**Meaning of and CAUTION concerning Council's "In Principle" support:**

*When Council uses this expression it means that:*

- (a) Council is generally in favour of the proposal BUT is not yet willing to give its consent; and*
- (b) Importantly, Council reserves the right to (and may well) either decide against the proposal or to formally support it but with restrictive conditions or modifications.*

*Therefore, whilst you can take some comfort from Council's "support" you are clearly at risk if you act upon it before Council makes its actual (and binding) decision and communicates that to you in writing.*
