Meaning of and CAUTION concerning Council's "In Principle" support:

- (b) Importantly, Council reserves the right to (and may well) either decide against the proposal or to formally support it but with restrictive conditions or modifications.*

Therefore, whilst you can take some comfort from Council's "support" you are clearly at risk if you act upon it before Council makes its actual (and binding) decision and communicates that to you in writing.

6. Describe the extent of your interest (if seeking to participate in the matter under S. 5.68 & 5.69 of the Act)..

DECLARATION OF INTERESTS (NOTES FOR YOUR GUIDANCE)

A Member, who has a Financial Interest in any matter to be discussed at a Council or Committee Meeting that will be attended by the Member, must disclose the nature of the interest:

- a) In a written notice given to the Chief Executive Officer before the Meeting or;
- b) At the Meeting, immediately before the matter is discussed.

A member, who makes a disclosure in respect to an interest, must not:

- a) Preside at the part of the Meeting, relating to the matter or;
- b) Participate in, or be present during any discussion or decision-making procedure relative to the matter, unless to the extent that the disclosing member is allowed to do so under Section 5.68 or Section 5.69 of the Local Government Act 1995.

NOTES ON FINANCIAL INTEREST (NOTES FOR YOUR GUIDANCE)

The following notes are a basic guide for Councillors when they are considering whether they have a **Financial Interest** in a matter. These notes will be included in each agenda for the time being so that Councillors may refresh their memory.

1. A Financial Interest requiring disclosure occurs when a Council decision might advantageously or detrimentally affect the Councillor or a person closely associated with the Councillor and is capable of being measured in money terms. There are exceptions in the Local Government Act 1995 but they should not be relied on without advice, unless the situation is very clear.
2. If a Councillor is a member of an Association (which is a Body Corporate) with not less than 10 members i.e. sporting, social, religious etc.), and the Councillor is not a holder of office of profit or a guarantor, and has not leased land to or from the club, i.e., if the Councillor is an ordinary member of the Association, the Councillor has a common and not a financial interest in any matter to that Association.
3. If an interest is shared in common with a significant number of electors or ratepayers, then the obligation to disclose that interest does not arise. Each case needs to be considered.
- 4. If in doubt declare.**
5. As stated in (b) above, if written notice disclosing the interest has not been given to the Chief Executive Officer before the meeting, then it **MUST** be given when the matter arises in the Agenda, and immediately before the matter is discussed.
6. Ordinarily the disclosing Councillor must leave the meeting room before discussion commences. The only exceptions are:
 - 6.1 Where the Councillor discloses the extent of the interest, and Council carries a motion under s.5.68(1)(b)(ii) or the Local Government Act; or
 - 6.2 Where the Minister allows the Councillor to participate under s.5.69(3) of the Local Government Act, with or without conditions.

