Solicitors about the requirement in the Model Code that Council will deal with the complaints. Specifically, those concerns centre on the ability of councillors to act impartially in dealing with a complaint about a fellow councillor, and the difficulty that staff would have in investigating a complaint against a councillor.

Local Government Professionals WA has expressed this succinctly:

As background, Local Government Professionals WA argued very strongly against the proposal that Local Governments should deal with breaches of the Code of Conduct by Councillors. Our arguments against this policy position were based upon two fundamental concerns.

First, there could be no objectivity in decision-making as the Councillors being asked to determine the behavioural breach would all have a personal relationship with the Councillor accused and could, consequently, not be viewed as impartial. Indeed, it is likely that this inability to be impartial could be viewed as creating an apprehended bias which would preclude Councillors from sitting in judgement on one of their own.

Second, the approach would lead to a diminution of the standing of Local Government as complaints come before Council in a public arena (even if they are dealt with behind closed doors, the matter is placed on the agenda and the outcome is recorded in the minutes). The Standards Panel does not operate with this type of public transparency.

In response to these concerns, it is suggested that complaints against a current councillor be referred to the CEO to determine if they require investigation and, if so, that the CEO appoint a suitably qualified and independent investigator to carry out that investigation and provide a report to the Council. These would typically be complaints that could not easily be mediated between the subject of the complaint and the complainant.

### CONSULTATION

Councillors were advised at the March Ordinary meeting that a Code of Conduct for Council Members, Committee Members, and Candidates would be brought to the April meeting for adoption. Copies of presentations to Local Government CEO's by the Department of Local Government and Cultural Industries on the 12<sup>th</sup> March were provided to Councillors as background information along with several examples of Codes of Conduct.

• Purchase and Use of Motor Vehicle Agreement (Shire of Gnowangerup and North Stirlings Pallinup Natural Resource Inc.).

### PURPOSE OF THE REPORT

To allow Council to consider a request from the North Stirlings Pallinup Natural Resource Inc (NSPNR) for the Shire to facilitate the purchase of a replacement vehicle for NSPNR.

#### BACKGROUND

The NSPNR have made a request for the Shire to facilitate the purchase of a new vehicle (replacement of the existing Mitsubishi Triton which was purchased in 2010). The Shire is able to purchase a vehicle utilising the State Motor Vehicle (Passenger and Light Vehicle) Common User Agreement, but only on the basis that the Shire retains ownership of the vehicle and permits the NSPNR to use the vehicle.

### COMMENTS

As noted above, the Shire is able to purchase a vehicle utilising the State Motor Vehicle (Passenger and Light Vehicle) Common User Agreement, but only on the basis that the Shire retains ownership of the vehicle and permits the NSPNR to use the vehicle.

The implications are that the Shire will be responsible for annual vehicle licencing costs and insurance costs. It is proposed that the vehicle servicing, maintenance and any FBT costs would be the responsibility of the NSPNR. Servicing, maintenance and repairs are to be arranged through the Shire and an invoice issued to NSPNR for reimbursement. The vehicle will be allocated a Shire plant number, recorded as a Shire asset in the fixed asset register and added to the Shire plant replacement schedule.

In addition, for insurance purposes, the NSPNR will be required to provide an up-to-date list of approved drivers and copies of current drivers licences, and provide annual reporting of any private use to the Shire via a logbook for FBT purposes.

It is recommended that servicing, maintenance and any FBT costs for private use would be the responsibility of the NSPNR.

# PURPOSE OF THE REPORT

For Council to consider approval of a new loan from WA Treasury Corporation for the amount of three hundred and forty thousand dollars (\$340,000.00) for a term of six (6) months, to fund the existing self-supporting loan of the same amount to the Ongerup Community Development Inc. (OCD Inc.).

# <u>COMMENTS</u>

The OCD Inc. constructed two houses in Ongerup under the GSHI (BBRF) project. The total budget cost of the two houses was \$920,000.

In July 2020, the OCD Inc. made a request to Council for a short-term (6 month) self-supporting loan of three hundred and forty thousand dollars (\$340,000.00) to fund cash flow for the project. This was approved by Council at the July 2020 meeting.

The funds were advanced to the OCD Inc. on 16<sup>th</sup> September 2020, with full repayment due to the Shire on 16<sup>th</sup> March 2021. The Shire took out a loan from WA Treasury Corporation to fully fund the self-supporting loan to OCD Inc. The Shire repaid the loan to WA Treasury Corporation on the 16 March 2021. However, the OCD Inc. were not able to repay the self-supporting loan principal to the Shire as they had not received the milestone payment from the BBRF funding. As a result, at a special meeting of Council held on 11<sup>th</sup> March 2021, Council resolved as follows:

# **COUNCIL RESOLUTION**

Moved: Cr G Stewart Seconded: Cr R House

- 0321.24 That Council:
  - **1.** Approves the request from Ongerup Community Development Inc. (OCD Inc.) to re-finance the existing self-supporting loan of \$340,000 on the following terms and conditions:
    - The loan is for the period 17<sup>th</sup> March 2021 to 30<sup>th</sup> June 2021, with interest and all other associated fees and costs to be fully funded by OCD Inc., as per the existing loan agreement.
    - The loan is to be drawn down no earlier than 17th March 2021 and fully repaid by no later than 30<sup>th</sup> June 2021 (early repayment is permitted),

- The existing Loan Deed between the Shire of Gnowangerup and OCD Inc. is amended to include the period 17<sup>th</sup> March 2021 to 30<sup>th</sup> June 2021, with any variation to the Deed required in the future by OCD Inc. to be agreed to by Council, and
- The Shire is able to raise funding for the loan from the Western Australian Treasury Corporation and/or the Shires' bank if required.
- 2. Authorises the CEO to seek funding for the loan from the Western Australian Treasury Corporation and/or the Shires' bank if required, to ensure there is no impact on the 30<sup>th</sup> June 2021 budget surplus.

As at the date of writing this item, the OCD Inc. has advised that they have not received the milestone payment from the BBRF funds and are, therefore, currently unable to repay the loan to the Shire. There is now some doubt that the funds will be available to allow repayment by 30<sup>th</sup> June 2021.

Therefore, in order to ensure that the end of year budget surplus is not impacted and to allow time for one month's public notice of the intention to borrow, Council is requested to consider approving a loan from WA Treasury Corporation for six (6) months to fund the loan to OCD Inc, until the BBRF milestone payment is received by the OCD Inc.