INTERESTS AFFECTING IMPARTIALITY

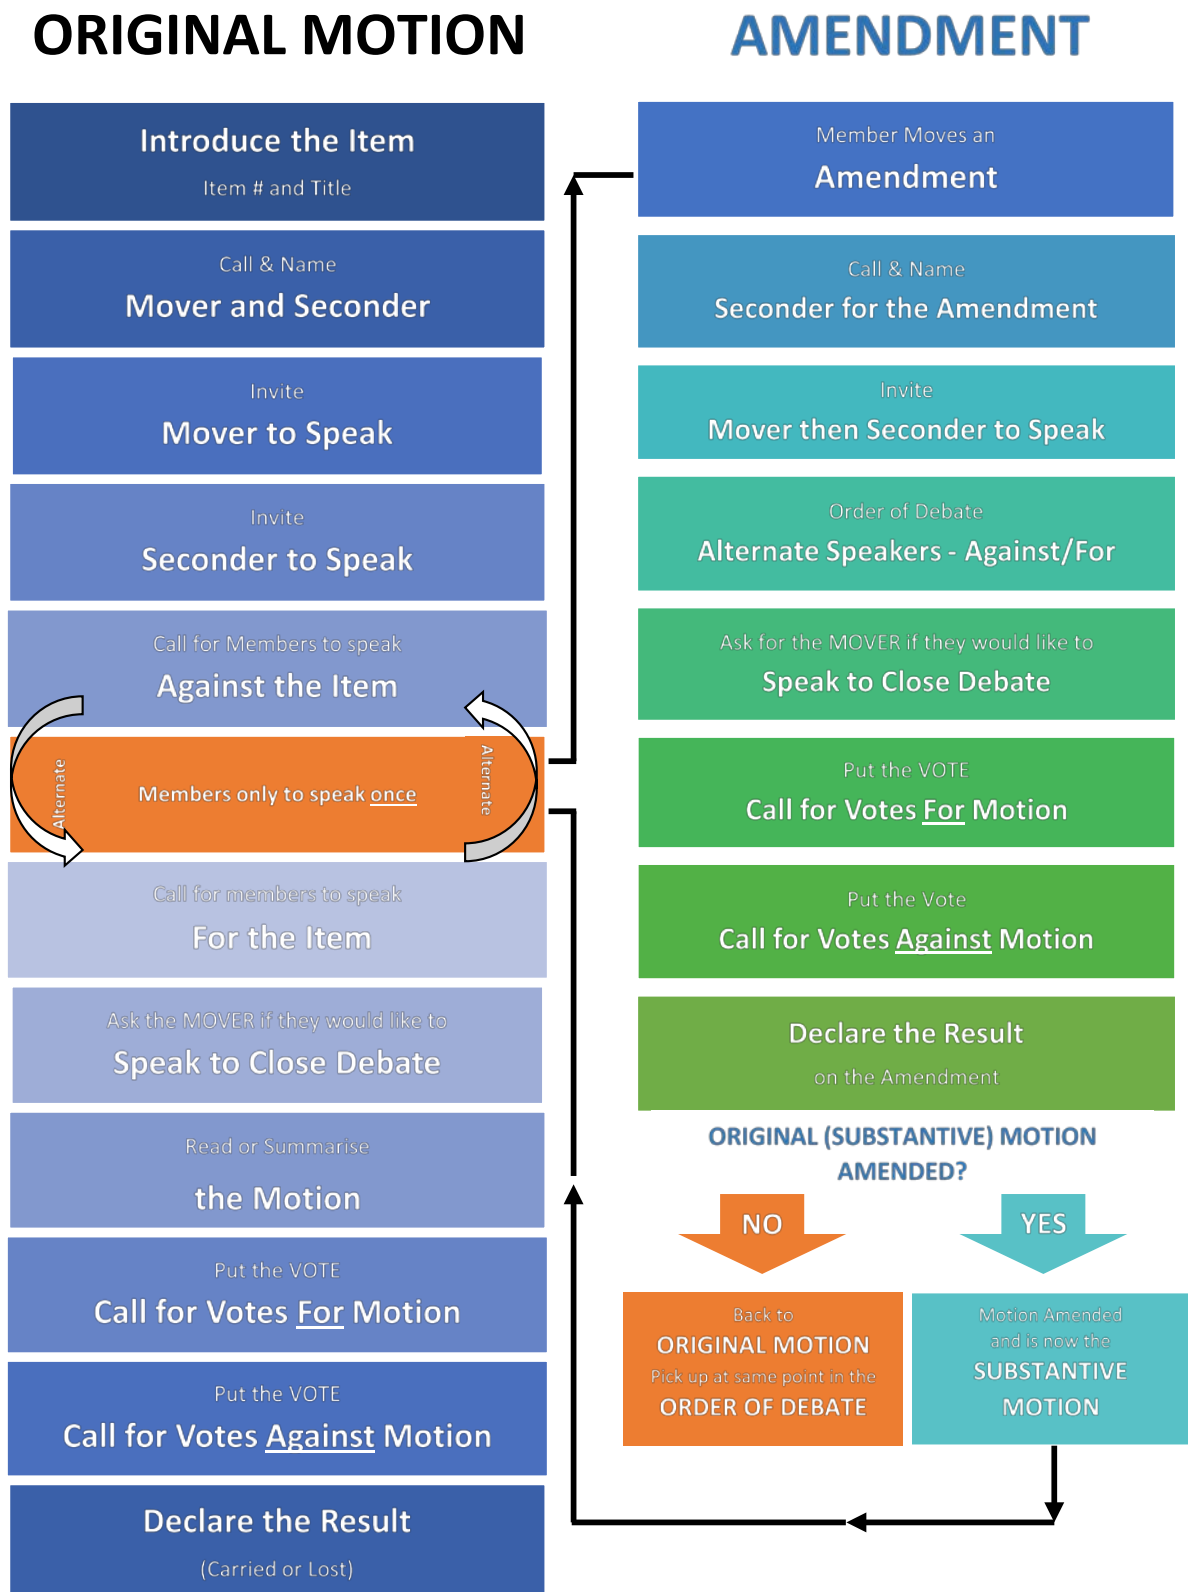

DEFINITION: An interest that would give rise to a reasonable belief that the impartiality of the person having the interest would be adversely affected, but does not include an interest as referred to in Section 5.60 of the 'Act'. A member who has an Interest Affecting Impartiality in any matter to be discussed at a Council or Committee Meeting, which will be attended by the member, must disclose the nature of the interest;

- (a) in a written notice given to the Chief Executive Officer before the Meeting; or
- (b) at the Meeting, immediately before the matter is discussed.

IMPACT OF AN IMPARTIALITY DISCLOSURE

There are very different outcomes resulting from disclosing an interest affecting impartiality compared to that of a financial interest. With the declaration of a financial interest, an elected member leaves the room and does not vote. With the declaration of this new type of interest, the elected member stays in the room, participates in the debate and votes. In effect then, following disclosure of an interest affecting impartiality, the member's involvement in the Meeting continues as if no interest existed.

Process of Motions

Slight clarification of wording of motion: A minor amendment of the motion can be done at any time through the President with the approval of the Mover and the Secunder. The Minor amendment must be minuted.

At the Ordinary Council Meeting on 17th February 2021 the item was deferred and resubmitted for consideration at the Special Council Meeting on 25th February 2021 to enable staff to clarify the quoting requirements for this item.

The item was also deferred at the Special Council Meeting on 25th February 2021 as a quorum was not achieved for voting on this item.

12.1 AUSPAN NEW FACTORY AND OFFICE - REQUEST FOR MINIMUM DEVELOPMENT APPLICATION FEE

Location:	No. 41 (Lot 102) Quinn Street, Gnowangerup
Proponent:	Steve Richardson on behalf of AUSPAN

Date of Report:	5 th February 2021/9 th March 2021

ATTACHMENTS

- Development Application covering letter.
- AUSPAN approved/stamped plans.

PURPOSE OF THE REPORT

To consider the request from AUSPAN to minimise the development application fee required to be paid for processing their new factory and office application.

BACKGROUND

The AUSPAN proposal was originally approved in December 2012 and they have been progressing with that approval since then. That approval lapsed on 20th December 2014 and they have recently submitted a new Development Application and plans for the factory and office and this has recently been approved, under delegated authority (see attached AUSPAN approved/stamped plans).

COMMENTS

The new proposal differs from that originally approved in 2012 with the buildings now to be relocated towards the rear of the site (see aerial image below), although the overall development and details are similar to that originally approved.

The cost of the proposed development is stated as \$2m and AUSPAN have nominated December 2021 for completion of the development. The application fee for a \$2m development is \$5,555 as set out in the *Planning and Development Regulations 2009* and Schedule of Fees and Charges 2020-2021 unless it is waived by Council.

Original building position shown in black outline with new building position in red outline (Image Landgate Map Viewer Plus)

AUSPAN (see attached Development Application covering letter) request the Council minimise the development application fee for the reasons set out in the correspondence.

Many of the original conditions are transferable to the new proposal and no readvertising of the proposal (as originally occurred) was considered necessary in this instance. Staff have expended approximately 10-hours on processing and approving the application and some reduction of the application fee is supported given the reduced workload involved this time.

CONSULTATION WITH THE COMMUNITY AND GOVERNMENT AGENCIES

Nil.

LEGAL AND STATUTORY REQUIREMENTS

Planning and Development Regulations 2009 - The Regulations allow, and set limits on, the planning fees that can be charged by a local government administering its planning scheme and r.52 allow the Council to waive or refund fees as follows:

52. Local government may waive or refund fee

A local government may waive or refund, in whole or in part, payment of a fee for a planning service.

POLICY IMPLICATIONS

There are no Local Planning Policies that apply to this report.

IMPACT ON CAPACITY

Nil.

RISK MANAGEMENT CONSIDERATIONS

Strategic Risk Category	Financial
Consequence Rating	Insignificant
Likelihood Rating	Unlikely
Acceptance Rating	Low
Risk Acceptance Criteria	Acceptable. Risk acceptable with adequate controls, managed by routine procedures and subject to annual monitoring

FINANCIAL IMPLICATIONS

The reduction of the application fee, if approved, will reduce the income into Planning Applications/Approval Fees accordingly.

STRATEGIC IMPLICATIONS

The report impacts on the following item in the Strategic Community Plan 2017 – 2027 as follows:

Strategic Focus	Built Environment and Infrastructure
Goals:	A built environment and infrastructure that supports the community and the economy
Outcome 3.1:	<ul style="list-style-type: none"> Appropriate planning and development
Strategy 3.1.2	Provide planning and development advice on land developments.
Strategy 3.1.3	Ensure quality, consistent and responsive development and building assessment approval processes.

Strategic Focus	Governance and Organisation
Goals:	Proactive leadership, good governance and efficient service delivery
Outcome 5.1:	<ul style="list-style-type: none"> Strategic governance and leadership
Strategy 5.1.5	Ensure compliance with Local Laws and statutory requirements.

ALTERNATE OPTIONS AND THEIR IMPLICATIONS

The Council has a number of options available to it, which are discussed below:

1 Not support a reduced application fee

The Local Government can choose to not support the proposal. If this was supported, the applicants would be required to pay the fee of \$5,555.

2 Support a reduced application fee

The Local Government can choose to support the proposal and proceed to waive the fee, in whole or part.

3 Defer the proposal

The Local Government may elect to defer the matter for a period and seek additional information or comment, if deemed necessary, before proceeding to make a decision.

CONCLUSION

The new AUSPAN proposal required less time than the original proposal required for processing and approving the application and administration support their request for consideration of a reduction of the application fee.

28.1.2021

Shire of Gnowangerup
RE: AUSPAN Factory & Offices Development.
Att: Phil Shephard

Dear Phil,

Further to our discussions AUSPAN is looking to proceed with the proposed construction of a new factory & office facility at 41 Quinn St, Gnowangerup.

This development has been on the cards for quite some time now and the property was purchased, subdivided, rezoned, cleared, fenced & had an electrical upgrade previously in preparation for this development.

As a local family business that was founded in Gnowangerup in 2009, we are committed to supporting the local economy & community of Gnowangerup by establishing a purpose-built head office and manufacturing facility here, to consolidate current operations onto one property and also to support future growth.

AUSPAN currently employs a team of 50+ staff and over 30 of these positions have been created in Gnowangerup. The continued growth of AUSPAN, especially in the fabrication side of the business will naturally create future employment for locals and potentially attract further families to town.

The proposed factory will allow AUSPAN to continue its growth path and offer the ability to more than double current fabrication throughput.

To this end the directors of AUSPAN have committed to our team that we will have the new facility built and ready for moving into by the end of 2021.

We understand that this property is close to a residential area and we confirm that the following design considerations have been included to minimise impact on residential properties:

- ▶ All main building works to be set back 35M+ from Corbett Street.
- ▶ To minimise noise the building wall facing Corbett Street will be acoustically insulated and to have no door openings in it other than what is required to meet BCA requirements.
- ▶ Landscaping buffer including large trees to be planted and maintained along the Corbett Street boundary.

As this development was previously approved in 2012, we would appreciate your consideration of a minimised fee to reapprove the development.

We would appreciate if this Development Application can be considered and approved as soon as possible to enable the progression of this facility for AUSPAN and for the Town of Gnowangerup.

Please feel free to contact me anytime to discuss or clarify anything regarding this proposal. Thankyou.

Best Regards
Steve Richardson.

ATTACHMENTS

- Email dated 6th March 2021 from Graeme Savage, President, Ongerup Community Development Inc.

PURPOSE OF THE REPORT

For Council to consider approval of a request from Ongerup Community Development Inc. (OCD Inc.) to re-finance the existing self-supporting loan of \$340,000 to fund cash flow requirements for the construction of two houses under the GSHI (BBRF) project in Ongerup.

COMMENTS

The OCD Inc. constructed two houses in Ongerup under the GSHI (BBRF) project. The total budget cost of the two houses was \$920,000.

OCD Inc. were originally under the belief that the project funding from the Building Better Regions Fund would be on an as needs basis; however they now understand that it is on a reimbursement basis. The OCD Inc. were required to fund 50% of the project cost. They were prepared to fund 25% in cash and were planning to borrow the other 25%. Due to the reimbursement basis of the grant funding and delays in obtaining finance for 25%, the OCD Inc. did not have sufficient cash flow to fund the project.

In July 2020, the OCD Inc. made a request to Council for a short-term (6 month) loan to fund cash flow for the project. This was approved by Council at the July 2020 meeting:

Moved: Cr S Hmeljak

Seconded: Cr C Thomas

0720.73 That Council:

1. Approves the request from Ongerup Community Development Inc. (OCD Inc.) for a short-term self-supporting loan of up to \$340,000 on the following terms and conditions:

- **The loan is for a maximum term of six (6) months, with interest and all other associated fees and costs to be fully funded by OCD Inc.,**
- **The loan is to be drawn down no earlier than 1st September 2020 and fully repaid by no later than 28th February 2021,**

- The OCD Inc. provides evidence to the Shire of holding the 25% cash component of the project funding (expended and/or unexpended),
- A Loan Deed between the Shire of Gnowangerup and OCD Inc. is prepared, with any variation to the Deed required in the future by OCD Inc. to be agreed to by Council, and
- The Shire is able to raise funding for the loan from the Western Australian Treasury Corporation and/or the Shires' bank.

2. Authorises the CEO to seek funding for the loan from the Western Australian Treasury Corporation and/or the Shires' bank.

CARRIED BY ABSOLUTE MAJORITY:7/0

The funds were advanced to the OCD Inc. on the 16th September 2020, with full repayment due to the Shire on 16th March 2021.

As at the date of writing this item, the OCD Inc. has advised that they have not received the milestone payment from the BBRF funds are therefore unable to repay the loan to the Shire on the due date of 16th March 2021. The OCD Inc. wish to request that Council consider re-financing the existing loan of \$340,000 for the period 17th March 2021 to 30th June 2021, on the same terms and conditions as per the existing loan agreement.

Hi Ian

Thank you for your reply.

The Ongerup Community Development Group would like to request that Council refinance our loan to cover the building costs for the GSHI Project.

Unfortunately, I am unable to say when we will be able to repay the loan other than it will be as soon as the GSHI releases the funds owned to us.

To date I have had no clear indication when this payment will be made. If this is still the case when this request is considered by council then I would be happy to have a repayment date of June 30. (Surely the BBRF will want this project wrapped up by the end of the Financial year?)

The Ongerup Community Development Group is prepared to pay any interest, administration or finance costs that Council may incur as a result of this loan.

Yours Sincerely
